Destiny without choice - Is this our security?

*This study by Dr. Diamond Ford
from "Good News Unlimited," October 1998,
is reprinted by permission.*

INTRODUCTION by Rachel Cory-Kuehl, November 29, 2021

The basic question concerns free-will. Do human beings have freedom to choose, or refuse, a relationship with their Creator? I believe we do. **There is no such thing as "love" without free will.** The command to "love the Lord thy God," makes no sense, without free will. "We love Him because He first loved us" (1 John 4:19). Our love is a response, to His love for us. How many did He love? "God so loved the world" (John 3:16). How did God demonstrate His love, so that human beings could see it? He "gave His only begotten son."

We know that God sees the future with absolute clarity. The prophecies prove that. The Son of God would die at 3pm, on the 14th day of Nissan. He would be "lifted up from the earth," and hanged "on a tree." He would be pierced through hands and feet. He would die with criminals, but be buried with the rich. He would be raised the third day. Very specific predictions - fulfilled in every detail. **Does the fact that God knows who will ultimately be saved, negate free will? Does knowing the future, change the future?** No. The Lord still draws everyone. He still pleads with everyone. He has blessed everyone. His Son died for everyone. It's just that most will refuse His gift, because they love their sins and do not want to be changed.

It's true, that we cannot change ourselves - in heart. But we have His promise that He will change us, if we give Him permission, by believing in Him. We can resist Him. He has allowed us that power. He will not overpower or manipulate our minds. He wants our love, which by definition must be freely given.

This article by Dr. Ford, gives an overview of the history, of the doctrine of predestination. That was the main reason why I wanted to include it at the Prophecy Viewpoint website. Protestantism was divided into two branches because of the doctrine of predestination. It is hugely important.

I have reformatted this study, to highlight the verses in my usual style. I have not changed the words of Dr. Ford. Where I have made a little note, I identify myself as the author of that note. Rachel

PART ONE

I want to talk to you about T-U-L-I-P. Not the flower. But T-U-L-I-P. That is the acronym to help us sort through the beliefs of predestinarians. You must not think that the word "predestinarians" is a swear word. Many of the greatest Christians who have ever lived are/ or were predestinarians.

Heart. Soul. Mind. Strength. Andrew T. Le Peau,Linda Doll,2006-11-21 Andy Le Peau and Linda Doll provide an anecdotal history of InterVarsity Press **Unearthing Your Heavenly Election** Charles Burgess,2014-09-23 Have you wondered what God s intentions are or if He has intentions for you Answers to these questions and more are found in Unearthing Your Heavenly Election which reveals the logical love in God s choosing of you to be in heaven with Him eternally Unearthing Your Heavenly Election is a compilation of verses from the Old and New Testaments progressively arranged to uncover the sensible reasoning behind predestination As an added bonus you will learn the parallel doctrine in the Bible that will relieve comfort and empower your Christian walk That is the doctrine of eternal security You will find answers to questions like How can you claim Jesus chose me when I am the one who chose Jesus Can people lose their salvation Why would some people not be chosen Study in depth Jesus separation of the goats from His sheep and come to understand His parables of the talents wheat and tares Take advantage of the included glossary for simple definitions of commonly used Christian words viewed in the light of election Start enjoying your Christian walk as you shed vague ideas concerning salvation and instead embrace the clarity and intensity of it Release your grip on guilt and let it fall away as you discover more love than you have ever known Lose the confusion you have had about God s saving grace and find the answers to questions you have been afraid to ask Come to a place of peace and relaxation with yourself and with God *Predestination* Matthew Levering,2011-05-26 A fresh introduction to and detailed exploration of the doctrine of predestination exploring its New Testament foundations and its historical development through the thought of 16 key theologians and philosophers from the early church through to the present day **Chosen for Eternity** John MacArthur,1989 Learn how the triune God chose you by the foreknowledge of God the Father via the sanctifying work of the Spirit in order that you may obey Jesus Christ and be sprinkled with His blood This study highlights the sovereignty of God as He reaches through our sin and brings about our salvation

