

The salutation with my own hand—
 if anyone does not love the Lord Jesus
 Christ, let him be accursed. • O Lord, come!"

23 The grace of our Lord Jesus Christ be
 with you.

24 My love be with you all in Christ Jesus
 Amen.

The Second Epistle of Paul the Apostle to the CORINTHIANS

Greeting

1 Paul, an apostle of Jesus Christ by the
 will of God, and Timothy *our* brother,

To the church of God which is at Cor-
 inth, with all the saints who are in all
 Achaia:

2 Grace to you and peace from God our
 Father and the Lord Jesus Christ.

Comfort in Suffering

3 Blessed be the God and Father of our
 Lord Jesus Christ, the Father of mercies
 and God of all comfort,

who comforts us in all our tribulations,
 who comforts us in all our tribulations,
 who comforts us in all our tribulations,

Paul's Sincerity

12 For our boasting is this: the testimo-
 ny of our conscience that we conducted o-
 selves in the world in simplicity and go-
 sincerity, not with fleshly wisdom but
 the grace of God, and more abundantly
 toward you.

13 For we are not writing any other thing
 to you than what you read or understand.
 Now I trust you will understand, even
 the end.

14 (as also you have understood a
 part), that we are your honest as you
 are ours, in the day of the Lord Jesus.

Warning the Church

15 And in this confidence I counsel

Second Epistle To The Corinthians The Speakers Bible:

The Speakers Bible Edward Hastings,1933 **The Speaker's Bible** Edward Hastings,1962 **The Speaker's Bible** Edward Hastings,1933 **Biblical Studies on the Internet** Roland H. Worth, Jr.,2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use *Studies on 2 Corinthians* Reimund Bieringer,Jan Lambrecht,1994 Peeters 1994 **Biblical Theology of the Holy Spirit** Trevor J. Burke,2014-06-19 Written by an international team of leading scholars this is the first comprehensive exploration of the role and work of the Holy Spirit as witnessed in both the Old and New Testaments With contributions by Craig Bartholomew Gary Burge David deSilva James D G Dunn David Firth Walter Kaiser Wonsuk Ma John Christopher Thomas Max Turner and Matthias Wenk among others this authoritative survey will rapidly establish itself as a standard reference point for scholars and students of all theological persuasions Any attempt at a biblical theology must begin with a careful exegesis of the biblical text To this end each contributor address the text through a rigorous exegesis of pertinent passages keeping in mind the genre canonical contexts and sweep of redemptive history **The Speaker's Bible** James Hastings,Edward Hastings,1947 *The Expositor's Greek Testament: The second epistle to the Corinthians* Sir William Robertson Nicoll,1903 **The Second Epistle to the Corinthians** Edward Hastings,1933 **Journal of the Society of Biblical Literature and Exegesis** Society of Biblical Literature and Exegesis,1884-12 **Journal of the Society of Biblical Literature and Exegesis, Including the Papers Read and Abstract of Proceedings for ...** ,1882 *The variorum teacher's editions of the holy Bible. With which is incorporated the Aids to the student of the holy Bible* ,1882 *A complete concordance to the holy Scriptures. To which is added, a sketch of the life and character of the author* Alexander Cruden,1879 **The Second Epistle to the Corinthians** Paul Barnett,1997-04-17 This statement reflects the underlying purpose of The New International Commentary on the New Testament Begun in the late 1940s by an international team of New Testament scholars the NICNT series has become recognized by pastors students and scholars alike as a critical yet orthodox commentary marked by solid biblical scholarship within the evangelical Protestant tradition While based on a

thorough study of the Greek text the commentary introductions and expositions contain a minimum of Greek references The NICNT authors evaluate significant textual problems and take into account the most important exegetical literature More technical aspects such as grammatical textual and historical problems are dealt with in footnotes special notes and appendixes Under the general editorship of three outstanding New Testament scholars first Ned Stonehouse Westminster Theological Seminary Philadelphia then F F Bruce University of Manchester England and now Gordon D Fee Regent College Vancouver British Columbia the NICNT series has continued to develop over the years In order to keep the commentary new and conversant with contemporary scholarship the NICNT volumes have been and will be revised or replaced as necessary The newer NICNT volumes in particular take into account the role of recent rhetorical and sociological inquiry in elucidating the meaning of the text and they also exhibit concern for the theology and application of the text As the NICNT series is ever brought up to date it will continue to find ongoing usefulness as an established guide to the New Testament text The Variorum Teacher's Edition of the Holy Bible William Sanday, Thomas Kelly Cheyne, Samuel Rolles Driver, Robert Lowes Clarke, Alfred Goodwin, 1886 **Biblical Eschatology, Second Edition** Jonathan Menn, 2018-03-07 Biblical Eschatology provides what is not found in any other single volume on eschatology it analyzes all the major eschatological passages including the Olivet Discourse and the book of Revelation issues including the second coming of Christ the millennium the rapture and Antichrist and positions including all the major views of the millennium in a clear but not superficial way The book concludes with a chapter showing how eschatology is relevant for our lives Biblical Eschatology makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature by showing the history of eschatological thought and by placing eschatology in the context of the Bible's overall story line and structure Clarity and understanding are enhanced by the use of comparative tables and appendices Subject and Scripture indexes are included The book interacts with the best of Evangelical and Reformed scholarship and the extensive bibliography which includes the web addresses of many online resources provides an excellent source for the reader's further study This is a perfect resource for intelligent Christians including pastors students and teachers who desire to understand eschatology and to see how it fits together with the rest of the Bible *Catalogue of Printed Books* British Museum, 1891 *The English Catalogue of Books* Sampson Low, 1931 Volumes for 1898 1968 include a directory of publishers **British Museum Catalogue of printed Books**, 1881 **A Religious Encyclopaedia Or Dictionary of Biblical, Historical, Doctrinal, and Practical Theology** Johann Jakob Herzog, Philip Schaff, 1882
