Easy to Read Layout Michael Mueller,2021-03-22 There is an important truth of which thousands of men are ignorant or if they know it they reflect upon it seldom and with but little fruit Yet the knowledge of this truth is almost as necessary for all those who have attained the age of reason as the knowledge of the mysteries of the Trinity and Incarnation We often hear in sermons and read in pious books of the necessity of avoiding bad company of hating sin of forgiving injuries and of being reconciled to our enemies but seldom are we taught this great truth or if it is sometimes spoken of it is rarely done in a manner calculated to leave upon our minds a lasting impression of its great importance and necessity Now this important truth is that according to the ordinary course of Divine providence man cannot be saved without prayer In order to understand this truth in its full extent we must consider First That we cannot be saved unless we fulfill the will of God Secondly That we are unable to do God s will unless we are assisted by Divine grace Thirdly That we obtain this grace by prayer alone that consequently we must pray in order to be saved This premium edition includes a beautiful and easy to read layout making reading comfortable and additions by St Alphonsus de Liguori **The Holy Mass** Michael Muller,2023-11-19
