Second Home Orphan Asylums And Poor Families In America:

Second Home Timothy A. Hacsí, 1997 As Timothy Hacsí shows most children in nineteenth century orphan asylums were half orphans children with one living parent who was unable to provide for them The asylums spread widely and endured because different groups churches ethnic communities charitable organizations fraternal societies and local and state governments could adapt them to their own purposes In the 1890s critics began to argue that asylums were overcrowded and impersonal By 1909 advocates called for aid to destitute mothers and argued that asylums should be a last resort for short term care only Yet orphanages continued to care for most dependent children until the Depression strained asylum budgets and federally funded home care became more widely available Yet some Catholic asylums in particular cared for poor children into the 1950s and 1960s

Shores,2002-05-22 An incisive multidisciplinary look at the American family over the past 200 years written by respected scholars and researchers Family in America offers two powerful antidotes to popular misconceptions about American family life historical perspective and scientific objectivity When we look back at our early history we discover that the idealized 1950s family characterized by a rising birthrate a stable divorce rate and a declining age of marriage was a historical aberration out of line with long term historical trends Working mothers we learn are not a 20th century invention most families throughout American history have needed more than one breadwinner In the exciting new scholarship described here readers will learn precisely what is new in American family life and what is not and acquire the perspective they need to appreciate both the genuine improvements and the losses that come with change Hoffmanns Catholic Directory, Almanac and Clergy List Quarterly for the Year of Our Lord ... ,1888 **Boyhood in America** Priscilla Ferguson Clement,Jacqueline S. Reinier,2001 *The Efforts of Their True Friends* Robin Lee Elizabeth Hemenway,2007 This dissertation explores the experiences of African American families within New York City s child welfare system from 1836 1930 Drawing on the institutional records of the Association for the Benefit of Colored Orphans ABCO this project examines the ways in which black families sought to navigate the welfare system available to them in the nineteenth and early twentieth century At the same time it explores the efforts of white officials primarily Quakers to provide services for dependent black children amid shifting ideas about urban child welfare and amid growing competition for local and state resources This project attempts to

fill significant gaps in a child welfare historiography that has largely limited its focus to white families. It also seeks to establish an historical grounding for better understanding the changing relationship between race policy and practice in the history of American child welfare. From the author's abstract: **Deutsche Juden in Amerika** Cornelia Wilhelm, 2007. Die Geschichte der Deutschen Juden in Amerika galt bisher in erster Linie als Thema der Zeitgeschichte. Weniger bekannt ist der Einfluss deutscher Juden auf die Konstruktion eines Amerikanischen Judentums mit ausgeprägtem bürgerlichem Selbstbewusstsein, der mit der ersten deutsch-jüdischen Masseneinwanderung in die USA um 1830 einsetzte. In diesem Prozess spielten die beiden an das Logenwesen angelehnten jüdischen Orden B'nai B'rith und Treue Schwestern als erste soziale und in die bürgerliche Lebenswelt ausgreifende jüdische Organisationen eine zentrale Rolle. Der vorliegende Band zeigt, wie sich diese neuartigen jüdischen Organisationsformen in den USA entwickelten, welche besondere Rolle sie in der Ausbildung einer bürgerlichen jüdischen und zugleich amerikanischen Identität spielten und wie es ihnen gelang, zentrale Elemente deutsch-jüdischer Gedankenwelt in einer neuen amerikanisch-jüdischen Identität zu verankern und so die Identität der amerikanischen Juden zu prägen. *Boyhood in America: L-Z* Priscilla Ferguson Clement, Jacqueline S. Reinier, 2001. The six titles that make up *The American Family* offer a revitalized new take on U.S. History, surveying current culture from the perspective of the family and incorporating insights from psychology, sociology and medicine. *Accountability: Frankenstein* Sherman Dorn, 2007-03-07. *Accountability: Frankenstein* explores the contradictions in high stakes testing and the political roots of test-based accountability. It challenges beliefs about testing, explains why we trust test scores over teachers and offers a plan for smart democratic accountability. Ideal for educators and parents. **Good Intentions** David H. Smith, 2005. Besides helpful editorial material, this work includes ten papers that were presented in a seminar sponsored by the Center on Philanthropy at Indiana Univ. part of the IU School of Liberal Arts at Indiana Univ. Purdue Univ. Indianapolis. All of the essays address philanthropy: its definition, relationships, motives, forms, history, and precepts. Amy Kass discusses what philanthropy meant to Booker T. Washington, largely education in black self-help. What it meant to Jane Addams. Paul Pribbenow explains it as the common work of citizens. Secular standards for the morality of philanthropy are the subject of essays by Patricia Werhane and Paul Schervish, and by David Craig. In the best of the essays, Religious standards for the moral aspects of philanthropy are the subject of essays by Elliot Dorff, Jewish; Philip Turner, Protestant; and John Langan, Catholic. David Hammack provides a fascinating history of American nonprofit organizations. The final essay by William Sullivan gives readers reason to worry because American inequality is increasing at the same time that effective democratically based philanthropy is decreasing. Those who can learn much from this book include not only philanthropic givers and takers such as foundation executives, college administrators, and church leaders, but also moral philosophers, theologians, and government officials. **Summing Up: Recommended** Lower level undergraduates and above, general readers. **General Readers** Lower division Undergraduates, Upper division Undergraduates, Graduate Students, Researchers, Faculty, Professionals, Practitioners.