Predestination & Free Will David Basinger,Randall Basinger,2009-09-20 If God is in control are people really free This question has bothered Christians for centuries And answers have covered a wide spectrum Today Christians still disagree Those who emphasize human freedom view it as a reflection of God s self limited power Others look at human freedom in the order of God s overall control David and Randall Basinger have put this age old question to four scholars trained in theology and philosophy John Feinberg of Trinity Evangelical Divinity School and Norman Geisler of Dallas Theological Seminary focus on God s specific sovereignty Bruce Reichenbach of Augsburg College and Clark Pinnock of McMaster Divinity College insist that God must limit his control to ensure our freedom Each writer argues for his perspective and applies his theory to two practical case studies Then the other writers respond to each of the major essays exposing what they see as fallacies and hidden assumptions A lively and provocative volume **Conformed to His Image** Mister Roderick L. Evans, In this

publication we will discuss the predestination of God When we speak of predestination in this publication we are referring to what God has intended or purposed for your life He has predestined men and women to be like Christ The Christian should know that He will do what is necessary to see you fulfill it Your greatest joy will come when you fulfill His desire

Predestination Joseph Davidson, 2013-12 A concise plain language treatment of the Biblical accuracy of the Calvinistic doctrine of predestination *Predestination TBTS* delves far beyond the normal verses used by Calvinism to support the belief that God chose individuals for salvation before we were even created and expands the scope of the study to include Scripture that might otherwise seem completely unrelated The book does not seek to disprove the doctrine of predestination but instead uses a wealth of Scripture to clarify what has been one of the most hotly debated topics in Christianity for hundreds of years This being that according to Calvinism predestination is extended by God to man and that all anyone can ever do to be saved is to hope that they are chosen by God *Predestination TBTS* however shows how Scripture clearly reveals that this teaching is in error and that the totality of the Scriptures themselves reveal a completely different take on this doctrine This take is neither new nor is it earth shattering it is simply what the Bible has been saying for two centuries concerning the doctrine of predestination Namely that predestination is solely and exclusively the possession of Jesus Christ and that the only way any person can ever claim to be predestined chosen or elect is through Christ and Him alone While some within Calvinism might not dispute this claim its Calvinism's teaching of the doctrine wrongly attributes this choosing of individuals before time began to God the Father which is directly disputed by this work What *Predestination TBTS* shows is that instead God the Father chose or predestined His Son Jesus Christ alone and that His Jesus Christ's predestination is available to any and all who will only believe in Him

Election and Predestination Samuel Fisk, 2002-04-09 You are not about to read the views of one author alone In this powerful book Samuel Fisk quotes over 100 scholars He presents in one volume a vast array of balanced and scholarly views to help you unravel the vexed questions of election and predestination It is often assumed that one must be either a Calvinist or an Armenian This is not so There is a balanced scriptural line of truth regarding election that will preserve the Bible student from dangerous by path meadows into which far too many have strayed over the years As you read the wise and careful comments of such scholars as W E Vine Sir Robert Anderson C H Spurgeon F B Meyer Handley Moule Harry Ironside R A Torrey G Campbell Morgan Wilber M Smith J C Ryle A T Robinson Christopher Wordsworth and J Sidlow Baxter you will begin to see your way through this particularly tricky theological minefield This could be one of the most important books you will ever read

Predestination John A Moldstad Jr, 1997-07-01 What does the Bible teach about predestination Predestination is a biblical teaching that intimidates many people because it seems hard to understand This helpful book explains this scriptural teaching in a straightforward manner that is easy to understand Predestination shows you that this biblical teaching is not meant to worry or concern you God intends for it to reassure you because of his eternal steadfast love for you in Christ Jesus If you're wondering what predestination is or what it means for

