Secret Of The Heart Spiritual Being Monastic Wisdom:

Come and See Brendan Freeman, 2010-04-01 Come and See is a look inside the mind of a monk The Vision of monastic life proposed here is not new it is a Vision going back to the Desert Fathers of the fourth century And yet it is new because it is rooted in a place in the soul that never grows old Come and see where I live Jesus said to the disciples who were following him He could just as well have said come and see where you live where your real life is being lived Monastic spirituality is not some esoteric or Gnostic way of perceiving reality or understanding life It is a treasure hidden in the field of your own heart it is a universal spirituality that is the common inheritance of every human being it is a search for God From the atheist to the saint there is in the heart of all creatures a desire for ultimate meaning a desire for God In this sense everyone has the heart of a monk As you read this book you will meet some of the great themes of monastic life silence solitude community life prayer You will also be helped to find your most authentic self the self Thomas Merton spoke of when he said at the center of our being is a point of nothingness a point of pure truth Nothingness emptiness absence are important aspects of our spiritual journey There is a subtheme running through ancient monasticism that conceives of the monastery as a hospital a place for healing the soul the spirit the heart The place of the heart is highlighted in these conferences and homilies as an ancient theme so relevant to the modern person

Welcoming the Word in Year A Verna Holyhead, 2007 2008 Catholic Press Association Award Winner In this volume of weekly reflections on the Sunday Lectionary for Year A Verna Holyhead calls us not only to hear the Word of God but to act on that Word Her reflections shed light on what it means to be human to be people of God in today's world Using Scripture poetry and history these meditations move readers beyond a static understanding of the weekly readings to an appreciation for how the readings impact and reflect their lives Drawing on the Rule of St Benedict and the Benedictine tradition the reflections provide another way by which believers may contemplate the Liturgy of the Word As a sourcebook for pastoral ministry or a reference for personal or communal reflection this volume will assist believers who desire to engage more deeply with the Word Verna Holyhead SGS is an Australian Sister of the Good Samaritan of the Order of St Benedict She leads retreats lectures and writes with an emphasis on biblical scholarship liturgical insight and pastoral challenge

Dom Anselme Le Bail Dieudonne Dufrasne, 2010-04-01 Those who knew him above all monks will find Dom Anselme Le Bail again in these pages with warm gratitude Those who have not known him will encounter his vital and original character Both of these will be surprised and come to admire a man and a monk who has integrated a healthy humanism into a concrete ideal of his religious vocation

Words For The Journey Edith Scholl, 2009-11-01 In matters of religion and spirituality the simplest phrases can be the most misleading Or if not misleading misunderstood There is no doubt that this is true of the Cistercian tradition As Sister Edith Scholl writes in the introduction to this volume When I started reading and studying the writings of the twelfth and thirteenth century Cistercians years ago I was struck by their rich vocabulary of Latin words words rich with resonances from Scripture the liturgy and patristic and

earlier monastic authors words for which no exact equivalents exist in English It seemed to me that these words could be a key to a deeper understanding of their message This study of some of the most important of them could serve as a companion to the translations being published in the Cistercian Fathers Series enabling nonspecialists to read those translations with greater understanding and appreciation In fact it might prove a fruitful source for approaching the whole monastic ethos Sister Edith Scholl has come to our rescue She has provided us with a book and a very sensible book it is The words she offers us are truly words for the journey though like any journey they are not without risk Offering our human will to God is an extraordinarily risky business but we may rest assured that our prayers will be answered From the Foreword by David N Bell Inside The School Of Charity Trisha Day,2010-01-01 In 2003 Trisha Day spent three months living inside the enclosure of Our Lady of the Mississippi Abbey a community of twenty Cistercian nuns Although she had long been monastic associate she was startled by the unexpected challenges and insights that emerged as the weeks went by and began a process of profound reflection on her experience Now drawing on her journals and reflections and on her own experience as a professional woman wife daughter and mother she delves into the questions of how the centuries old wisdom of monastic life can challenge inspire and guide those living outside the monastery Organized around topics such as prayer community and the vows each of Day s reflections begins with memories of her monastic experience and then presents a perceptive and often humorous critique of the contrasting values of our present culture For each topic she chronicles with honesty and humility her subsequent struggles to apply back home the alternative approaches learned from the sisters she lived with and offers a wealth of practical suggestions Filled with stories from her own life and fascinating details of daily life in the monastery her book is sure to strike a spark with all those seeking to live in a fully human and Christ centered way

