**From Prison to Possibilities** Kim Nugent, 2021-11-06 The purpose of this book is to

develop a plan for your successful transition from incarceration to living a full and productive life post release Ideally the process of getting ready for the transition starts six months prior to your release The ideal structure is for you to have a mentor and go through this program every week while still in prison and twelve weeks post incarceration The objective is to reduce recidivism by addressing community reintegration issues and providing a structure for transition success In other

words to keep you from returning to prison by helping you build a successful life as you address typical problems in the free world outside of the prison walls The book provides some prework to get you ready to reach out to a mentor Once you are ready you and your mentor will meet weekly to discuss the chapter The design of the book is to provide you with an opportunity to work on life and employability skills Finally a checklist and templates are provided to ensure post release readiness By the grace of God most people have not been incarcerated and probably cannot imagine how their life would have turned out if they had gone to prison It is my prayer that if you or your family member or a church partner are reading this book they will believe you are worth it and want to reinvest in you to give you a second chance We all deserve a second chance Certainly God has provided for a lifetime of chances      **Yes! on Demand** Kathy L.