you as a Christian this book is for you The People s Bible Teachings is a series of books on all the main teachings of the Bible Following the pattern set by The People s Bible series these books are written for all Christians in an easy to read manner The authors are all pastors and professors who have had years of experience teaching others about the Bible The Biblical Doctrine of Election and Predestination Edward G. Rice,2009-07-01 The Biblical Doctrine of Election and Predestination The Author is a USAF retired systems engineer turned Baptist Preacher who brings a fresh Biblical look at our systematic theology His Master of Science degree in Engineering enlivens an analytical view of the doctrine of election and predestination You will be amazed at how much Christian doctrine departs from the Bible and leans on Augustinian Theology and Calvin s Reformed Theology We need to get back to sound Bible teachings with this doctrine This treatise will move one in that direction Conformed to His Image Roderick L. Evans,2011 In this publication we will discuss the predestination of God When we speak of predestination in this publication we are referring to what God has intended or purposed for your life He has predestined men and women to be like Christ The Christian should know that He will do what is necessary to see you fulfill it Your greatest joy will come when you fulfill His desire *Predestination* Greg Kame,2021-03-11 The doctrine of predestination is an important starting point for the study of Christian theology thought from a Reformed theological perspective This doctrine is essential because it is one of the central themes from the Bible that has been the reason for many debates among many theologians in the history of the church Despite the different views held by mainline Protestant theologians like Martin Luther John Calvin and Jacobus Arminius this book points to Scripture as the basis for Reformed soteriology It uses the tools of biblical interpretation to show how the entire Bible addresses the doctrine of predestination so that theology students pastors Bible teachers and anyone interested in Christian theology will better understand predestination from a Reformed perspective toward an effective ministry today **Predestination:The Pharaoh Account of Grace** Joachim P.C. Acolatse Jr.,2014-02-13 If youve heard and believed that God predestinated some to eternal life and hardened Pharaohs heart youve been misled Biblical predestination doctrine is the opposite of theological writings on the subject After studying this book you will no longer accept Augustinian Lutheran Calvinist theology passing for doctrine Predestination The Pharaoh Account of Grace is a biblical treatment of predestination doctrine Part One refutes the theological arguments as un Scriptural and opens up understanding of predestination doctrine with detailed explanation of the call justification and glorification available to man It avoids the pitfall of equating Gods foreknowledge with omniscience and the consequent conclusion that God predestinated only those he knew from eternity would become believers Part Two clarifies the Exodus account which has negatively impacted Gods character and showcases his spontaneous and patient outpouring of grace upon Pharaoh From initially foretelling the end from the beginning God graciously repairs Pharaohs heart ten times as he in turn frustrates the grace Predestination The Pharaoh Account of Grace exposes the controversy stirred up concerning predestination since the fourth century as a work of the devil which must be destroyed Undoubtedly

this definitive work on the subject will be of tremendous benefit to clergy lay leaders academia and through them the body of Christ

Election and Predestination Paul King Jewett,1985 The Doctrines of Predestination, Reprobation, and Election Robert Wallace,2021-03-16 *The Case for Election The Original Doctrine of Predestination, Presented by the Apostles* Marc A. Carr,2012-04 This book is about how the Christian actually became a Christian The process is Marc s focus How does God take the Chosen from the womb to salvation then into His eternal bosom The classic position of Election and Predestination is made plain forcing the reader to address the alternative Man s free will choice to be saved or not Can these two positions be reconciled No not really The Lord assured Moses I will make all My goodness pass before you and I will proclaim the name of the Lord before you I will be gracious to whom I will be gracious and I will have compassion on whom I will have compassion Exodus 33 19 Moses was to experience a limited theophany what the Greek Orthodox call a theosis the physical presence of God Himself equivalent to My goodness It is God s very Goodness the New Testament saint knows to be the indwelt Holy Spirit the very Spirit of Christ Jesus Himself God Himself Paul cites the Exodus passage in Romans to demonstrate to the body of Christ that God by His sovereignty elected each believer to be His own that we did not elect ourselves to be God s And one Saint asked Why write about such things that have been covered for hundreds of years True But more recently much about God s sovereignty has been covered over Christian modernity has adapted as the author once did to a new Evangelicalism Whereby some first truths have been buried so deep that when they are unearthed they appear to be a foreign theology to the present generation of Evangelical believers Marc affords the saint the information necessary to actually understand how he or she actually got saved Marc presently lives in Orlando Florida where he pastors Blessed Fellowship Orlando an outreach ministry of Orlando Prayer and Worship Center Senior Pastor Roy Futch The Reformed Doctrine of Predestination [Fifth Edition] Loraine Boettner,2017-02-07 First published in 1941 this is the Fifth Edition of Loraine Boettner s 1932 publication The Reformed Doctrine of Predestination and is widely considered to be one of the 20th century s most reasoned explanations of the sovereignty of God and the Reformed interpretation of salvation THE purpose of this book is not to set forth a new system of theological thought but to give a restatement to that great system which is known as the Reformed Faith or Calvinism and to show that this is beyond all doubt the teaching of the Bible and of reason Loraine Boettner Introduction Whoever really wants to know what Calvinism teaches cannot do better than to read this book from cover to cover United Presbyterian magazine **The Reformed Doctrine of Predestination** Loraine Boettner,1941
