Evangelism in a Skeptical World Sam Chan, 2018-03-13 Many of the old methods of evangelism no longer work effectively today We need new methods to communicate the timeless message of the gospel in culturally relevant ways In a post Christian post church world most Christians have been poorly equipped to tell their friends about Jesus Dr Chan combines the theological and biblical insights of classic evangelistic training with his own and hard won insights from missiology on contextualization cultural hermeneutics and storytelling Every chapter is illustrated with real world examples drawn from over fifteen years of evangelistic ministry across the globe These are methods that really work with university students urban workers and professionals getting past the defensive posture that people have toward Christianity so they can seriously consider the claims of Jesus Christ Field tested and filled with unique fresh and creative insights this book will equip you to share the gospel in today's world and help as many people as possible hear the good news about Jesus

Relational Evangelism Dr. Kofi Peter Effa, 2021-11-19 For God so love the world that he gave his one and only Son that whoever believes in him shall not perish but have eternal life John 3 16 How then can they call on the one they have not believed in And how can they believe in the one of whom they have not heard And how can they hear without someone preaching to them or sharing their faith Romans 10 14 Relational evangelism therefore focuses on cultivating and building relationships with non Christians and unbelieving neighbors with the intent of winning them to Christ Different types of evangelistic methods have been used in past generations However in today's culture of individualism and isolationism relational evangelism provides the best approach to bring people to Christ The truth of the matter is that people normally pay no attention to strangers however they open up once they become comfortable with you through a relationship that has developed over time The clock is fast ticking Christ Jesus is on his way Soldiers of Christ let's get the world saved and be ready for him appearing
