Precarious Employment Understanding Labour Market Insecurity In Canada:

Precarious Employment Leah F. Vosko, 2006 Precarious Employment explores the nature and dynamics of precarious employment in contemporary Canada

Wenn Mama das Geld verdient Ute Klammer, Sabine Neukirch, Dagmar Weßler-Poßberg, 2012 Das lange für West Deutschland charakteristische männliche Familienernährermodell war mit der Herausbildung polarisierter Geschlechterbilder verknüpft. Wurde das Leitbild des Mannes dadurch bestimmt, dass er durch Erwerbsarbeit den Lebensunterhalt der Familie erwirtschaftete, dominierte die Zuständigkeit für Fürsorge und Hausarbeit das Bild der Frau. Doch dies ist längst nicht mehr für alle Familien Realität. Inzwischen erwirtschaftet in Deutschland in jedem fünften Familienhaushalt eine Frau den überwiegenden Teil des Haushaltseinkommens und trägt als Familienernährerin die finanzielle Hauptverantwortung für ihre Familie. Die Autorinnen gehen in dieser Studie den Lebensrealitäten westdeutscher Familienernährerinnen detailliert nach. Gestützt auf umfangreiche empirische Analysen machen sie deutlich, dass Frauen ihre Familien überwiegend unter schwierigen Bedingungen ernähren und sich mit Arbeitsmarktstrukturen und Rollenbildern konfrontiert finden. Die Frauen nehmen wie vor die Verantwortung für Haus und Familienarbeit zuschreiben und sie auf dem Arbeitsmarkt nur als Zuverdienende sehen. Die Folge ist oft eine Prekarität im Lebenszusammenhang, nur für wenige Frauen bzw. Paare entfalten sich mit dem Rollentausch emanzipatorische Potenziale.

The Subjectivities and Politics of Occupational Risk Alan Hall, 2020-11-29 The Subjectivities and Politics of Occupational Risk links restructuring in three industries to shifts in risk subjectivities and politics both within workplaces and within the safety management and regulative spheres, often leading to conflict and changes in law, political discourses and management approaches. The state and corporate governance emphasis on worker participation and worker rights, internal responsibility and self-regulative technologies are understood as corporate and state efforts to reconstruct control and responsibility for Occupational Health and Safety (OHS) risks within the context of a globalized neoliberal economy. Part 1 presents a conceptual framework for understanding the subjective bases of worker responses to health and safety hazards using Bourdieu's concept of habitus and the sociology of risk concepts of trust and uncertainty. Part 2 demonstrates the restructuring arguments using three different industry case studies of multiple mines, farms and auto parts plants. The final chapter draws out the implications of the evidence and theory for social change and presents several recommendations for a more worker-centred politics of health and safety. The book will appeal to social scientists interested in health and safety, work, employment relations and labour law as well as worker advocates and activists.

International Handbook of Chinese Families Chan Kwok-bun, 2012-12-09 Families are the cornerstone of Chinese society, whether in mainland China, in Taiwan, Hong Kong, Macao, Singapore, Malaysia or in the Chinese diaspora. The world over, the Handbook of the Chinese Family provides an overview of economics, politics, race, ethnicity and culture within and external to the Chinese family as a social institution. While simultaneously evaluating its own methodological tools, this book will set current knowledge in the context of what has

