## **Preaching The Good News For Modern Man:**

**Bases of the Preaching** Marcos A. Toyens, 2019-11-23 The contemporary evangelical church faces serious difficulties All their leaders are aware of this and they try different diagnoses and answers for it It occurs to me that the current situation is similar to the tragic fate of Samson to whom the Spirit of God had left him and he did not realize it As solutions are sought in human and pragmatic techniques the patient aggravates their condition The only correct answer is that this vanishing life be breathed in as at the beginning of creation by the Word of God The spiritual life of the church and of ourselves depends on listening to and responding to the Word of God And for this to happen Scripture must take the central and authoritative position in the life of the church *Preaching the Good News for Modern Man* David Alexander MacLennan, 1973

**Lectionary Preaching Workbook, Series VI, Cycle B** E. Carver McGriff, 1999-06 I would like to enter a partnership with you sharing what these assigned passages say to me setting forth what I might do with each assigned text hopefully igniting ideas in your busy and at times overburdened mind and spirit so that together we may bring that word from the Lord My hope is not to take the work entirely out of sermon preparation but to generate a process whereby the busy sometimes overworked preacher can get off to a running start **A Theology of Preaching** Richard A.

Lischer,2001-06-08 Richard Lischer's book is a stirring affirmation of preaching's importance as a major enterprise in its own right. It is he writes a theological preface whose aim is to show how theology informs preaching and how preaching as a kerygmatic oral practical activity informs theology and brings it to its final form of expression. Dr Lischer points to the historically negative results of preaching's exclusion from theology and then shows the benefits derived from the proper interaction of the two disciplines. As he elaborates on this theme he explores the centrality of the Resurrection in both theology and preaching, the relation of the law and the gospel and how preaching calls upon theology to recover its oral aural foundation. For Lischer the act of preaching is an exercise of the preacher's imagination. The real work of imagination is not inserting clever stories or esthetically pleasing images into the argument of the sermon. It is knowing how to read texts in such a way that they will be allowed to function according to their original power and intent. Preaching Effectively, Revitalizing Your Church Guerric DeBona,2009 Preaching Effectively Revitalizing Your Church offers a practical and theological guide to effective preaching. Guerric DeBona, an experienced and respected teacher of homiletics, uses the metaphor of a ladder to describe the ascent up seven rungs that constitute the strategies of preaching. Beginning with advice on discovering a personal theology of preaching, the author proceeds to unlock the power of the Bible and the liturgy. He then guides preachers in creating a unified homily and in discovering a homiletic method that best suits their own intellect and temperament. Chapters on communicating in contemporary culture and on globalizing the homily for the New Evangelization are vital for coming to grips with the technological age and the often bewildering diversity of today's world. Finally, DeBona challenges readers to recognize and confront their own obstacles to effective preaching. Each chapter ends with questions to assist preachers in appropriating the material. With bad homilies consistently cited as a factor in declining church attendance, Preaching Effectively Revitalizing Your Church answers a very pressing need, especially in view of the papacy's urgent call to rescue traditionally Christian countries from the brink of total secularization. Book jacket *Macmillan's Magazine*, 1865

*Two sermons preached on All Saints Day, ... by ... F. Paget, ... and ... W. H. Hutchings* Francis PAGET (Bishop of Oxford.), 1886 *Born of Need* John Schuit, 2024-10-24 Modern churchgoers often find the reality of original sin inconvenient. Of course people acknowledge remorse and personal guilt as a present reality, but these feelings are hurriedly suppressed. Most people assume that they are basically good and innately innocent, but the Bible, history, and society's current situation demonstrate otherwise, and the church needs to hear preaching that includes the biblical diagnosis. Conviction of sin can hurt deeply and collide with prevailing norms, but it is meant to drive sinners to the only remedy available: Jesus. This book is an invitation to revisit the doctrines of sin and salvation as they impact daily life. It is an unvarnished look at the Bible and a period in history when preaching fostered a sense of need in the general population, resulting in awakenings and large revivals. Today, serious Christians are invited to pause and take a long look at the state of the church and their own hearts.

**The Sunday-school World**, 1881 **Sermons in 1 & 2 Corinthians** R. J. Rushdoony, 2023-06-09 Rushdoony's

Sermons in First and Second Corinthians are the last of his Biblical commentaries delivered shortly before his passing but it represents a fitting close to his teaching ministry He said Paul s letters are difficult to preach on because they speak to the sins of Christians and with the church at Corinth the long list of sins included division strife injustice immorality doctrinal error and the abuse of the sacraments Despite their many transgressions the apostle Paul still addresses the believers at Corinth as saints and referred to their gathered community as the church of the Lord Jesus Christ They were still Christ s embassy on earth They could still develop into a greater training center for Christian action This is why Paul s letters to the Corinthians are relevant to the church today and it s also why Rushdoony s sermons on these two epistles are invaluable to us now Rushdoony was criticized for his ecclesiology but only because he always saw the greater fact of God s advancing Kingdom and the church as the equipping center for the saints Rushdoony s fresh application of Paul s warnings and admonitions will help Christians pastors and churches to free themselves of the same sins and return to the church as an embassy of the Kingdom

**THE NEED FOR A GODLY SOCIAL ORDER** The church could not hope in time to rule the world if it could not rule itself It was thus very important for Paul to bring the Corinthians back into obedience to God s law among other things The apostle Paul was an envoy to the ekklesia of Jesus Christ those who are called to establish God s Kingdom on earth Therefore the importance of his patience correction and instruction could not be diminished if he were to be faithful to the One who sent him The church is Christ s embassy to earth to reclaim what belongs to Him Against the backdrop of a history filled with hatred for God and hatred of all that is holy our greater calling is the establishing of a godly social order and this commentary by Rushdoony is a welcomed text to help equip us for that great responsibility

**The Catechism of Modern Man** Daughters of St. Paul,1968      *The Preacher and Homiletic Monthly* ,1881      **Go and Preach** Rev. Justin M. Steward,2020 Jesus has called all His followers to participate in two great assignments to preach the Gospel evangelism and to teach the nations discipleship and maturity In this book the author points out that Christians often emphasize one or the other but Christ wants us to be about the business of both Practical instruction is given on how to be a better witness for Jesus and an onward vision to maturity is humbly presented A need for evangelism and the truths of eternal judgment are presented with great balance clarity and empathy If you have a love for God and a love for people this book will help to equip you to serve our Lord Jesus Christ in this generation You will be challenged strengthened and blessed as you read it Rev John Heyer from the Foreword      *The Chautauquan* ,1883      *The Sacred Writings of the Apostles and Evangelists of Jesus Christ* ,1882      **Suggestive Outline Bible Studies and Bible Readings** John Henry Elliott,1883      **The Wesleyan methodist Church record** ,1894      **The Christian Century** ,1927
