Praying The Name Of Jesus The Ancient Wisdom Of The Jesus Prayer:

Praying the Name of Jesus Wilfried Stinissen, 1999 Finding the time to pray in today's fast paced world can be difficult. The Jesus Prayer simple in design but rich in content may be your solution. A sign of hope and beacon of light in an age of uncertainty this short prayer brings into vivid focus the new life granted by the Holy Spirit. Wilfrid Stinissen traces the evolution of the Jesus Prayer from its beginnings in the words of Scripture and tradition of the Desert Fathers through Christianity's expansion and into the third millennium. He shows how this prayer summarizes the essence of the Gospel, bringing the body and heart closer to Christ. Praying the Name of Jesus includes the complete text of the classic introduction to the Jesus Prayer written by Archimandrite Lev Gillet. Together these words point the way toward a richer, fuller prayer life.

Praying the Name of Jesus Wilfrid Stinissen, 1999 **Das Jesusgebet bei russischen Autoren** Heinrich Michael Knechten, 2006 **The Way of a Pilgrim**, 2001 Following this Russian pilgrim is the path to discovering an ancient method of prayer. The prayer of the heart is a spiritual practice that produces joy, inner peace, and a heart brimming over with love for all creation. This delightful account is the story of one man who sets out to learn the prayer of the heart, also known as the Jesus prayer, and how the practice transforms his existence. Its anonymous author was one of the wandering pilgrims who were a regular feature of the Russian countryside from medieval times up until the early twentieth century. Through his eyes we get a charming look at rural life in nineteenth century Russia, and with him we discover the secret to putting into practice the words of St Paul: Pray without ceasing. This SkyLight Illuminations edition guides you through an abridged version of the text with facing page annotation explaining all the names, terms, and references for you. Including a glossary of terms as well as an annotated list of other resources, it provides interesting facts, demystifies theological language, and brings the text beautifully to life.
