Syria's Secret Library Mike Thomson, 2019-08-20 The remarkable story of a small makeshift library in the town of Daraya and the people who found hope and humanity in its books during a four year siege. Daraya lies on the fringe of Damascus just southwest of the Syrian capital. Yet for four years it lived in another world. Besieged by government forces early in the Syrian Civil War its people were deprived of food, bombarded by heavy artillery and under the constant fire of snipers. But deep beneath this scene of frightening devastation lay a hidden library. While the streets above echoed with shelling and rifle fire, the secret world below was a haven of books. Long rows of well-thumbed volumes lined almost every wall, bloated editions with grand leather covers, pocket-sized guides to Syrian poetry and no-nonsense reference books, all arranged in well-ordered lines. But this precious horde was not bought from publishers or loaned by other libraries; they were the books salvaged and scavenged at great personal risk from the doomed city above. The story of this extraordinary place and the people who found purpose and refuge in it is one of hope, human resilience and above all the timeless universal love of literature and the compassion and wisdom it fosters. [Public and Private Libraries of Glasgow](#) Thomas Mason, 1885

So when Hattie learns that the house is going to be demolished, she is determined to save it. A midnight visit becomes a step back in time and Hummingbird House reveals its secrets: a hidden library, a mysterious new friend and a lost treasure that could help stop the development. Can the past help Hattie to fix her present? *Earl*

Nightingale, Napoleon Hill, Dr. J. B. Jones, 2016-11-18 How to Find the Strangest Secrets Hidden in Plain Sight. In Earl Nightingale's Gold recording, he referred to what he considered key references for anyone who really wanted to understand the concepts he was discussing: read books that will help you. Inspirational books like the Bible, Dorothea Brande's *Wake Up and Live*, The Magic of Believing by Claude Bristol, *Think and Grow Rich* by Napoleon Hill and other books that instruct and inspire. During my own studies, I did just that: searching through the Internet to find copies of these books in order to see what he was talking about. Here I've brought back these three classics for your study, as a set leaving out only the Bible, as you probably have a copy already. These are tools to help you on your journey. For once you've completely mastered this *Strangest Secret*, life opens up to you and gives you whatever it is that you've ever wanted and dreamed of. From the Introduction Get