been previously studied as well as future research directions It will examine inter family relationships and politics as well as childrearing education and family economics to provide a rounded and in depth view *Canadian Political Economy* Heather Whiteside,2020-11-19 Engaging with themes of conflict change and crisis this book re invigorates the distinct interdisciplinary field of Canadian political economy The Future of Lifelong Learning and Work ,2008-01-01 Concern with learning throughout life has become pervasive in market driven societies Will most workers need to become more continuous learners in a new knowledge based economy or will much of their learning be ignored or devalued in relation to their work These papers critically assess dominant views of learning and work The book is unique in examining changing relations between learning and work in terms of unpaid work and informal learning as well as paid employment and formal education The book is organized in terms of five basic themes GENERAL PERSPECTIVES assesses learning and work relations in the new economy in terms of different concepts of learning and work and contending theories of education employment relations SOCIAL JUSTICE looks at uneven dislocating effects of globalization on gender discrimination in information technology work working conditions in the public sector student transitions to work and disability in work and learning PRECARIOUS EMPLOYMENT analyzes the general working conditions and learning constraints of temporary part time workers with a particular focus on call centre and garment workers APPRENTICESHIPS offers an international review of the nature and future trajectory of apprenticeship systems and a case study of the challenges of a high school trades preparation program MULTIPLE LITERACIES identifies needed abilities including coping with diverse cultures languages and environmental change as well as use of information technologies The material in this volume emerges from the conference on The Future of Lifelong Learning and Work held at the University of Toronto in June 2005 This conference was one of the cluminating efforts of the Work and Lifelong Learning international research network based in Canada The contributions were produced by members of this network as well as associates of the Centre for the Study of Education and Work at OISE UT and are complemented by the work of selected leading international voices in the field of learning and work **Social**

Determinants of Health Dennis Raphael,2016-05-06 In the current environment of deepening class and income inequality it is essential to understand the socio economic conditions that shape the health of individuals and communities Now in its third edition Dennis Raphael s Social Determinants of Health offers a comprehensive discussion of the primary factors that influence the health of Canada s population This seminal text on the social determinants of health contains contributions from top academics and high profile experts from across the country Taking a public policy approach the authors in this edited collection critically analyze the structural inequalities embedded in our society and the socio economic factors that affect health including income education employment housing food security gender and race The thorough updates to this edition include a greater focus on the political mechanisms that explain the distribution of the social determinants of health and additional material on public policy early childhood education in Canada and the determinants of Indigenous peoples

health Rich in pedagogical tools including critical thinking questions and lists of recommended readings and online resources this book will actively engage students and researchers alike

Women's Health 2e Pat Armstrong, Ann P. Pederson, 2015 Though we may no longer confine our understanding of women's health to reproduction and maternity care women's health in Canada continues to be limited by knowledge gaps political agendas and fiscal restraints This second edition of Women's Health provides a comprehensive picture of the state of women's health in Canada tracing the emergence of the field and outlining some of the current challenges facing its advancement The contributors who include academics health care professionals and policy makers explore women's health in different social and geographical locations the gendering of care work and the ways in which research can influence health policy Drawing on gender based analysis and highlighting the diversity among women this multidisciplinary collection illustrates the breadth of contemporary Canadian writing on women's health and calls for a renewed commitment to women's health advocacy This revised edition has been thoroughly updated to reflect developments in research and recent changes in the social political and economic context New chapters cover topics such as wait times girls health and unpaid health care Featuring questions for further thought and lists of recommended readings and websites this unique text is a valuable resource for both students and researchers in the fields of women's studies sociology health sciences and nursing

Journal of Disability Policy Studies, 2010 Managing the Margins Leah F. Vosko, 2011-03-03 This book explores the precarious margins of contemporary labour markets Over the last few decades there has been much discussion of a shift from full time permanent jobs to higher levels of part time and temporary employment and self employment Despite such attention regulatory approaches have not adapted accordingly Instead in the absence of genuine alternatives old regulatory models are applied to new labour market realities leaving the most precarious forms of employment intact The book places this disjuncture in historical context and focuses on its implications for workers most likely to be at the margins particularly women and migrants using illustrations from Australia the United States and Canada as well as member states of the European Union Managing the Margins provides a rigorous analysis of national and international regulatory approaches drawing on original and extensive qualitative and quantitative material It innovates by analyzing the historical and contemporary interplay of employment norms gender relations and citizenship boundaries

