## **Secret Museum Pornography In Modern Cult:**

The Secret Museum Walter M. Kendrick, 1996 Although erotica has always existed pornography is a recent phenomenon as late as the eighteenth century the word did not exist From the secret museums to the pornography trials of Madame Bovary and Lady Chatterly's Lover to Mapplethorpe cable TV and the Internet Walter Kendrick explores how conceptions of pornography relate to issues of freedom of expression and censorship He provides too a fascinating portrait gallery of the jurists artists guardians of public morality sleaze merchants and civil libertarians who have played roles in the changing definitions of pornography

Die Pornographie der Gesellschaft Sven Lewandowski, 2014-03-15 Pornographie wird gerade vor dem Hintergrund ihrer popkulturellen Normalisierung heftig gestritten Zugleich mangelt es aber bislang an einer gesellschaftstheoretischen Durchdringung des Phänomens der zeitgenössischen Hardcore Pornographie Anstatt fruchtlose moralische Debatten fortzuspinnen stellt Sven Lewandowski die Frage nach dem Verhältnis der modernen Gesellschaft zu ihrer Pornographie auf neue Weise Aus soziologischen psychoanalytischen und systemtheoretischen Perspektiven zeigt er dass Pornographie von latenten Bedeutungsgehalten lebt und den Wandel des Sexuellen sowohl reflektiert als auch vorantreibt

Smutty Little Movies Peter Alilunas, 2016-08-23 Smutty Little Movies traces the adult film industry's transition from celluloid to home video beginning in the late 1970s alongside an examination of the cultural and legal efforts to regulate contain limit or eradicate pornography Drawing on a wide variety of materials Smutty Little Movies de-centers the film text in favor of industrial histories and contexts In doing so the book argues that the struggles to contain and regulate pleasure represent a primary entry point for situating adult video's place in a larger history not just of pornography but media history as a whole Provided by publisher

**Heiliger Zorn** Catherine Nixey, 2019-04-08 Packend erzählt von der preisgekrönten jungen Historikerin Catherine Nixey Im Römischen Reich war das religiöse Leben vielfältig bis unter den ersten christlichen Kaisern alles anders wurde Mit aller Macht versuchten die frühen Christen Andersgläubige zu bekehren und erwiesen sich dabei nicht nur als extrem intolerant sondern auch als äußerst gewalttätig Im ganzen Imperium zerstörten sie Tempel und Kultgegenstände verbrannten Bücher jagten Philosophen aus den Städten und verfolgten diejenigen die weiter den alten Göttern opferten In Heiliger Zorn zeichnet die britische Altphilologin und Journalistin Catherine Nixey ein ganzlich neues und zutiefst erschütterndes Bild der frühen Christen als die wahren Barbaren Packend enthält sie die Gräueltaten die hinter dem Triumph des Christentums stecken und mit zum Untergang der Antike führten

**Man of Taste** Rob King, 2025-04-02 Radley Metzger was one of the foremost directors of adult film in America with credits including softcore titles like The Lickerish Quartet and the hardcore classic The Opening of Misty Beethoven After getting his start making arthouse trailers for Janus Films Metzger would go on to become among the most feted directors of the pornographic era of the 1970s working under the pseudonym Henry Paris In the process he produced a body of work that exposed the porous boundaries separating art cinema from adult film softcore from hardcore and good taste from bad Rob King uses Metzger's

work to explore what taste means and how it works tracing the evolution of the adult film industry and the changing frontiers of cultural acceptability *Man of Taste* spans Metzger's entire life his early years in Manhattan's Washington Heights neighborhood his attempt to bring arthouse aesthetics to adult film in the 1960s his turn to pseudonymously directed hardcore movies in the 1970s and his final years which included making videos on homeopathic medicine Metzger's career King argues sheds light on how the distinction between the erotic and the pornographic is drawn and it offers an uncanny reflection of the ways American film culture transformed during these decades Lavishly illustrated with rare photos and publicity images this book paints a vivid picture of a filmmaker who channeled his artistic aspirations into some of the most disreputable movie genres of his day *The Secret Museum* Walter M. Kendrick, 1988 Walter Kendrick traces the relatively recent concept of pornography the word was not coined until the late 18th century which became a public issue once the printing press gave ordinary people access to the erotica of the Greeks and Romans the art and literature of the French enlightenment and the poems of the Earl of Rochester and John Cleland's *Fanny Hill* From the secret museums to the pornography trials of *Madame Bovary* and *Lady Chatterley's Lover* to Mapplethorpe cable TV and the Internet Kendrick explores how conceptions of pornography relate to issues of freedom of expression and censorship *Disposable Passions* David Church, 2016-09-22 From early twentieth century stag films to 1960s sexploitation pictures to the boom in 1970s porno chic adult cinema's vintage forms are now being reappraised by a new generation of historians fans preservationists and home video entrepreneurs all of whom depend on and help shape the archive of film history But what is the present day allure of these artifacts that have since become eroticized more for their pastness than the explicit acts they show And what are the political implications of recovering these rare but still visceral films from a less enlightened pre feminist past Drawing on media industry analysis archival theory and interviews with adult video personnel David Church argues that vintage pornography retains its retrospective fascination precisely because these culturally denigrated texts have been so poorly preserved on political and aesthetic grounds Through these films ongoing moves from cultural emergence to concealment to rediscovery the archive itself performs a striptease permitting tangible contact with these corporeally stimulating forms at a moment when the overall physicality of media objects is undergoing rapid transformation *Disposable Passions* explores the historiographic lessons that vintage pornography can teach us about which materials our society chooses to keep and how a long neglected genre is primed for serious rediscovery as more than mere autoerotic fodder

