Prehistoric Southwestern Craft Arts Clara Lee Tanner,1976 This work traces the development of the major craft arts including basketry pottery and textiles through the millennia of the Southwestern prehistory Through the author s careful analysis and presentation the emergence of artistic traditions and their relationships to other aspects of culture *The Archaeology of Art in the American Southwest* Marit K. Munson,2011-04-16 Archaeologists seldom study ancient art even though art is fundamental to the human experience *The Archaeology of Art in the American Southwest* argues that archaeologists should study ancient artifacts as artwork as applying the term art to the past raises new questions about artists audiences and the works of art themselves Munson proposes that studies of ancient artwork be based on standard archaeological approaches to material culture framed by theoretical insights of disciplines such as art history visual studies and psychology Using examples drawn from the American Southwest *The Archaeology of Art in the American Southwest* discusses artistic practice in ancestral Pueblo and Mimbres ceramics and the implications of context and accessibility for the audiences of painted murals and rock art Studies of Hohokam figurines and rock art illustrate methods for studying ancient images while the aesthetics of ancient art are suggested by work on ceramics and kivas from Chaco Canyon This book will be of interest to archaeologists working in the Southwest who want to broaden their perspective on the past It will also appeal to archaeologists in other parts of the world and to anthropologists art historians and those who are intrigued by the material world aesthetics and the visual Native North American Art Janet Catherine Berlo,Ruth Bliss Phillips,2015 This lively introductory survey of indigenous North American arts from ancient times to the present explores both the shared themes and imagery found across the continent and the distinctive traditions of each region Focusing on the richness of artwork created in the US and Canada *Native North American Art Second Edition* discusses 3 000 years of architecture wood and rock carvings basketry dance masks clothing and more The expanded text discusses twentieth and twenty first century arts in all media including works by James Luna Kent Monkman Nadia Myre Jaune Quick to See Smith Will Wilson and many more Authors Berlo and Phillips incorporate new research and scholarship examining such issues as art and ethics gender representation and the colonial encounter By bringing into one conversation the seemingly separate realms of the sacred and the secular the political and the domestic and the ceremonial and the commercial *Native North American Art* shows how visual arts not only maintain the integrity of spiritual and social systems within Native North American societies but have long been part of a cross cultural experience as well Southwestern Art ,1978 **Casas Grandes and the Ceramic Art of the Ancient Southwest** Richard F.