Working Without Commitments Wayne Lewchuk, Marlea Clarke, Alice De Wolff, 2011 From the end of the Second World War to the early 1980s the North American norm was that men had full time jobs earned a family wage and expected to stay with the same employer for life In households with children most women were unpaid caregivers This situation began to change in the mid 1970s as two earner households became commonplace with women entering employment through temporary and part time jobs Since the 1980s less permanent precarious employment has increasingly become the norm for all workers

Gender and the Contours of Precarious Employment Leah F. Vosko, Martha MacDonald, Iain Campbell, 2009-09-10 Precarious employment presents a monumental challenge to the social economic and

political stability of labour markets in industrialized societies and there is widespread consensus that its growth is contributing to a series of common social inequalities especially along the lines of gender and citizenship The editors argue that these inequalities are evident at the national level across industrialized countries as well as at the regional level within federal societies such as Canada Germany the United States and Australia and in the European Union This book brings together contributions addressing this issue which include case studies exploring the size nature and dynamics of precarious employment in different industrialized countries and chapters examining conceptual and methodological challenges in the study of precarious employment in comparative perspective The collection aims to yield new ways of understanding conceptualizing measuring and responding via public policy and other means such as new forms of union organization and community organizing at multiple scales to the forces driving labour market insecurity **Comparative Labor Law & Policy Journal** ,2009

From Crisis to Austerity Tim Fowler,2013 The Great Recession was the largest crisis of capitalism since the Great Depression and the largest crisis in neoliberalism to date sending shockwaves throughout the global economy States scrambled to right the sinking capitalist ship in order to maintain high levels of accumulation In Canada as in so many other countries the state introduced austerity measures aimed at organized labour and the broader working class This volume explores the political economy of The Great Recession in Canada and focuses on how labour has responded to the crisis neoliberalism and austerity measures Table of Contents 1 From Crisis To Austerity An Introduction Tim Fowler 2 The Canadian State and the Crisis Theoretical and Historical Context Stephen McBride Heather Whiteside 3 From the Great Recession of 2008 2009 to Fiscal Austerity The Role of Inequality Akhter Faroque and Brian K MacLean 4 Neoliberalism Capitalist Crisis and Continuing Austerity in the Ontario State Tim Fowler 5 Collective Bargaining in a Time of Austerity Public Sector Unions and the University Sector in Ontario Mathew Nelson James Meades 6 We Will Fight This Crisis Auto Workers Resist an Industrial Meltdown Bill Murnighan Jim Stanford 7 The Decline of the Labour Movement A Socialist Perspective Murray E G Smith Jonah Butovsky 8 Labour s Response to the Crisis and the Future of Working Class Politics David Camfield Endorsements a thought provoking collection on contemporary austerity and the attack on labour reveals how divergent interpretations of capitalist crisis frame different understandings of the contemporary crisis of the workers movement Bryan D Palmer is Canada Research Chair at Trent University author of *James P Cannon and the Origins of the American Revolutionary Left 1890 1928* and Editor of *Labour Le Travail* a big picture look at how Canadian governments and business sought solutions favouring the wealthy at the expense of an ever more constrained labour movement The collection will be a critical read for anyone seeking a comprehensive account of the crisis and how Canada s politics of austerity have affected unions and workers across the country John Peters teaches labour studies at Laurentian University and is editor of *Boom Bust Crisis Labour Corporate Power and Politics in 21st Century Canada* [International Labour Review](#) ,2017

Women & Public Policy in Canada Alexandra Zorianna Dobrowolsky,2009 Women and Public Policy in Canada offers a

theoretical and topical approach to studying the public policy issues that specifically affect Canadian women Written by policy experts from across Canada this contributed text exposes students to various perspectives and a wealth of expertise Topics such as the environment healthcare Aboriginal women economic policy anti violence policy immigration and multiculturalism are covered giving students insight into the most prevalent issues regarding women and public policy in Canada *International Journal of Contemporary Sociology* ,2007 **Chronic Diseases and Injuries in Canada** ,2012
 Analyse de Politiques ,2005 Environment and Planning ,2008
