Peckham, 2024-07-23 Christianity Today 2025 Book Award Finalist Academic Theology If God is all powerful all knowing and entirely good why do we need to ask God to do good things Won't God act for the best regardless Do our prayers even make a difference Why do some go unanswered This brief accessible book provides a fresh angle on our questions to help us think differently about why we pray and what happens when we pray John Peckham applies the insights from his successful book Theodicy of Love to the perennial problem of petitionary prayer offering practical implications for how we might pray and live in ways that advance God's kingdom of unselfish love Since our understanding of petitionary prayer is inseparable from our understanding of God Peckham sheds significant light on the nature and character of God and the often mysterious workings of divine providence He does so by bringing theological and philosophical nuance to readings of key biblical texts on prayer weaving in other scriptural clues to articulate an understanding of prayer that highlights not only its necessity but also its urgency This book will appeal to students pastors church leaders and thoughtful laypeople      **The Secret Trial of Robert E. Lee** Thomas Fleming, 2018-01-30 1865 The Civil War is over and the South lies in ruins But for some people former slaveholders have not been punished enough A cabal of powerful men led by Charles A Dana the assistant secretary of war plot to break the spirit of the South once and for all by convicting General Robert E Lee of treason and hanging him like a common criminal To this end they have convened a secret military tribunal in Lee's former home in Arlington Virginia Jeremiah O'Brien of the New York Tribune a long time protégé of Dana's is the only reporter allowed to attend the trial His exclusive reports on this momentous event and the book he intends to write will surely make his fortune Yet as the trial proceeds pitting the general against his accusers O'Brien finds himself torn between his loyalty to Dana his love for a Confederate spy and his growing respect and compassion for Lee himself The young reporter is supposed to be only an observer but in the end it is O'Brien who must evaluate the evidence and determine the true meaning of honor Written by New York Times bestselling author and historian Thomas Fleming The Secret Trial of Robert E Lee brings to life a fascinating chapter in American history that might well have happened and perhaps truly did      *Nihilism: or, The terror unmasked* John Baker Hopkins, 1881      *Prayers for When You're Mad, Sad, Or Just Totally Confused* Brittany Waggoner, 2002 Teenagers find disappointment in every corner of life and the feelings disappointment triggers lingers in their hearts long after the original experiences are past In this book Brittany Waggoner shows teens how to take the right perspective about disappointment and realize that God is with them and desires to help them Each chapter addresses a different emotion or disappointment that a teen may be facing The main text of the chapter helps readers understand what they are feeling and how they can face it with God's help Prayer starters a Scripture assignment and a sample prayer provide opportunities for readers to accept the Lord's gracious help      **Sancta Sophia; Or, Directions for the Prayer of Contemplation, Etc** Augustine Baker, 1876      *Sophia's Unfaithful Lovers* Charles E.
