

PREACHING AND SOCIAL ISSUES

*Tools and Tactics for Empowering
Your Prophetic Voice*

LEAH D. SCHADE
FOREWORD BY LISA L. THOMPSON

Preaching As A Social Act

Samuel Miles Hopkins

Preaching As A Social Act:

Preaching as a Social Act Arthur Van Seters, 1988 An excellent set of essays each exploring the sociological nature of preaching Setting the sermon and the congregation each within the larger social frame many of the essays cover the relationship of discourse rhetor audience speaking feedback language action Preaching as Local Theology and Folk Art Leonora Tubbs Tisdale, 1997 Showing that good sermons are really local theology and folk art Princeton s Leonora Tubbs Tisdale tells how to analyze a congregation to fit a sermon to the audience The book then gives practical help for preparing and delivering sermons that are meaningful and appropriate Tisdale draws from contextual theology and congregational studies Religious Involvement in Hearing Sermons Theo Pleizier, 2010 **Symposium on Social Action (JCR Vol. 08 No. 01)** Kerby Anderson, David Chilton, Edward Coleson, Ricky Cotton, Vern Crisler, Michael Gilstrap, Archie Jones, George M. Marsden, James M. Peters, Tommy W. Rogers, Tom Rose, John Whitehead, In a thought provoking exploration of the historical tension between fundamentalist beliefs and social action the narrative delves deep into the roots of mistrust that have shaped American perspectives over the years With incisive analysis and sharp wit the book challenges traditional notions of engagement social within evangelical circles shedding light on the complexities of theological conservatism in a rapidly changing world From the struggles of the Great Reversal to the modern day debates on liberalism and activism this book offers a fresh perspective on the intersection of faith and social responsibility Through a rich tapestry of historical anecdotes theological reflections and contemporary critiques the reader is invited to reconsider long held assumptions and explore the potential for a more nuanced understanding of Christian social action A must read for those seeking to navigate the complexities of faith and societal engagement in today s world **Theorizing Identities and Social Action** M. Wetherell, 2009-10-22 This collection brings together leading scholars to explore the doing and making of identities Drawing on the highly innovative ESRC Identities and Social Action Programme the chapters take core social actions such as performing excluding mixing bonding and demonstrate how social practices and identities unfold together *A History of Preaching Volume 1* O.C. Edwards, Jr., 2010-09-01 A History of Preaching brings together narrative history and primary sources to provide the most comprehensive guide available to the story of the church s ministry of proclamation Bringing together an impressive array of familiar and lesser known figures Edwards paints a detailed compelling picture of what it has meant to preach the gospel Pastors scholars and students of homiletics will find here many opportunities to enrich their understanding and practice of preaching Volume 1 appearing in the print edition contains Edwards s magisterial retelling of the story of Christian preaching s development from its Hellenistic and Jewish roots in the New Testament through the late twentieth century s discontent with outdated forms and emphasis on new modes of preaching such as narrative Along the way the author introduces us to the complexities and contributions of preachers both with whom we are already acquainted and to whom we will be introduced here for the first time Origen Chrysostom Augustine Bernard Aquinas Luther Calvin

Wesley Edwards Rauschenbusch Barth all of their distinctive contributions receive careful attention Yet lesser known figures and developments also appear from the ninth century reform of preaching championed by Hrabanus Maurus to the reference books developed in the thirteenth and fourteenth centuries by the mendicant orders to assist their members preaching to Howell Harris and Daniel Rowlands preachers of the eighteenth century Welsh revival to Helen Kenyon speaking as a layperson at the 1950 Yale Beecher lectures about the view of preaching from the pew Volume 2 contained on the enclosed CD ROM contains primary source material on preaching drawn from the entire scope of the church s twenty centuries The author has written an introduction to each selection placing it in its historical context and pointing to its particular contribution Each chapter in Volume 2 is geared to its companion chapter in Volume 1 s narrative history Ecumenical in scope fair minded in presentation appreciative of the contributions that all the branches of the church have made to the story of what it means to develop deliver and listen to a sermon A History of Preaching will be the definitive resource for anyone who wishes to preach or to understand preaching s role in living out the gospel This work is expected to be the standard text on preaching for the next 30 years says Ann K Riggs who staffs the NCC s Faith and Order Commission Author Edwards former professor of preaching at Seabury Western Theological Seminary is co moderator of the commission which studies church uniting and church dividing issues A History of Preaching is ecumenical in scope and will be relevant in all our churches we all participate in this field says Riggs from EcuLink Number 65 Winter 2004 2005 published by the National Council of Churches

A History of Preaching Otis Carl Edwards, 2004 Accompanying CD ROM contains the full text of volume one and two Volume two contains primary source material on preaching drawn from the entire scope of the church s twenty centuries Each chapter in volume two is geared to its companion chapter in volume one s narrative history
