generally acclaimed as someone who has had enormous influence on Christian theology and much has been written about him by scholars. However, apart from a number of translations of the Confessions, few of his writings are accessible to the ordinary reader, even though as Bishop of Hippo he constantly wrote and preached for his people. The first part of this book presents Augustine's teaching on three central practices of Christian living: prayer, fasting, and almsgiving, with reference to his sermons and his commentaries on the Psalms. The second part places it alongside some recent authors who demonstrate how this triad continues to be of value to Christians today. Although it has been conceived as a Lent book, this text provides a reflective introduction to these ways of Christian living in whatever season of the Church's year a reader picks it up.

Prayer and Fasting Kingsley A. Fletcher, 1999-02 Satan is having a field day diverting the attention of God's people away from their Lord. The Enemy of our souls is so afraid of our unused power in God that he is trying to confuse us individually and collectively. Through fasting and prayer we can access that unused power and can be victorious. **Three to Twenty-One Days? Esther's Progressive Prayer Fast** Dr. Pauline Walley-Daniels, 2013-12 Are you looking for ways to engage in Prayer and fasting more effectively? In this guide, Dr. Pauline Walley-Daniels reveals how Esther led people in an effective prayer fast that changed their circumstances for life. She explains how to fast and provides important prayer points that are applicable to any situation. Every year Walley-Daniels's home church and its affiliates set themselves apart to perform a progressive prayer fast based on Esther's encounter. Queen Esther declared the fast when she discovered that Haman, the enemy of the Jews, was plotting to destroy her people. It was a time when all came before God, fasting and crying to Him for family members and for breakthrough and deliverance from any Hamanic decrees enacted against them and their lives. Building on that model, this guide is a song of inspiration, an encouragement through each season of the fast. The insights and practical guidelines it offers enable each of us to break through the challenges and difficulties that confront our environment and our spiritual lives. Dr. Pauline Walley-Daniels fights a good fight of spiritual warfare. She presents powerful, effective prayers that are specific to the challenges individuals may face in fulfilling their destiny. Susan Slusher, Dean, Christian International Equipping Network. *Fasting with the Lord's Prayer: Experience a Deeper and More Powerful Relationship with God (Large Print 16pt)* Jenetezen Franklin, Elmer L. Towns, 2014-04-22 Prayer and Fasting go hand in hand. Jesus taught the Lord's Prayer as the model for how to pray and showed us that when we prayed this way, it praises God and covers everything believers need in this life to attain eternal happiness. The Bible teaches fasting as an expression of faith in God's word and will. When Jesus taught His disciples to pray the Lord's Prayer, He immediately concluded, "Now when you fast, Matthew 6:16. Fasting with the Lord's Prayer will invigorate your faith because it offers hope to those who worship through prayer and fasting. For when we worship God, he comes to receive our worship. Towns explains the importance of prayer and fasting as well as six ways to fast, then examines in depth the seven petitions of the Lord's Prayer and concludes with 21-day fasting devotionals. Readers will experience deep spiritual results when two of the most powerful resources God has given us

for our faith and ministry praying the Lord's Prayer and fasting are combined in intercession to God
