Prayer And Personal Religion:

The World of Prayer, Or, Prayer in Relation to Personal Religion, Or, Prayer in Relation to Personal Religion D. G. Monrad, 1879 Personal and Private Religious Experience in the Biblical Psalms Daniel Berković, 2025-05-14 The book of Psalms is often drawn upon as a deep well of emotionally connecting literature in time of praise and of great sorrow for Christian communities and individuals Delving into the history of the Psalter Dr Danijel Berkovi engages in the discussion of understanding of the psalmist as individual or corporate to illuminate the distinction between piety in the personal and the private Questions on the nature of religious and emotional experience Israelite anthropology and the Hebrew concept of person and the capacity of poetic language to convey meaning in these are addressed adeptly through a variety of disciplines This detailed study provides fresh insight on piety and emotion expressed in the Psalms and is a valuable addition to psalmist scholarship *Prayer and Personal Religion* J. B. Coburn, 1976 **Thoughts on personal religion** Edward Meyrick Goulburn, 1885 **The pursuit of holiness, a sequel to 'Thoughts on personal religion'.** Goulburn Edward Meyrick, 1885 The Pursuit of Holiness: a Sequel to "Thoughts on Personal Religion," Etc Edward Meyrick GOULBURN (Dean of Norwich.), 1871 **The World of Prayer** Ditlev Gothard Monrad, 1879 **Pews, Prayers, and Participation** Corwin E. Smidt, 2008 Pews Prayers and Participation Religion and Civic Responsibility in America offers a fresh approach to key questions about what role religion plays in fostering civic responsibility in contemporary American society In the course of their study the authors examine whether an individual exhibits a diminished a privatized a public or an integrated form of religious expression based on the individual s level of participation in both the public worship or private prayer dimensions of religious life They question whether the privatization of religious life is counterproductive to engagement in public life and they show that religion does indeed play a significant role in fostering civic responsibility across each of its particular facets From publisher description **Religious Influences on Health and Well-Being in the Elderly** K. Warner Schaie, PhD, Neal Krause, PhD, Alan Booth, PhD, 2004-06-15 What makes the book s approach so captivating is that each chapter is written by a different researcher in the study of religion and health These researchers are responsible for significant portions of the existing literature and methodologies found in this field today The versatility of the book warrants special mention It is effective as a survey of work that has already been done on this topic At the same time it serves as a wellspring of ideas for new research This work makes a valuable contribution to the present understanding of research on religion and health It also serves as a road map to help chart directions for future endeavors in the field Sociology of Religion This volume focuses on the ways in which religious institutions religious practices and religious organizations impact the health and well being of older persons Topics examined include the conceptualization and measurement of religion in late life the relationship between religious coping and possible stress reduction the role of forgiveness as an alternate mediator how social class gender and race can influence the specific effect of religion and religious institutions in a diverse aging society Contributors