Charles Dumont Elizabeth Connor,2007 Charles Dumont shared his ever deepening knowledge as editor of the Order s French language journal *Collectanea Cisterciensia* in articles and translations of texts and in lectures in Europe and North and South America **Secret of the Heart** Jean-Marie Howe,2005 Considers that through immersion in monastic life at the level of the heart persons enter into contact with the mystery of Christ and give birth to spiritual being discusses prayer and *lectio divina* Provided by publisher **A Monastic Vision for the 21st Century** Patrick Hart,2006 An ancient lifestyle which has been adapted renewed and is still being followed today monasticism appears to some outside it as a quaint anachronism and to others as the sanest of all ways of living Can it survive in the post post modern world A dozen insiders and outsiders monastics academics clergy laypersons hermits cenobites poets and writers offer their reflections on the future of the monastic life of prayer and community Contributing their insights are Michael Casey Kathleen Norris Lawrence Cunningham Terrence Kardong Bonnie Thurston John Eudes Bamberger Joan Chittister Mary Margaret Funk Gal Fitzpatrick Francis Kline Daniel Coughlin Robert Morneau Miriam Pollard and Bernardo Olivera An Introduction to Christian Mysticism Thomas Merton,2008 In these conferences dating to 1961 Thomas Merton provides for his audience of young

monks an overview of major themes and figures in the Christian mystical tradition as an integral part of their religious inheritance and a crucial part of their spiritual formation From Fathers of the Church such as St Athanasius and St Gregory of Nyssa through such important medieval theologians as St Bonaventure Hadewijch and Meister Eckhart to the great Spanish Carmelites St Teresa of Avila and St John of the Cross Merton traces such key topics as the integration of theology and spirituality the importance of natural contemplation recognizing the divine presence in creation the centrality of apophatic or dark contemplation and the role of spiritual direction in forming mature and balanced contemplatives The Secrets of the Universe Barbara Nudell, 2006-12 The Secrets of the Universe deciphers the metaphors of the archaic biblical language and interprets the Gospels as those thoughts would be expressed today It explains how Jesus miracles were performed presents a logical explanation of the Resurrection interprets the Revelation of Destiny as a mental conflict rather than a physical one and points out how Mankind will soon suffer the consequences created by our current political leaders and the business community *Pre-benedictine Monasticism* Thomas Merton, 2006 Thomas Merton's two series of Pre Benedictine Monasticism conferences form both a supplement and a sequel to Cassian and the Fathers the first volume of Merton's conferences for novices to be published in the Monastic Wisdom series Part One not only includes fresh insights on such leaders of early monasticism as Anthony Pachomius Basil and Cassian but also considers long overlooked key figures like Martin of Tours Shenoute of Atripe Melania the Younger and the pilgrim nun Egeria In Part Two Merton writing at a time when little attention was generally given to these significant but neglected sources extends his investigations of early monastic life to the Syriac tradition These conferences or lectures edited from Merton's own typescripts make available his keen observations on the earliest phases of Christian monasticism and also provide important background material for a number of his essays among them *From Pilgrimage to Crusade and Rain and the Rhinoceros* *Dom Gabriel Sortais, an Amazing Abbot in Turbulent Times* Guy Marie Oury, 2006 Dom Gabriel Sortais An Amazing Abbot in Turbulent Times is an engaging biography of one of the most colorful Abbot Generals among the Trappists Dom Gabriel put his stamp on the order in a very personal way a form that remains with us today despite his best efforts to bring the Order up to date His tragic death during the course of Vatican Two impeded the implementation of his vision for the whole Order Dom Guy Oury a Benedictine monk of Solesmes has written the story with remarkable clarity As much as possible Fr Oury works from the primary sources which include witnesses and documents from the Abbey of Bellefontaine in France where he was a monk and later abbot before being elected Abbot General of the order as well as the archives of the Generalate in Rome This book offers insight into the lives of the Trappists during the troubled times of World War II and also throughout the changes of Vatican Two Fr Guy Oury OSB 1929-2000 was asked by Dom Emmanuel Coutant the Abbot of Bellefontaine to write the biography of his predecessor Dom Gabriel Sortais He was given all the papers in the archives at Bellefontaine that were gathered together following Dom Gabriel's death There is an admirable objectivity in the present biography which was ably

