Power of midnight prayer

Gabriel Agbo,2019-04-24 This book Power of Midnight Prayer will certainly be one of the most comprehensive and most powerful books written on spiritual warfare The choice of the title came from a wealth of experience chilling testimonies and confessions and a careful study of the word of God It is indeed a very rich and well researched work It has been described as an incredible book Here you will learn of the enormous but yet to be fully tapped spiritual power embedded in the prayers done between 11 00pm and 3 00am Do you know enough about the explosive powers of praise prayer and fasting Do you know what roles the angels of God the Spirit of God and the fire of God play in our war against the kingdom of darkness In this book you will hear directly from the former grand occult masters of the colossal destructive impact that the name and the blood of Jesus cause in Satan s kingdom What happens when Satan and his demons come directly in contact with these two most powerful elements in the universe Why did Satan fall from his chair in a meeting because the name of Jesus was mentioned Do you know about the enemy s war strategies against the church the Christians and the ministers How does he bring down and sometimes kill ministers of the gospel Who are the agents of the dark kingdom in the church What roles should the prayer warriors play What is the interest of the kingdom of Satan in human flesh and blood Why human sacrifices in the occult world Read various accounts from the former agents of Satan and even the media on sacrificing of humans and other chilling unprintable practices Why would a woman pluck off the eyes of a crawling baby slaughter her with all her crying and groaning and then pound her flesh and eat What does the occult do with sex Can evil spirits covenants and curses be transmitted through sex Why would a man sleep with a little boy depositing snake in his stomach just to acquire power wealth and position You will also find other explosive topics like wrestling with God binding and loosing smashing the gates open doors whole armor of God gates of heaven and gates of hell The twenty one power loaded chapters of this book will surely set you on fire for God I bet you have never read anything like this before Translator Gabriel Agbo PUBLISHER
