Prayerfully Yours:

Prayerfully Yours Benjamin Vima, 2012-01-05 The truth on the Power of Prayer is Biblical historical and experiential Every religion recognizes it every human that needs support to rise up and walk to think positively and live fruitfully will testify to the usefulness of prayer The Biblical testimony on the efficacy of prayer is As God's Word will not return to Him void but shall achieve the end for which He sent it Is 55:11 so the prayer of the lowly does not rest till it reaches its goal Sir 35:17-18 The author of this book having been a prey of such powerful tool in the Vineyard of the Lord shares his personal and experiential thoughts and convictions about prayer According to him only through prayer humans can build up and manage a quality life as the disciples of Jesus Through this book he shares with readers some of his findings of the method of quality prayer which is simple but productive containing little nuance but with admiration of existing Traditions and exclusive with its unique approach to prayer but inclusive of all possible saints efforts over the centuries in praying fruitfully The author compares quality prayer process to the walking through inside portions of a Catholic Church building He tries to walk with us through the four phases of quality prayer and make us perceive clearly our actions and God's own as well at each phase The book asserts that though prayer is not a resource and support in the natural process of human development it is by all means an indispensable source and basis for developing a matured Christian personality However mere formal or traditional prayer would do no good in this regard It would help keeping up our status quo It will not contribute much to our growth of Christian personality Even the prayer of the intellect namely prayerful meditation or reflection would not do that much help as it should This kind of prayer would meet its immature death as I had gone through sometime back Once the intellect gets more truths and facts about life God religion and universe it would surely put a full stop to any kind of prayer But if the same prayer is experiential and personal the author writes if it is intensively connecting the soul to its God the Ground of being the Beyond of everything if it accelerates the process of intimacy between the human and the Divine then surely prayer becomes the primary source of change growth and development in human personality and through him/her influences the entire universe This is what happened in Jesus and so in His disciples and godly people of today I dare to name this kind of prayer as Quality Prayer

Catholic Christian Spirituality for NEW AGE DUMMIES Fr. Benjamin A. Vima, 2012-12-21 This book is about Catholic spirituality which the author christens it as Catholic Christian Spirituality which introduces this spirituality to those who dream about knowing it clearly and observing it validly and fruitfully but not fully realized their dream yet It is a compilation of the Catholic Christian Spirituality's Scriptural foundations its historical explications of the Church its multi dimensional applications and its inner and outer dynamics Definitely the sole difference of this book from others as the author writes is the fact that it is a book

written with my red and warm blood as a personal journal of my experiential spirituality as a cradle New Age Catholic. Though this post modern age is judged as one of the most secular ones even as many comment it is an age of irreligiosity there are actually millions of people around the globe being hungry for spirituality and earnestly looking for help with their inner lives. Too many self declared sages propose too many strategies as they like Fr Vima observes in those dealings many are too extreme or too sentimental or too conservative and liberal or too wordy and theoretical. With a heart of pastor serving in many parishes in the States he offers this book to the Catholic Christian friends who live move in this turbulent period. This book is supposed to join in that group of works. In no way it seeks to be exhaustive or conclusive handbook or textbook on Catholic Christian spirituality or any sort of spiritual guidance. It consists of discussions on the basic elements of Catholic Christian spirituality its various types its motives and especially its dynamics. The author underlines this book's uniqueness as he writes. In human communication it is said one visual is worth thousand words.

Path of Love Johanna Jenkins, Rachel J. Moore, 2020-04-24. A collection of 4 standalone Clean Wholesome Christian romance short stories with guarantee HEA and no cliffhangers. **The City of Eternal Spring** Beth isn't running away. At least that's what she tells herself when she agrees to take on a temporary mission position teaching English at a children's home and school near Cuernavaca Mexico. The truth is she only took the job in part to get away from her alcoholic father and her difficult brother both of whom have been at each other's throats since her mother died in a tragic car accident six months ago. Now she's looking for a summer full of meaningful work and free of personal conflict. Unfortunately she only gets half of what she's looking for. Plenty of personal conflict comes with her fellow teacher at the school Brent. Brent an American who grew up in Mexico works full time at the school and is suspicious of and sometimes hostile towards missionaries who come to work in Mexico only for a few months and then leave. None the less Beth does her best to work with her difficult partner and as the weeks go on she finds that she and Brent develop a tentative sort of friendship. But when family drama from home threatens to interfere with her work in Mexico Beth finds herself with a difficult choice. Should she stay in Mexico doing the work that she is sure God wants her to do. Or should she go home and be the peacemaker in her family as she always has in the past. Can her new partner Brent help her discover her true purpose. **Sins of the Father** Eva Perrault is creating a new life. She has a new name a new home and most importantly a life away from her wealthy famous and corrupt father. A life away from the affluent world she's known since she was a child. She's looking for a life of meaning and purpose. That's why she takes on a

temporary position with a Christian nonprofit tutoring center in Brooklyn New York There she meets the young hardworking associate pastor Ian Campbell who runs the charity As days turn into weeks Eva becomes much more than a temporary data entry clerk She proves invaluable to the organization and to Ian with whom she is becoming much closer than she expected But when the tutoring center is threatened a secret from Eva s past comes back to haunt her She has a difficult choice to make She can tell Ian who she really is and face the wrath of her influential father or stay silent and allow the center to be caught up in another one of her father s schemes From Prison to the Palace Esther White has spent almost ten years in prison for a crime she never committed Now at the age of thirty five she is ready to be released back into a world in which she has only one friend left a friend who has always believed in her innocence and who visited her as often as possible in that dreadful place It is through Ellen Blake s loyalty support encouragement and advice that Esther becomes a Christian during the time she is incarcerated Thanks to both the prison chaplain Jane Bennett and Ellen s never ending help Esther finds the strength to survive her terrible ordeal Her new found faith in God not only sustains her during her most difficult times but becomes the inspiration for her need to uncover the truth After meeting wealthy Christian philanthropist Jesse Johnson Esther embarks on a spiritual journey that takes her from the prison to the palace Prayerfully Yours Macy Lark and her family have lived on their farm for as long as any of them can remember patiently growing as one with the land and their animals And Macy wouldn t have it any other way But there is one thing missing in their lives the presence of a man Having lost her father as a young child Macy has always grown up without having a strong man to guide her to serve as her father her on earth while her Heavenly Father looks down from above And ever faithful to his children God provides His provision came in the form of eighteen year old Adam Engels When three of Macy s sisters suddenly fall ill Adam brings them all comfort in more ways than one and enchanted by the strong Godly man Macy finds herself drawn closer and closer to him But they had not anticipated God throwing them another curveball one that would leave the tiny determined family in absolute shambles scrambling to find their footing in a world that was suddenly collapsing down on them The Free Thought Magazine ,1899 **Memorials of the ministry of G.V. Wigram** George Vicesimus Wigram,Edward Dennett,1881
