Predators Prey And Other Kinfolk:

Predators, Prey, and Other Kinfolk Dorothy Allred Solomon, 2003 A memoir of life in the family of Utah fundamentalist leader polygamist and naturopathic physician Rulon C Allred **Daughter of the Saints** Dorothy Allred Solomon, 2020-04-14 Probably the best book ever written about polygamy Neither an apologia nor an expos Salt Lake City Tribune I am the daughter of my father s fourth plural wife twenty eighth of forty eight children a middle kid you might say So begins this astonishing and poignant memoir of life in the family of Utah fundamentalist leader and naturopathic physician Rulon C Allred Since polygamy was abolished by manifesto in 1890 this is a story of secrecy and lies of poverty and imprisonment and government raids When raids threatened the families were forced to scatter from their pastoral compound in Salt Lake City to the deserts of Mexico or the wilds of Montana To follow the Lord s plan as dictated by the Principle the human cost was huge Eventually murder in its cruelest form entered when members of a rival fundamentalist group assassinated the author s father Dorothy Solomon monogamous herself broke from the fundamentalist group because she yearned for equality and could not reconcile the laws of God as practiced by polygamists with the vastly different laws of the state This poignant account chronicles her brave quest for personal identity Originally published in hardcover under the title **Predators Prey and Other Kinfolk** **Modern Polygamy and Mormon Fundamentalism** Brian C. Hales, 2006-01-01 2007 Best Book Award John Whitmer Historical Association Under the subject of alternative lifestyles the issue of polygamous relationships falls squarely in the middle of the debate Polygamous marriages are a common practice in many other countries but the United States has vehemently opposed such unions and will no doubt find itself disputing its position on them again in the near future As with the same sex marriage issue a firestorm of controversy surrounds the question since the right to participate in a polygamous union is very much tied to the right to live out one s preferences religious or not Detailed accounts of sexual abuse and child brides are frequently leaked from the various polygamous societies notwithstanding their extreme efforts to remain under the radar of law enforcement and the press A by product of these mysterious societies is that public interest is vitalized by their continuous efforts to gain independence from traditionalist culture This fascinating study seeks to trace the historical tapestry that is early Mormon polygamy details the official discontinuation of the practice by the Church and for the first time describes the many zeal driven organizations that arose in the wake of that decision Among the polygamous groups discussed are the LeBaronites whose blood atonement killings sent fear throughout Mormon communities in the late seventies and the eighties the FLDS Church which made news recently over its construction of a compound and temple in Texas and Warren Jeffs arrest and conviction and the Allred and Kingston groups two major factions with substantial membership statistics both in and out of the United States All these fascinating histories along with those of the smaller independent groups are examined and explained in a way that all can appreciate [The Colony](#) Sally Denton, 2022-06-28 A Publishers Weekly Summer Reads Selection The Colony is one of the most gripping and disturbing true

stories I've ever come across Douglas Preston An investigation into the November 2019 killings of nine women and children in Northern Mexico an event that drew international attention The Colony examines the strange little understood world of a polygamist Mormon outpost On the morning of November 4 2019 an unassuming caravan of women and children was ambushed by masked gunmen on a desolate stretch of road in northern Mexico controlled by the Sinaloa drug cartel Firing semi automatic weapons the attackers killed nine people and gravely injured five more The victims were members of the LeBaron and La Mora communities fundamentalist Mormons whose forebears broke from the LDS Church and settled in Mexico when their religion outlawed polygamy in the late nineteenth century The massacre produced international headlines for weeks and prompted President Donald Trump to threaten to send in the US Army In The Colony bestselling investigative journalist Sally Denton picks up where the initial incomplete reporting on the attacks ended and delves into the complex story of the LeBaron clan Their homestead Colonia LeBaron is a portal into the past a place that offers a glimpse of life within a polygamous community on an arid and dangerous frontier in the mid 1800s though with smartphones and machine guns Rooting her narrative in written sources as well as interviews with anonymous women from LeBaron itself Denton unfolds an epic disturbing tale that spans the first polygamist emigrations to Mexico through the LeBarons internal blood feud in the 1970s started by Ervil LeBaron known as the Mormon Manson and up to the family's recent alliance with the NXIVM sex cult whose now imprisoned leader Keith Raniere may have based his practices on the society he witnessed in Colonia LeBaron The LeBarons tense but peaceful interactions with Sinaloa deteriorated in the years leading up to the ambush LeBaron patriarchs believed they were deliberately targeted by the cartel Others suspected that local farmers had carried out the attacks in response to the LeBarons seizure of water rights for their massive pecan orchards As Denton approaches answers to who committed the murders and why The Colony transforms into something more than a crime story A descendant of polygamist Mormons herself Denton explores what drove so many women over generations to join or remain in a community based on male supremacy and female servitude Then and now these women of Zion found themselves in an isolated desert navigating the often mysterious complications of plural marriage and supported Denton shows only by one another A mesmerizing feat of investigative journalism The Colony doubles as an unforgettable account of sisterhood that can flourish in polygamist communities against the odds

Plural Wife Mabel Finlayson Allred, Martha Bradley-Evans, 2012-05-17

Mabel Finlayson Allred was a wife of Rulon Allred leader of the Apostolic United Brethren one of the major groups of fundamentalist Mormons who since about the 1930s have practiced plural marriage as separatists from the mainstream Latter day Saints Church Mabel's autobiography maintains a mood of everyday normalcy strikingly in contrast with the stress of the ostracized life she was living Her cheerful tone expressive of her wish to live simply and gracefully in this world is tempered by more somber descriptions of her personal struggle with clinical depression of Rulon Allred's inner struggles of tensions with the law and with Allred's fundamentalist colleagues and ultimately by her forthright account of his
