

A photograph of a vast field of purple lavender. A narrow, light-colored dirt path runs straight down the center of the field, receding into the distance. The lavender plants are in full bloom, creating a dense texture of purple. In the background, a bright sun is setting or rising, casting a warm, golden glow across the sky and the field. The sky transitions from a pale yellow near the horizon to a deep purple at the top. The overall mood is peaceful and contemplative.

A Book of Prayers for Daily Conversation with God and Prayers for Special Occasions George M. Plasterer, 2023-12-14 Part of our life of prayer can be a conversation with God This book will help the reader broaden and deepen that conversation allowing that conversation to touch every area of life After an introduction that explores various facets of a life of prayer the book offers five months of prayers that model a conversation with God concluding with prayers for the seasons of the year and other special occasions *Surprised by the Lord's Prayer* Gary Taber, 2016-09-28 The Lord's Prayer is much more than a prayer to be recited The meaning of each phrase of the Prayer is explained through the teaching and ministry of Jesus as found in the gospels Gary Taber addresses in depth the lessons and principles that Jesus demonstrated when Jesus taught the disciples to pray The stories and spiritual insights found in this book will change the way you pray transform your relationship with God and move you to a new level in your relationship with others As you learn to pray this prayer God's presence in your life will be the reason you passionately pursue Him The answers regarding God's will are discovered and learned as a result of that relationship This book is a great tool for personal and group Bible Study Every element of prayer worship and intercession is embedded in its pages It is personal practical and applicable When you read it for yourself you will want to share it with your friends It is not an ordinary read It is a life changing book Karen Martell Prayer Ministry Leader Southeastern California Conference and the Pacific Union Conference [5 Senses to Prayer Book 1](#) Caroline Bindon, 2018-10-01 The included Prayers are all experientially focussed with sensory components across the five senses of Sight Taste Touch Smell and Hearing Within each chapter there are 35 different prayers including five in each of the following sections Praise Adoration Thanksgiving Confession Intercession Petition Supplication Responding as well as prayers which combine the different types Notes are provided on using each prayer in a variety of different settings including prayers stations as an individual and in small and large groups such as churches Other information such as visual images relating to the prayer are included The 175 prayers included in each book are all tagged with keywords and hashtags to help with finding the right prayer There are several indexes There's also opening chapters on some of the theory behind using experiential prayer too This is a great book for the worship leader or curator of worship experiences It's also suitable for use by individuals or small groups for personal prayer *A SECRET PLACE IN GOD* Geraldine Butler, 2020-11-05 He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty Psalm 91:1 Those individuals who have chosen to accept Jesus Christ as their personal savior need the opportunity to learn the path to salvation It is their privilege to know the many blessed ways to seek him In my scriptural based writing *A Secret Place in God* individuals will be guided on their journey In the book examples are taken from the Bible and lessons can be learned based upon experiences posed by men and women in God's word My personal testimony is also shared in this piece Individuals of all ages will learn that they are not alone and there comes a time that they must make the decision to choose Christ over their own thoughts

Tendrils, in verse. By one who hath 'tasted that the Lord is gracious' [signing himself Rezeneb.]. By E. Palmer Ebenezer Palmer,1880

A Victorious Destination with God Beauty Shiviti,2012-07 This book talks about walking a successful journey with God Looking back to the History of the Israelites you will understand that a journey has obstacles God speaks through history to give an example of Israelites deliverance from degrading bondage of some kind to the promise land Canaan Israel was delivered from Egypt s degrading bondage simple because God has promised them a destiny free of slavery and bondage When God promise his children a place where they have to travel He makes it a point that they arrive safe under the protection of His hand Israel led by Moses wandered in the Sinai wilderness During that time Israel experienced supernatural providence such as the supply of manna water from rocks and the pillar of cloud by day and fire by night and so forth During that time they also received divine revelation the Mosaic Law God communicated to them His holy standard Everyone in this world is in the journey People want to see themselves in Canaan a place of success The land of Canaan represents the destination of God s people after they have been set free from degrading bondage or slavery Canaan is a picture of rest and victory that can be enjoyed by every believer You as a believer in the journey led by God are going to enjoy your success because God will ensure that you do The deliverance from Egypt was only in preparation for the enjoyment of Canaan In your Christian life you are brought out of sin so that you may be brought in to abundant life The wilderness is never God s permanent destination for you Even as an entire generation of Israel died in the wilderness so many Christians die in the desert of dryness of spiritual experience This book is meant to remind you that you don t have to die without making it in life You need the fullness of God to direct your journey Entrance into the land of Canaan was entrusted to a representative Joshua was the trustee of the land for the people In the same way your representative Jesus goes before you and what you have in God you possess in Him The whole land was given but they could only possess that which they claimed What they took must be fought for against a determined opposition God certainly could have simply eliminated all their enemies with a mere thought but He calls Israel into partnership with Himself to see His will done You need to partner with God and never entertain things of this world for you to reach your destination Because taking the land took effort the challenge ahead was not for those content with Egypt but for those who would press ahead for what God had called them to The precise territory of the land is described This was no Pizza in the sky promise It described real land with

real boundaries It could not be easy anyway so is your dream I will be with you God promised Victory is assured not because Joshua is a great leader or because Israel is a great nation but because God is a great God and He says to Joshua I will be with you This is enough for any man seeking to do God s will Be strong and very courageous Joshua is called to boldness in God This exposes Joshua s weakness there was a need for such a command because even a great leader like Joshua needed such encouragement Boldness is needed to everyone one who needs Canaan You can t be weak This bold courage would not be in Joshua himself but in God You can be full of self confidence that will take you to ruin but you should instead be full of a genuine God confidence Joshua must take great care to observe the law God s word and Joshua s commitment to it would be the pillars supporting his success You also need the word of God as a pillar supporting **The Mysterious Husband.
