The Prefect in French Public Administration Howard Machin, 1977-01-01 **Militär und Familie** Dorit Geva, 2022-05-30

In welchem Verhältnis stehen moderner Staat und moderne Familie Dorit Geva verfolgt diese Frage anhand einer für die Staatlichkeit symbolkräftigen Institution der Wehrpflicht In einer historisch vergleichenden Studie zu zwei paradigmatischen Nationen zu Frankreich und zu den Vereinigten Staaten untersucht sie die Spannung zwischen familialer und staatlicher Autorität Es wird deutlich dass zentrale Erwartungen an männliche Staatsbürger Soldat sein und Vater sein im Widerspruch zueinander stehen Denn wenn Männer Soldaten werden sind sie nicht da um der Familie vorzustehen und als Vater können sie nicht jederzeit kämpfen Geva zeichnet die institutionellen Versuche nach mit dieser Spannung umzugehen Dabei zeigt sie wie moderne Staatsentwicklung an familiäre Autorität und deren geschlechtsspezifische Strukturen gebunden ist Deshalb nimmt die Autorin nicht nur die Regeln der Wehrpflicht sondern auch die Position der Frau im Familienrecht Prozesse der Arbeitsteilung und patriarchale Familienstrukturen in den Blick So führt Dorit Geva eindrucksvoll vor wie lohnend die Verbindung feministischer Forschung mit einer an Max Weber orientierten Staatswissenschaft sein kann **Comparative Public Administration** J.A. Chandler, 2002-09-11 This accessible introduction to the system of public administration uses a clear country by country analysis and includes new public management approaches Including often neglected areas such as the European Union Japan Britain France Germany The Republic of Ireland Italy Sweden and the United States this student friendly volume is a highly valuable resource for students of Politics and Administration at all levels **Subnational Government** John Loughlin, 2007-04-17 With globalization and the EU local and regional government in member states have experienced dramatic changes in their operation responsibilities and organizations Loughlin presents an overview of the theory and practice of subnational government in France and a detailed examination of the outcomes **Public Administration in France** Frederick F. Singh, 2009 *Party Politics and Decentralization in Japan and France* Koichi Nakano, 2009-12-04 Using Japan and France as case studies this book argues that decentralization is fundamentally an oppositional policy advocated by political parties in opposition placed on the legislative agenda when they come to power and pursued at times even when it ceases to make partisan sense to do so In short decentralization occurs when the opposition governs **An Introduction to French Administration** Institut international d'administration publique, 1996 **Public Management of Society** Ton van der Eyden, 2003 CD ROM contains two appendices The relevance of history for contemporary French public management of society I XX centuries Bibliography public management of society [The New Zealand Journal of Public Administration](#) , 1955 **New Zealand Journal of Public Administration** , 1955 [Policy-making in France](#) Paul Godt, 1989 This book brings together French

Guy Peters,1989 Much of this new edition has been rewritten and it contains a new chapter on the experience of Third World countries It assesses both bureaucracy involved in implementing government policy and the role of outsiders in the implementation of policy **French Land Use Planning in the Fifth Republic** Irene Braid Wilson,1988

About French Administration Françoise Gallouédec-Genuys,1998 **Historical Dictionary of the Third French Republic, 1870-1940** ,1900 **Founding Republics in France and America** John Anthony Rohr,1995 Recalling Tocqueville's exhortation for the French to look to America for a better understanding of their own government John Rohr returns the favor by revealing how much we can learn about American constitutionalism from a close study of French governance The French and American republics both emerged from the same revolutionary era and share a common commitment to separation of powers rule of law and republicanism Even so the two constitutional traditions are quite different France after all has replaced its constitution at least thirteen times since 1789 while the American constitution has endured essentially intact Yet as Rohr shows French constitutionalism merits our careful attention Focusing upon the founding of the French Fifth Republic and the drafting of its constitution Rohr compares the nations divergent approaches to executive legislative and judicial power independent administrative authority and discretion and the relation of administrative law to statutory law His analysis of France's divided versus our unified executive the two presidents' exceptional powers and their influence on the legislative process provides particularly fresh insights into how the two constitutional traditions promote and inhibit the capacity for administrative action Rohr shows that French administrative institutions are much more thoroughly developed than their American counterparts due to recurrent presidential and constitutional crises Without such a strong public administration daily life in France would likely be extremely unstable if not quite chaotic The proper role of the French institutions he suggests is largely determined by their relationship to elected officials whereas their American counterparts are essentially shaped by the constitutional order A model for future comparative work in constitutional law and public administration Rohr's study should help us see that the constitutional path we've pursued wasn't the only possibility and why we've chosen that route nevertheless As such it should have great appeal for students teachers and practitioners in U S and French law politics and public administration *French Administrative Law* Lionel Neville Brown,John Francis Garner,Nicole Questiaux,1973 Monograph comprising a compilation of lectures on the administrative law of France includes a comparison of UK and European systems discusses the merits and defects of this branch of the French civil law system its institutional framework and jurisdiction and covers court procedures liability of public administration local government the civil service etc Bibliography pp 176 to 178 and references
