

Prayer For Confidence

Dear Heavenly Father,
Please give me the confidence I need to get through this day. I know that I can be confident and successful with Your help, but sometimes I just need Your reassurance in getting there. I pray that you will give me the strength and courage to face whatever challenges come my way today. Change my perspective, Lord. I also pray for the wisdom to know when to ask for help and when to go it alone. Thank you for always being there for me, even when I don't realize it. In Jesus' name, Amen.

Praying With Confidence:

Praying with Confidence David C Egner,2013 When it seems like God is not responding to prayer faith can fade away and communication with Him can be lost In the Bible study Praying with Confidence author David Egner explores disappointment associated with unanswered prayer and offers practical steps toward reconnecting and strengthening the line of communication with God Individuals and small group participants can gain a better understanding of how to approach God speak honestly from their heart and wait patiently for Him to meet their needs This 6 lesson study encourages participants to walk confidently into the presence of God trust in His Word and use Scripture as the basis for prayer

PUSH: Pray Until Something Happens Jurgen Matthesius,2014-08-12 This revolutionary book will explain what God wants for and from us when we petition Him for his will to manifest on Earth as it is in Heaven and how to understand the difference Do you ever feel as if despite your spirituality and faith something significant is missing Most teenagers and college students as well as tens of millions of adults are still striving to figure out the purpose and meaning of their lives The natural struggle for faith in something intangible can be compounded by incorrect teachings and contradictory explanations of the workings of God in our lives How does free will really work What does it mean to ask for God s will When things happen in life how do you really know whether that is God s will Is there really any point in praying for His will if we can t influence it These haunting personal questions became the genesis of PUSH as Matthesius sought answers Now he unpacks the powerful biblical truths he learned the result of deep revelation from discovering God and constantly seeking to know him with all his heart PUSH is about helping you discover God s dream for your life so you become the blessing you were meant to be It is about helping you truly embrace the power of prayer and understand what that means instead of simply treating it as a platitude you offer when someone is struggling This book will instill confidence and promote vision PUSH will stir you to take action to remain vigilant and Pray Until Something Happens [Praying with Confidence](#) David C.
