Prayer And The Art Of Volkswagen Maintenance:

Prayer and the Art of Volkswagen Maintenance Donald Miller, 2001-08 Take two Americans in search of life's deeper meaning one beat up Volkswagen camper van and a journey from Texas to Oregon Here is the story of a road trip they'll never forget

Through Painted Deserts Donald Miller, 2005-08-14 Follow Don and Paul as they dive headlong into the deepest of human questions and find answers outside words answers that have to be experienced to be believed Day 1 Trips like ours are greener grass left unknown for fear of believing trite sayings sayings that are sometimes true But our friends back home live an existence under the weight and awareness of times a place we are slowly escaping a world growing fainter by the hour and the mile Day 13 It feels again that we are leaving who we were moving on into the people we will become hopefully people with some kind of answers some kind of thing to believe that makes sense of beauty of romance Something that would explain the red glow against Paul's face the red glow that seems to be coming off the console Did you notice the engine light is lit bud I ask Day 83 I sit in the van waiting for her to come out when I notice a window in one of the classrooms open and a backpack comes falling out spilling a few books onto the lawn After the backpack comes Elida falling atop the pack and laying low peeking back into the window to see if the teacher noticed She gathers her books reaches into the classroom and closes the window then runs toward the van as though this were a prison break As you read *Through Painted Deserts* you'll soon realize this is not just one man's account of finding light God and beauty on the open road Rather this book maps the journey you're already traveling or soon will be

Teacher Marcus Brotherton, 2016-03-11 You teach a little by what you say You teach the most by what you are Henrietta C Mears Meet Henrietta Mears an ordinary woman who was used in extraordinary ways to shape some of the most influential Christians of our time Dr Henrietta Mears had one purpose to know Christ and make him known She inspired a generation of college kids to aspire to Christian leadership The legendary Billy Graham Bill Bright and 400 others went into Christian service guided by Dr Mears Through them the influence of her teaching still reverberates today Experience some of Dr Mears energy and passion to believe the impossible You'll also learn how she established Gospel Light Forest Home and Gospel Light International GLINT and was instrumental in many organizations such as Campus Crusade See what God can do through a life that is totally surrendered to Him and imagine what He can do with your life

Jesusland Joelle Kidd, 2025-08-12 An empathetic funny and sharply critical collection of essays exploring the Christian pop culture of the 2000s and its influence on today's politically powerful evangelicalism Braiding relentless curiosity sharp argument and wry comedy Kidd offers a lucid critique of evangelicalism that is always attentive to and respectful of the mysteries of faith This is cultural criticism at its finest I'll read anything Kidd writes Tajja Isen author of *Some of My Best Friends* In 1999 after three years of secular living in Eastern Europe Joelle Kidd moved back to Canada and was enrolled in the strange world of an evangelical Christian school Immediately she found herself in a strange world of upbeat Christian pop music purity education and desperately trendy Bible redesigns trying to

make sense of this unfamiliar preteen cultural landscape In Jesusland Joelle writes about the Christian pop culture that she was suddenly immersed in from perky girl bands to modest styling tips and draws connections between this evangelical subculture and the mainstream a tense yet reciprocal relationship that both disavows the secular while employing its media markers But none of this was just about catchy songs every abstinence quiz in a teen magazine was laying the foundation for what would become a conservative Christian movement that threatens women s healthcare attacks queer and trans rights and drives present day political division Through nine incisive honest and emotional essays Jesusland exposes the pop cultural machinations of evangelicalism while giving voice to aughts era Christian children and teens who are now adults looking back at their time measuring the length of their skirts and asking each other if their celebrity crush was Christian enough With care and generosity Jesusland shows us how the conservative evangelical movement became the global power it is today by exploring the pop culture that both reflected and shaped an entire generation of young people **Summary of**
