Praying Dangerously Radical Reliance On God:

Praying Dangerously Regina Ryan, 2012-07-23 Praying Dangerously instructs us that we can grow up spiritually leaving behind a childish relationship to prayer as a superstitious ritual or mere plea for favors It encourages readers to recognize the difference between prayer that asks only for reassurance and prayer that asks for the Ultimate and stands for transformation We can cease being victims of God's Will while at the same time embracing genuine surrender and reliance on the irrefutable power of love says author and retreat leader Regina Sara Ryan Readers of the first edition published in 2001 were enthusiastic in their praise calling it a brave and useful book Prayer groups and church congregations around the U S have used it for study and it has been translated into Dutch German and French And the message of the book is more relevant now than it was 10 years ago The insecurities of our times draw us inward or back to our churches In prayer groups and retreats of all kinds we are looking for comfort and consolation for spiritual direction or for answers to the eternal questions that have always challenged humanity This book is a valued contribution in that search This 10th anniversary edition is fully revised with several completely new chapters including The High Cost of Forgiveness a subject that challenges everyone and Praying on the Subway about how our generally busy and often chaotic lives can provide us with a 32 Easy Lessons in Metaphysics and the Science of Our Mind Mary E. constant impetus for blessing others Mitchell, 2014-08-19 What you will discover in 32 Easy Lessons How really simple everything is We are all one within a universal field of energy Intention The power behind affirmative prayer How our thoughts and beliefs attract like energy and experiences The healing power of scientific prayer The power of being an observer without expectations The deep mystical love underlying all aspects of the universe Scientific discoveries rich in spiritual awakening 32 Easy Lessons reveals the essence of who we are at our most powerful level When we understand how our mind affects the metaphysical beyond the physical it all begins to make sense There are gold nuggets in this treasure trove to enrich your lifes adventure Mary Mitchell has been an avid student of the science of our mind and metaphysics for over twenty years Her deep study has resulted in popular classes and lessons that explore the hidden power of what lies beyond the physical and forces of energy that we can control through the power of our mind Its true there is a power for good in the universe and you can use it Heaven on Earth Isaura Barrera, 2021-08-11 Heaven on earth is a reality that defies description and even belief at times Yet all who have fallen in love felt deep wonder or witnessed what could only be classified as a miracle can attest to its presence Unfortunately that presence is all too often only fleeting What if it didn t have to be so What if it was possible to sustain the experience of heaven on earth This book suggests four keys to doing so each forged by and for a love that challenged the author to remain awake to the presence of heaven on earth that love had awakened Beloved's Gift Isaura Barrera, 2016-01-18 Yet one day unexpected and unhoped for the world we had thought irretrievably lost may be returned to us In a moment of insighta sudden opening of the heartwe may glimpse again the mysterious reality we took for granted as

children We may once again experience its wonder and delight I Zalewski Who Is God This book tells of the authors unexpected return into that reality believed to be irretrievably lost as childhood was left behind It was written in real time as each step of that return unfolded its challenges and gifts Its message of making believing more than making believe is shared for all who remember or hunger to remember and relive that same reality in their own lives that it might inspire them to listen for and live into the love hope and faith at its core Unwrapping Beloved's Gift, Co-Creating Soul's Song Isaura Barrera, 2019-04-10 I think the best way you could describe this text is as put it in the Introduction a meditative map I know for certain that I did not grasp everything and also that I could return to it over the years and read it again and again always finding something new or something that had before remained unseen due to my own place in my own unique spiritual journey Lauren Sapala writer blogger and coach One day unexpected and unhoped for the world we had thought irretrievably lost may be returned to us I Zaleski 2006 It began with reading John O Donohue s Anam Cara I remembered I had once known such a friend and reached out to reconnect Love opened the door hope kept it open and faith gave me the courage to walk through These words summarized my subsequent spiritual journey as I awakened to deep friendship with a human beloved as well as with Divine Beloved This book has two purposes to describe an inner spiritual journey inspired by deep friendship and to offer that description as a meditative map for others Isaura Barrera identifies five way stations that trace the path carved out by the song of love hope and faith evoked by her renewed friendship Each station is presented descriptively rather than prescriptively as an invitation to others on similar journeys Reflections at each station are linked to scriptural passages highlighting connections between deep friendship with a human beloved and deep friendship with Divine Building Love That Lasts Clinton Callahan, 2019-09-15 Clinton Callahan is an original thinker Marilyn Ferguson Beloved author The Aguarian Conspiracy and Aguarius Now and former editor Brain Mind Bulletin For modern seekers responding to the call for initiation into relationship here is an open invitation MALIDOMA SOME AUTHOR OF WATER AND THE SPIRIT It s one of those rare books that will definitely wake you up I consider it must reading for anyone seriously interested in the path of conscious relationship John Welwood author of Journey of the Heart and Perfect Love Imperfect Relationships This hard hitting and innovative book about partnered relationship immediately challenges the deceptions about love and intimacy rampant in today's patriarchal culture At the same time Building Love That Lasts reveals a step by step process for discovering and living out alternative possibilities. The author claims that even the best of our relationships are still generally basic level what he calls Ordinary Human Relationship He asserts that two more domains remain to be explored namely Extraordinary Human Relationship and Archetypal Love The book describes exactly how to enter these new domains and how to stay there long enough to cultivate genuine intimacy nurturance excitement and satisfaction together. The material for this book is startlingly original and fresh directly distilled from over thirty years of trial error and reevaluation within seminars and trainings conducted by the author in the U S and Europe The essential teaching tools are Thought Maps that illustrate

and guide the dynamics of evolving relationship coupled with a series of experiments explorations to be undertaken alone or with one s partner Topics include Making the leap from Defensive Learning to Expansive Learning Breaking out of the relationship Box The lie of being unlovable Navigating in the realm of feelings Communication skills for explorers **Silence** Donald Spoto, 2004 This book is a challenging reminder about why we must pray In the book the author takes us into an understanding of prayer that enables us to live in the capacious light of God's presence Dust jacket The Publishers Praying Dangerously Regiona Sara Ryan, 2004-12-01 Weekly,2001 American Book Publishing Record, 2002 Subject Guide to Books in Print ,1991 Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 True God Kenneth Leech, 1985 Church missionary society, extracts from the annual letters of the missionaries Church The Christian Science Journal, 2001 missionary society, 1898 **The Spectator**, 1887 A weekly review of politics literature theology and art The Christian Advocate, 1901 National and Freemason ,1966 **Christian Advocate** and Journal and Zion's Herald ,1901 Harper's Weekly John Bonner, George William Curtis, Henry Mills Alden, Samuel Stillman Conant, Montgomery Schuyler, John Foord, Richard Harding Davis, Carl Schurz, Henry Loomis Nelson, John Kendrick Bangs, George Brinton McClellan Harvey, Norman Hapgood, 1870
