Preachers Of The Italian Ghetto:

Preachers of the Italian Ghetto David B. Ruderman, 2023-12-22 By the mid sixteenth century Jews in the cities of Italy were being crowded into compulsory ghettos as a result of the oppressive policies of Pope Paul IV and his successors The sermons of Jewish preachers during this period provide a remarkable vantage point from which to view the early modern Jewish social and cultural landscape In this eloquent collection six leading scholars of Italian Jewish history reveal the important role of these preachers men who served as a bridge between the ghetto and the Christian world outside between old and new conventions and between elite and popular modes of thought The story of how they reflected and shaped the culture of their listeners who felt the pressure of cramped urban life as well as of political economic and religious persecution is finally beginning to be told Through the words of the Italian ghetto preachers we discover a richly textured panorama of Jewish life more than 400 years ago By the mid sixteenth century Jews in the cities of Italy were being crowded into compulsory ghettos as a result of the oppressive policies of Pope Paul IV and his successors The sermons of Jewish preachers during this period provide a remarkable vantage

Preachers and People in the Reformations and Early Modern Period Larissa Taylor, 2021-10-01 Sermons are an invaluable source for our knowledge of religious history and sociology anthropology and the mental landscape of men and women in pre modern Europe of what they were taught and what they practiced But how did an individual process the preached message from the pulpit How exactly do written sermons duplicate the preached Word Do they at all The 11 leading scholars who have contributed to this book do not offer uniform answers or an all encompassing study of preaching in the Reformations and early modern period in Europe They do however provide new insights on Catholic Lutheran and Reformed preaching in Western and Central Europe Part One examines changes in sermon structure style and content in Christian sermons from the thematic sermon typical of the Middle Ages to the wide variety of later preaching styles Catholic preaching after Trent proves not to be monolithic and intolerant but a hybrid of forms past and present applied as needed to particular situations Lutheran homiletic theory is traced from Luther and through Melanchthon the intention of the sermon being to transform the worship service based on exegesis of Scripture In Reformed worship the expository sermon often given on a daily basis with a continuing exegesis was designed to communicate the tenets of the faith in terms that the laity could understand plain style Part Two deals with the social history of preaching in France where preachers often incited their hearers to attack human beings or holy objects or were themselves attacked in Italy where preaching became a collective and home grown product in early modern Germany where the authorities strove for uniformity of preaching practice and the preacher was seen as a moral guardian in Switzerland where leaders from Zwingli on sought to bring religious practice conduct and government in line with biblical teaching and propagated a pastoral vision of preaching in England where after the Reformation preachers became the indispensable agents of salvation but clergy and congregations were often ill prepared for the task in Scandinavia where post Reformation

sermons have a clear didactic aim teaching obedience to the authorities and in the Low Countries characterized by its numerous denominations all with their own churches and particular practices in terms of preaching The volume ends with a consideration of the influence of late medieval preaching on the Reformation concluding that the diversity of emphasis on how the practice of penance was preached and received very likely affected the appeal or not of the Lutheran Reformed message in a given country **Juvenile Sexuality, Kabbalah, and Catholic Reformation in Italy** Roni Weinstein, 2009

This detailed introduction to the text Tiferet Bachurim The Glory of Youth written in the mid seventeenth century in Ferrara Italy discusses the profound changes in Jewish Italian communities regarding sexuality control of the juvenile body and the role of Kabbalah in The Jewish Counter Reformation *The Jewish-Christian Encounter in Medieval Preaching* Jonathan Adams, Jussi Hanska, 2014-10-03 This book explores the complexity of preaching as a phenomenon in the medieval Jewish Christian encounter This was not only an encounter as physical meeting or confrontation such as the forced attendance of Jews at Christian sermons that took place across Europe but also an imaginary or theological encounter in which Jews remained a figure from a distant constructed time and place who served only to underline and verify Christian teachings Contributors also explore the Jewish response to Christian anti Jewish preaching in their own preaching and religious instruction Disputationsliteratur als Instrument antijüdischer Polemik Gaby Knoch-Mund, 1997 Betr auch Sebastian Münster De Fide Christianorum et Iudaeorum sowie Beziehungen von Marcus Lombardus zu Basel Jüdische Studien als Disziplin - die Disziplinen der Jüdischen Studien Johannes Heil, Daniel Krochmalnik, 2010 *Das Geschlecht des Glaubens* Monika Mommertz, 2008 **Jüdische Riten, Sitten und Gebräuche** Leone Modena, 2007 Aschkenas, 2004

Renaissance Florence in the Rhetoric of Two Popular Preachers Nirit Ben-Aryeh Debby, 2001 The central purpose of this study is to examine the response of the preachers Giovanni Dominici 1356 1419 and Bernardino da Siena 1380 1444 to the changes the alternatives they offered and their attempts to direct the life of the laity **Italy** Lucio Sponza, Diego Zancani, 1995 Italy has transformed itself in the last fifty years changing from a rural society into one of the seven wealthiest nations in the world This is despite the fact that Italy has had to cope with many apparent contradictions such as the twin influences of the Roman Catholic Church and the most powerful Communist Party in the West *THE HISTORIAN*, 1994
