Pre Reformation Germany:

Pre-Reformation Germany Gerald Strauss,1972 *The History of the Protestant Reformation, in Germany and Switzerland ...* Martin John Spalding,1860 *The History of the Protestant Reformation ...* Martin John Spalding,1875

Radicalism and Dissent in the World of Protestant Reform VolkswagenStiftung,,German Historical Institute, Library,Bridget Heal,Anorthe Wetzel,2017-04-03 This volume of essays explores the themes of radicalism and dissent within Protestantism The comparisons highlight the contingent nature of particular settlements and narratives and reveal the extent to which the definition of religious radicalism was dependent upon immediate context and show that radicalism and dissent were truly transnational phenomena The historiography of the so called radical reformation has been unduly shaped by the hostile categories imposed by mainstream or magisterial reformers during the sixteenth and seventeenth centuries This volume argues that scholars should adopt an open ended understanding of evangelical reform and recognize that the boundaries between radicalism and its opposite were not always firmly drawn The distinction between the two is an inheritance of the Lutheran Reformation of the 1520s which shaped not only the later course of the Reformation in the Holy Roman Empire but also attitudes towards and writings on religious dissent in the Netherlands and England Radical critique is immanent within mainstream Protestantism in a faith that emphasizes the power of the gospel with its unrelenting demands

Sodomy in Reformation Germany and Switzerland, 1400-1600 Helmut Puff,2003-06 During the late Middle Ages a considerable number of men in Germany and Switzerland were executed for committing sodomy Even in the seventeenth century simply speaking of the act was cause for censorship Here in the first history of sodomy in these countries Helmut Puff argues that accusations of sodomy during this era were actually crucial to the success of the Protestant Reformation Drawing on both literary and historical evidence Puff shows that speakers of German associated sodomy with Italy and increasingly Catholicism As the Reformation gained momentum the formerly unspeakable crime of sodomy gained a voice as Martin Luther and others deployed accusations of sodomy to discredit the upper ranks of the Church and to create a sense of community among Protestant believers During the sixteenth century reactions against this defamatory rhetoric and fear that mere mention of sodomy would incite sinful acts combined to repress even court cases of sodomy Written with precision and meticulously researched this revealing study will interest historians of gender sexuality and religion as well as scholars of medieval and early modern history and culture

Religion and Culture in Germany (1400-1800) Robert Scribner,2021-10-18 The late Bob Scribner was one of the most original and provocative historians of the German Reformation His truly pioneering spirit comes to light in this collection of his most recent essays In the years before his death Scribner explored the role of the senses in late medieval devotional culture and wondered how the Reformation changed sensual attitudes Further essays examine the nature of popular culture and the way the Reformation was institutionalised considering Anabaptist ideals of the community of goods literacy and heterodoxy and the dynamics of

power as they unfold in a case of witchcraft The final section of the book consists of three iconoclastic essays which together form a sustained assault on the argument first advanced by Max Weber that the Reformation created a rational modern religion Scribner shows that far from being rationalist and anti magical Protestants had their own brand of magic These fine essays are certain to spark off debate not only among historians of the Reformation but also among art historians and anyone interested in the nature of culture *Challenges to Authority* Peter Elmer,2000-01-01 The evolution and reception of the Renaissance was mediated by developments in various other spheres of early modern life and culture Foremost among these were the religious changes initiated by the Protestant Reformation which are discussed in the opening chapters of this book Religious and cultural developments in Germany are contrasted with sixteenth century Spain and are further explored through the study of the picaresque novel *Lazarillo de Tormes* Subsequent chapters explore the Renaissance fascination with witchcraft and demonology in both learned discourse Pico's *Strix* and popular drama *The Witch of Edmonton* The volume concludes with a study of one of the most influential and provocative writers of the sixteenth century Michel de Montaigne whose *Essays* provide stimulating material for a reassessment of the impact of the Renaissance on contemporary thought

Religion and Culture in Germany Robert William Scribner,2001 These most recent essays of the late Bob Scribner show his original and provocative views as a historian on the German Reformation Subjects covered include popular culture art literacy Anabaptism witchcraft Protestantism and magic **Radical Religious Movements in Early Modern Europe** Michael Mullett,2023-03-08 *Radical Religious Movements in Early Modern Europe* 1980 examines Western European history during three crucial centuries of transition He expands the concept of Reformation to cover all the movements of religious resurgence in the fifteenth sixteenth and seventeenth centuries in Europe Social economic political literary and artistic developments are fully considered alongside more strictly religious themes **The Protestant Reformation in German History** Thomas A. Brady,1998 Luther Michael Mullett,1986 First Published in 1986 Routledge is an imprint of Taylor Francis an informa company **Pre-Reformation Germany** Gerald Strauss (editor),1972 *The Nations of the World: Germany*,1898 Germany, Present and Past Sabine Baring-Gould,1879 Protestant Politics Thomas A. Brady,1995 *Protestant Politics* is a new treatment of religion and politics in the German Reformation ca 1520 to 1550 It is based on the career of a leading urban politician Jacob Sturm 1489 1553 of Strasbourg *Germany, Her People and Their Story* Augusta Hale Gifford,1899 *The spirit of the Protestant Reformation* Martin Luther,1956 **The History of the Protestant Reformation, in Germany and Switzerland** Martin John Spalding,1860 The Reformation of the Parishes Andrew Pettegree,1993 **The Encyclopedia of Social Reform ...** William Dwight Porter Bliss,1897