**The New Republic** Herbert David Croly, 1989 *Fugitive Images* Patrice Petro, 1995 Photography criticism comes into its own with this gallery of images faces portraits erotica apparitions landscapes monuments crowds Editor Patrice Petro gathers the most current debates about the image's complex relation to the things it seems to document and its powerful ability to indicate or attest to what has been **City of Laughter** Vic Gatrell, 2007 Drawing upon the satirical prints of the eighteenth century the author explores what made Londoners laugh and offers insight into the origins of modern attitudes

toward sex celebrity and ridicule      **Belvedere** Österreichische Galerie Belvedere,2003      **History Today** ,2000

*Athenaeus and His World* David Braund,John Wilkins,2000 An international team of literary specialists explore Athenaeus work as a whole and in its own right Almost all classicists and ancient historians make use of Athenaeus Athenaeus and his World is the first sustained attempt to understand and explore his work as a whole and in its own right The work emerges as no mere compendium of earlier texts but as a vibrant work of complex structure and substantial creativity The book makes sense of the massive and polyphonous *Deipnosophistae* the quarry upon which classicists and ancient historians depend for their knowledge of much ancient literature particularly Comedy and also the source of much of the data used by modern historians for the social history of the classical and Hellenistic worlds The 41 chapters written by an international team of literary specialists and historians each tackle a significant feature and the book is divided into seven sections each prefaced by introductory remarks from the editors      *Academic American Encyclopedia* ,1993      *AB Bookman's Weekly* ,1993

Freedom of the Press Ralph Edward McCoy,1993 Ralph E McCoy s *Freedom of the Press An Annotated Bibliography* covered some four hundred years of press freedom in the English speaking world and was hailed by a reviewer as the most useful annotated bibliography ever produced on the topics of freedom and censorship in mass communication This second supplement covering the years from 1978 to 1992 contains more than 3 900 entries and follows the pattern and scope of both the original bibliography and the first supplement which covered the years from 1967 to 1977 An annotated bibliography of books pamphlets journal articles dissertations films and other materials relating to freedom of the press in the English speaking world the bibliography defines the word press generically to include all media of mass communications books newspapers and other printed matter but also motion pictures recordings radio and television broadcasts and to a limited extent stage plays Annotations in this supplement are descriptive rather than critical and both positive and negative statements on press freedom are included Whenever possible the author s own words have been used to summarize the work or to express salient points of view Articles on the nature and effect of pornography that do not deal directly with press freedom but provide background information are included The present volume is more selective than the original and the first supplement particularly in covering news events One or two reports are often used to represent a much larger number of articles available thereby eliminating much duplication The format of this volume however follows that of the earlier volumes it is arranged alphabetically by personal or corporate author or by title where the author is unknown To facilitate a subject approach to the work a comprehensive subject index identifies topics concepts countries individuals court decisions and titles of censored works      The Cult Film Reader Ernest Mathijs,Xavier Mendik,2008 The Cult Film Reader contains major essays written on the structure form status and reception of global cult cinema traditions It includes work from key established scholars in the field including Janet Staiger Jeffrey Sconce and Umberto Eco as well as new takes on the gradually developing canon of cult cinema      Men for Men Pierre Borhan,2007 As soon as the invention of photography

made it possible to be photographed with one's loved one early daguerreotypes small unique images housed in their cases were made as tokens of enduring affection or intimacy Male couples were no exception Under strict Victorian moral conventions photographs of the male nude were reserved strictly for academic study by artists It was not until the early twentieth century that the first openly homosexual photographers were able to explore the overtly erotic and this they did by wrapping their subjects in historical reference by evoking images of ancient Greece or Pre Raphaelite symbolism After Alfred Kinsey's revelations of male sexuality published in 1948 an enormous photographic market emerged for pictures of the muscular male physique Homoeroticism had entered the mainstream photographic language In this ground breaking book organised by Gilles Mora with a substantial text by Pierre Bohran the whole history of the genre is charted from its clandestine origins to its open glorification including the work of photographic masters such as Brassai and August Sander as well as the notorious underground excursions of Robert Mapplethorpe We can follow how a homosexual view has now shaped the new iconography of fashion and the public male image Man to Man Pierre Borhan, Gilles Mora, 2007-10 This comprehensive study of homoeroticism and male homosexuality surveys the homoerotic urge in fashion photography including layouts in Vogue and reprints rare and unpublished work by such photographers as Horst Mapplethorpe and Herb Ritts **Subject Guide to Books in Print**, 1991
