The Preacher's Complete Homiletical Commentary ,1892      Connections: A Lectionary Commentary for Preaching and Worship Joel B. Green,Thomas G. Long,Luke A. Powery,Cynthia L. Rigby,Carolyn J. Sharp,2019-09-17 Designed to empower preachers as they lead congregations to connect their lives to Scripture Connections features a broad set of interpretive tools that provide commentary and worship aids on the Revised Common Lectionary This nine volume series offers creative commentary on each reading in the three year lectionary cycle by viewing that reading through the lens of its connections to the rest of Scripture and then seeing the reading through the lenses of culture film fiction ethics and other aspects of contemporary life Commentaries on the Psalms make connections to the other readings and to the congregations experience of worship Connections is published in partnership with Austin Presbyterian Theological Seminary      **The Preacher's Complete Homiletical Commentary on the Old Testament: Chronicles** ,1892      **Pegs for Preachers** Charles Inglis,1891      *The Preacher's Complete Homiletical Commentary on the Old Testament* Anonymous,1892      Preachers and preaching Henry Christmas,1878      **The Preacher's Complete Homiletical Commentary** ,1892      Preaching Ephesians Lynn H. Cohick,2025-07-22 Ephesians speaks to our deepest questions about God the redemptive plan of God written from ages past now revealed the work of Christ complete and effective now and for eternity the power of the Holy Spirit to change lives and build a community The clear message of God s unfathomable grace establishes the believer s hope and undergirds the call for faithful living Down through the centuries the clarion call to unity that permeates Ephesians has inspired and challenged the faithful to live out the promises found in Christ This short letter speaks to the twenty first century s longing for friendship and wholeness      Preachers and Preaching, in Ancient and Modern Times, Etc. [With Portraits.] Henry Christmas,1878      **Preaching Second Corinthians** James W. Thompson,2021-02-18 While the commentaries and articles on 2 Corinthians focus on the world behind the text giving attention to the identity of Paul s opposition and questions about the letter s composition few scholars have bridged the gap between the exegesis of 2 Corinthians and the sermon The issue of what constitutes legitimate ministry the focus of 2 Corinthians is a pressing issue today for churches as they face an identity crisis Paul confronts opponents who judge him by secular standards of ministry offering an alternative that is based on the cross Second Corinthians offers an insight into both the nature of pastoral ministry and the mission of the church This book draws parallels between Corinth and the contemporary situation of the church The exegetical insights demonstrate the primary focus of the passage as the basis for the preaching text This book demonstrates a full awareness of current scholarship on 2 Corinthians and offers hermeneutical and homiletical guidance for addressing these issues today      Traditional Christian Ethics David W. T. Brattston,2014 Traditional Christian Ethics features two exhaustive alphabetical lists of affirmative commandments and prohibitions from the earliest Christian ethics as found in writers before the mass apostasy of 249 251 AD The affirmatives or positives list consists of what Christians are were commanded or encouraged to

do The other list is of negatives or prohibitions i e what Christians are were discouraged from doing similarly arranged The source material for the work encompasses far more than the ten volume Ante Nicene Fathers edited by Roberts and Donaldson It also draws from all writings of the period Christian Jewish and pagan available in English or French translation plus a few Latin translations Some translations have been published only in scholarly journals and some only in the twenty first century Volumes Two and Three form a single exhaustive alphabetical list of affirmative commandments or precepts including mental attitudes i e what Christian ethics commanded or encouraged according to writers on Christian ethics before 250 AD Using earlier drafts of this set of books Dr Brattston s articles and booklets synthesizing early and contemporary Christianity have been published by a wide variety of denominations and ministries in every major English speaking country He hopes readers will use them as a starting point for writing articles papers and sermons of their own
