Prayer Book Rubrics Expanded Byron David Stuhlman, 2000-01-01 A liturgical manual that discusses each service of the Church according to shape theology past practice and varieties of local expression The book contains helpful material not only for clergy and worship committees but also for church musicians 248 pp     Saving Words Joseph S. Pagano, Amy E. Richter, 2021-12-16 What words from our Christian vocabulary would you miss if you could no longer use them If you pronounced them and no one understood If you spoke and people gave them a meaning at odds with your conviction What words do you fear are falling into misuse If you could save some word or phrase from disuse or misuse what would it be Saving Words is a collection of personal provocative essays by lay people clergy poets theologians musicians and scholars on words they want to preserve and proclaim urgent and important reflections on the language we need for the facing of these days Open this volume and find saving words that matter     *An Ecofeminist Perspective on Ash Wednesday and Lent* Sylvia A. Sweeney, 2010 An Ecofeminist Perspective on Ash Wednesday and Lent develops a conversation between classical historical Lenten practices and contemporary Christian ecofeminism Building on David Tracy's definition of a religious classic it includes a historical examination of the development of Lent and the Ash Wednesday rites beginning from wellsprings in the early church traditions of penance catechumenal preparation and asceticism through medieval and reformation expressions of the rite to their twentieth century Episcopal iteration in the 1979 Book of Common Prayer In the discussion of ecofeminism women's death experiences and current ecofeminist writings are used to develop an ecofeminist hermeneutic of mortality     Confidentiality and Clergy William W. Rankin, 2019-08-27 This is a wonderfully readable exposition into the thicket of clerical ethics beneath which lurks the constant potential of legal action in an evermore litigious society Rankin leaves no doubt that there are no quick solutions but he masterfully weaves a fabric of the ethical issues often laces with agonizing contradiction the evolution of applicable legal principles and a practical methodology for coping with unsettling and enraging litigation Ivan Weinberg Esq Partner Weinberg Campbell a pastoral and prophetic account with wide appeal and deep insight into the ethics of professional ministry Legal ethical and theological dimensions are addressed with sensibility and integrity Fredrica Harris Thompsett Academic Dean and Professor of Church History Episcopal Divinity School A wonderful witness to why the Church's theology and ethics ought to reclaim the rich experience and real sagacity of its parish clergy The issue is confidentiality and the resources or lack of them for clergy who are confronted with whether to maintain or divulge it Here is a scholarly and sensitive treatment of a much too neglected too ignored and ill informed matter which is of enormous importance to clergy of all sorts Professor Harmon L Smith Divinity School Duke University     *Healing Touch and Saving Word* Linda M. Malia, 2013-09-12 Is sacramental anointing the same as last rites Don't you have to have some kind of special gift to be part of the Church's healing ministry Why am I sick Is it God's punishment Ever since I became sick I don't feel like myself anymore If life is a journey what happens when our way is obstructed by sickness or

failing health In *Healing Touch and Saving Word* Linda Malia draws upon the rich theology of the Anglican tradition personified in the Episcopal Church's sacramental liturgies of healing In easy to understand language *Healing Touch* examines the theological foundations of the Episcopal Church's healing liturgies from the first Book of Common Prayer to the most recent sacramental rites Probing the dynamics of symbol and ritual the complex relationship of sin and sickness and the spiritual and psychological impact of every serious illness the book explores the power of these graced encounters in enabling the faithful to draw new hope and renewed purpose out of the chaos and turmoil of illness and debility Individuals struggling with life changing illness and those who care for them clergy and laity alike are sure to find *Healing Touch* a helpful and thought provoking resource