translated into English by Br Brian Kerns of the Abbey of the Genesee near Piffard New York The Afterword by Fr Laurence Bourget of St Joseph s Abbey Spencer Massachusetts demonstrates an appreciation by a monk who worked closely with Dom Gabriel Sortais during the last years of his life Fr Guy Oury himself died on November 2 2000 at the age of 71 *Passing from Self to God* Robert Thomas,2006 Those seeking to deepen their spiritual lives by visiting monasteries rarely have enough time to absorb as much as they would like In this book an experienced spiritual master provides an intensive directed retreat which relies heavily on the rich Cistercian spiritual tradition Readers may read and digest at their own pace savoring the author s contagious enthusiasm for the monastic way and the medieval monks who formed this distinctive contemplative tradition Robert Thomas a monk of Sept Fons from 1928 until his death in 2002 served as prior of his community professor of theology and Sacred Scripture and chaplain to Cistercian nuns He was instrumental in translating the early Cistercian Fathers into modern languages **Thomas Merton** John Eudes Bamberger,2005 Like Bernard of Clairvaux whose last act was to leave his cloister to mediate successfully between two nobles and prevent bloodshed Thomas Merton found in the monastic life of prayer a source of strength empathy and understanding To understand Merton one must first know him as a Prophet of Monastic renewal John Eudes Bamberger entered Gethsemani Abbey in 1950 having earned an MD from the University of Cincinnati the previous year and done his internship at Georgetown University Hospital A student of Thomas Merton from 1952 1955 he worked with Merton after his ordination in 1956 in screening applicants to the abbey He served as abbot of the Abbey of the Genesee in New York state from 1971 until 2001 Since returning from a term as superior in the Philippines he lives in a hermitage at Genesee *The American Benedictine Review* ,2009 **Thomas Merton's Gethsemani** Monica Weis,2014-10-17 For twenty seven years renowned and beloved monk Thomas Merton 1915 1968 belonged to Our Lady of Gethsemani a Trappist monastery established in 1848 amid the hills and valleys near Bardstown Kentucky In Thomas Merton s Gethsemani dramatic black and white photographs by Harry L Hinkle and artful text by Merton scholar Monica Weis converge in a unique experience for lovers of Merton Hinkle was allowed unprecedented access to many areas inside the monastery and on its grounds that are generally restricted His photographs invite the reader to experience the various knobs lakes woods and hermitages Merton sought out for times of solitude and contemplation and for reading and writing These unique images each accompanied by a passage from Merton s writings evoke personal reflection and a deeper understanding of how and why Merton came to recognize himself as a part of his Kentucky landscape Woven throughout the book Weis s text explores Merton s fascination with nature not only at Gethsemani but during his early childhood throughout his spiritual conversion to Roman Catholicism and while a member of the Trappist community She examines how Merton s lifelong interaction with nature subtly revealed and informed his profound spiritual experiences and his writing about contemplation Thomas Merton s Gethsemani replicates Merton s path on his solitary hikes in the woods and conveys the wonder of the landscapes that inspired him **Bearers of the Spirit** Nicolas Stebbing,2003 Christians in

various western traditions are re discovering spiritual direction Yet many have little experience of the living tradition of spiritual fatherhood The book sets out to learn how Orthodox Christians understand and value their spiritual fathers Both the people and the spiritual fathers who speak through these pages are part of an ancient tradition in a Church only recently emerged from decades of Communist harassment While their experience of spiritual fatherhood is uniquely their own it can be of help to all Christians who seek God by searching out a spiritual father a bearer of the spirit who knows and can help others to know the living God Revue bénédictine Joseph Marie Louis Victor van Baron Caloen,2006 Includes sections Comptes rendus and Notes bibliographiques Secrets of Mount Sinai James Bentley,1986 *The monastic order in England* David Knowles,1949
