Praying Prodigals Home Quin Sherrer, Ruthanne B. Garlock, 2000-10-04 The enemy has used the temptations of this world to lure so many of our young people away from the values and teaching of their Christian upbringing Best selling authors Quin Sherrer and Ruthanne Garlock have both endured the pain of waiting for the return of prodigal children Yet even as they gave each situation into the hands of the Lord they did not wait passively succumbing to fear and despair Instead they battled for their children in prayer waiting expectantly for Almighty God to intervene And He did Now they tell the parents of prodigals how to pray their prodigals home and how the experience can draw parents into the arms of their heavenly Father and strengthen their bonds of love

Getting your Kids Through Church Without Them Ending Up Hati Rob Parsons, 2011-04-01 How to raise kids with a healthy view of Christians the church themselves and God It is every Christian parent's fear what if my child falls away because of something I did or said or was Rob Parsons is extremely reassuring His pragmatic candid approach provides both parenting advice and guidance for parents about their own spiritual development Rob identifies five traits which can quench faith in your child busyness cynicism hypocrisy judgementalism and over familiarity your children never know when they should take off their shoes He teaches that disappointment is an inevitable part of growing up There will come a time when they are disappointed with Christians the Church themselves and even God We should teach our children how to love God even when things fall apart Do not hide your children from the world instead help them to discriminate Above all provide them with a vision of what they can be and can achieve Peter became a fisher of men

Birkins** Dwight Lyman MOODY, 1876 Calling the Prodigals Home Katie J Carsten, 2022-11-22 Do you have a prodigal A child a husband or someone close to you that you are crying out to God for Are you begging God to do something to please save this person Do you feel like your prayers are not being answered Or even heard Have you been praying and begging God for years but it is only getting worse Maybe you even blame God and are angry with Him for not saving your loved one by now Maybe you blame yourself if only you had known God sooner you could have led your child to the Lord before it was too late Can I encourage you that there is hope And maybe just maybe there is a better way to pray God wants to save your loved one and He can and will but He needs someone to be praying effectively so He can do just that We are living in perilous times and more and more children are being lured away from God every day and into deception by the enemy of their souls I have been in the trenches with my own prodigal and have seen God completely and radically deliver him and set him on fire for Jesus God will do it for yours if you will learn how to pray and battle effectively God needs you You are a Necessary Part in Your Prodigal s Redemption In this book Katie will teach you how to Wage effective warfare for the souls and destiny of your prodigals Pray effective get the job done kind of prayers and also what ineffective prayer looks like Walk in the Supernatural Power of God s Love Operate in greater spiritual authority demolishing all the plans of the enemy against your loved ones Thwart the enemy s attacks before they ever prosper See the VICTORY of The Lord Pen, Pulpit and Platform Thomas De Witt Talmage, 1886 Bringing Home the Prodigals Rob Parsons, 2010-10-10 There is no pain like parental pain and the love of a parent for a child is like no other Our children can disappoint us hurt us even abuse us but somehow we cannot stop loving them And yet as much as we love them we cannot live their lives for them Our children make choices And sometimes those choices are bad ones And yet so often we feel the guilt ourselves But is it possible that we have made prodigals of some of our children who never turned their backs on God at all just on some pseudo caricature of the Church and discipleship This incredible book is a call for parents to be released from guilt the church to repent of the part it has played and a call to prayer that the prodigals will come home **Praying in the Harvest** Don Walton, 2001 The plight of the lost and their desperate need of our prayers should drive us to our knees Day and night our voices should be lifted toward heaven on behalf of the lost for whom God has burdened us The eternities of lost souls hang in the balance but a sovereign God has chosen to tip the scales in their favor through our prayers This book will lead readers through a scriptural exploration for insights into making our prayers for the lost more effectual *A book of family worship containing Scripture passages and prayers for every day in the year, ed. by W.R.
