Encountering God through Expository Preaching ushers preachers of all levels of experience through the practical steps necessary to preach with power The authors not only cover the exegetical skills and homiletical techniques necessary for sound preaching but they also dive deeper to emphasize how a pastor's character and reliance upon the Holy Spirit are essential to preaching God's word effectively As the preacher encounters God in preaching he will preach with spiritual power and see lives transformed and churches strengthened **"Preach the Word"** George Frederick Maberly, 1852

*Preaching That Comes Alive* Maggie Low, 2017-03-30 People go to church every Sunday hoping to hear a life giving word from the Lord but often find that they have to make do with either the dry crust of cognitive sermons or the empty calories of emotional exhortations This book provides preachers with the tools to feed their flock with hearty sustenance Using real life sermon examples from across Asia that reflect issues facing Asian Christians Maggie Low builds a picture of a sermon as a body taking you step by step through guidelines for what this body needs to come alive Whether you are a beginner or an experienced preacher you will learn to preach more confidently and relevantly through this skillful integration of biblical theology homiletical theory spirituality and communication skills Preaching cannot deliver life unless preachers themselves listen to the Word of Life Dr Low guides the reader to exegete the Scriptures and to listen to God personally so that they can deliver a life giving word to the hearers **Preaching the Word** Thomas K.
