Preaching On The Crucifixion:

The Crucified God Jurgen Moltmann, 2014-04-15 This work on the significance of the crucifixion takes death despair and dreadfulness with total seriousness and relates these to a liberating hope of redemption through divine agony and suffering

The Crucified God Jürgen Moltmann, 2015-07-31 Jürgen Moltmann's *The Crucified God* is one of the most influential theological books of the twentieth century and a classic to be found on every reading list on Christian doctrine. Arguably the most powerful of Moltmann's books, *The Crucified God* is a seminal work on the crucifixion and its significance. The book takes death despair and dreadfulness, the dark side of the human condition with total seriousness and relates these to a liberating hope of redemption through divine agony and suffering. Influential for many years especially with political and liberation theologians but also much more widely, the book represents a concentrated blast of hard-edged doctrinal reflection and will continue to inspire upcoming generations who take seriously the life-changing notion that God was in Christ.

Reissued with a new foreword by the author himself. **The Crucifixion** Fleming Rutledge, 2017-02-09 Few treatments of the death of Jesus Christ have made a point of accounting for the gruesome, degrading public manner of his death by crucifixion, a mode of execution so loathsome that the ancient Romans never spoke of it in polite society. Rutledge probes all the various themes and motifs used by the New Testament evangelists and apostolic writers to explain the meaning of the cross of Christ. She shows how each of the biblical themes contributes to the whole with the Christus Victor motif and the concept of substitution sharing pride of place along with Irenaeus's recapitulation model. **Preaching on the Crucifixion** Douglas William Cleverley Ford, 1993 *The Crucifixion* is at the heart of Christianity yet it is often the most difficult part of Christ's life to come to terms with. The 21 sermons in this book, written in non-technical language, cover the events surrounding the Crucifixion and the motivations of the people involved as well as examining its implications for Christians.

Studia Crucis, sermons on the Crucifixion and related themes Alfred John Griffith, 1884 **The Cross and the Crucifixion** Grace Dola Balogun, 2011-12-13 Christ paid for the sins of the people of the world on the cross. The work of redemption of God the Father through God the Son, which started at the Garden of Eden, was completed on the day that Christ was crucified on the cross. As the great hymn says, "On the cross is when I first saw the Lord and all my sins rolled away." All believers must come to the realization that the cross of Christ is the basis for our salvation. If Christ did not go to the cross, there would be no salvation and no eternal life. We would still be in our sins. We should all praise and glorify the God of glory for the finished work of salvation on the cross. If some churches preach and say to forget the cross, that Christ is no longer on the tree, those preachers are not preaching the true Gospel. The cross should be in our churches and in our homes to remind us of the agony of our Lord so that we may totally surrender to His Lordship and live with Him from this earth to heaven. Let us embrace the cross, the power and the love of Jesus Christ for humanity through His crucifixion on the cross.
