## **Preaching Without Notes:**

How to Preach without Notes Charles W. Koller, 2007-09-01 This is a classic that has stood the test of time For forty five years seminary students and pastors have benefited from the principles found in this book Two of Koller s popular texts Expository Preaching without Notes and Sermons Preached without Notes are combined in a single volume that allows preachers to prepare and deliver sermons without being tied to a manuscript or even outlines or notes Among the eighteen topics discussed are the biblical conception of preaching the advantages of preaching without notes homiletical devices the importance of structure and the systematic filing of materials Now repackaged for the next generation of preachers with a foreword by current Northern Seminary preaching professor Michael J Quicke How to Preach without Notes is poised to continue its history of strong and steady sales      *Preaching Without Notes* Joseph M. Webb, 2001 In this important book Webb makes two central claims First that effective preaching without a manuscript is not a matter of talent as much as it is a matter of preparation Preachers can learn the practices and disciplines that make it possible to deliver articulate thoughtfully crafted sermons not from a written page but as a natural spontaneous act of oral communication Throughout the book the author offers specific examples including a transcript of a sermon preached without manuscript or notes Second that the payoff of learning to preach without a manuscript is nothing less than sermons that more effectively and engagingly give witness to the good news      Preaching Without Notes Prof. Joseph M.
