The Prelude to Bolshevism Aleksandr Fyodorovich Kerensky, 2011 **The Prelude to Bolshevism** Aleksandr Fyodorovich Kerensky, 1972 **The Prelude to Bolshevism** Aleksandr Fyodorovich Kerensky, 1919 **The Prelude to Bolshevism** A. F. Kerensky, 2017-04-19 From the A F KERENSKY S PREFACE TO THE KORNILOV AFFAIR Dear Friends I send you the stenographic copies of my fundamental statement on the Kornilov affair which have been saved from destruction with supplementary remarks and explanations which I have now made I place this manuscript at your disposal and ask you if possible to publish it but exactly in its present form This is necessary though I myself see all its imperfections from a literary point of view But this is not a literary production not memoirs for history not the fruit of my unfettered creative faculty This is only a document a bit of real life a document which can give to those who are really anxious to discover the truth about the Kornilov affair more information than a whole volume of memoirs because without forcing any one to form an opinion it gives everyone the opportunity of acting on the lines of a commission of inquiry of doing the work of such a commission himself sorting out the most important facts of the Kornilov affair and drawing his own conclusions about it To enable the reader to judge fairly is my only desire My latest notes supplement the statement received by the Commission of Inquiry with additional matter which may in part have been forgotten by or unknown to those who will read the official report of my examination Certainly in these notes I have been unable to confine myself all the time strictly to the mere facts of the case and to the narrow limits of the story of Kornilov s attempt though I tried my best to refrain from all digression and especially from argument and deductions I tried to restrain myself because I found that for me at this moment any other language than that of facts and documents was out of place Why You know that better than I You know better than I how the enemies of the February revolution my enemies from the Right and from the Left took advantage of the Kornilov affair and how large was the number of those whose faith weakened before the persistent attacks of my slanderers It was not for those who deliberately slandered not for those who deliberately lied that I wrote It is impossible to convince them of anything They themselves knew perfectly well that they were distorting and making a mockery of the truth I wrote for those who knew little or nothing who in the end gave credence to what was so insolently described as truth in the Kornilov affair I do not want to convince them Let them dispassionately and calmly after acquainting themselves with the facts not from the words of others but by their own reasoning discover the truth for themselves if not of the whole Kornilov affair at least of my connection with it It is not personal interest that urges me at this terrible time to think and to write of the Kornilov affair No I have seen and studied too many people not to know the real value of popular love and hatred At the time when I was at my height and the crowd bowed before me I quietly said to my friends Wait and they will come and smite me So it always has been and so it always will be No personal motive I say but a public one impelled me to write **The Prelude to Bolshevism** A. F. Kerensky, 2017-10-04 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide

readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates

Excerpt from *The Prelude to Bolshevism The Kornilov Rebellion* Dear Friends I send you the stenographic copies of my fundamental statement on the Kornilov affair which have been saved from destruction with supplementary remarks and explanations which I have now made I place this manuscript at your disposal and ask you if possible to publish it but exactly in its present form This is necessary though I myself see all its imperfections from a literary point of view But this is not a literary production not memoirs for history not the fruit of my unfettered creative faculty This is only a document a bit of real life a document which can give to those who are really anxious to discover the truth about the Kornilov affair more information than a whole volume of memoirs because without forcing any one to form an opinion it gives every one the opportunity of acting on the lines of a commission of inquiry of doing the work of such a commission himself sorting out the most important facts of the Kornilov affair and drawing his own conclusions about it To enable the reader to judge fairly is my only desire My latest notes supplement the statement received by the Commission of Inquiry with additional matter which may in part have been forgotten by or unknown to those who will read the official report of my examination About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in

the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Prelude to Bolshevism; the Kornilov Rebellion Aleksandr Fedorovich Kerenskii, 2023-07-18 A firsthand account of the Kornilov Rebellion a failed military coup attempt during the Russian Revolution led by General Lavr Kornilov Written by Alexander Kerensky a moderate socialist and member of the Russian Provisional Government the book describes the events leading up to the rebellion its suppression by government forces and its significance in shaping the course of the revolution This edition includes a new introduction and notes by the editor This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The prelude to bolshevism, by a.f. kerensky** A. f Kerensky, 1919 [The Russian Revolution and Civil War 1917-1921](#) Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state **The Prelude to Bolshevism. The Kornilov Rebellion. With 2 Portrs** Aleksandr Fedorovič Kerenskij, 1919 *Prelude to Revolution* Alexander Rabinowitch, 1991-08-22 Rabinowitch documents how the party's pluralistic nature had crucial implications for the outcome of the revolution in October [The New Constitutions of Europe](#) Howard Lee McBain, Lindsay Rogers, 1922 [The Bolsheviks Come to Power](#) Alexander Rabinowitch, 2017-05-20 The Bolsheviks Come to Power is one of the most important histories of the Russian Revolution to challenge the mainstream narratives Originally published to great acclaim in 2004 this new edition marks the 100th anniversary of one of the explosive and game changing moments in modern times In this absorbing narrative Alexander Rabinowitch counters the claims by mainstream historians that the revolution was a military coup led by Lenin and a small band of fanatics He refutes the Soviet myth that the party's triumph in the October Revolution was inevitable and explains the ebbs and flows of the revolutionary period tracing the moods of the working class and the political positions of the

Bolsheviks at different historical moments including the immediate aftermath of the February Revolution the July Days the Kornilov affair and up to and including the October Revolution itself Drawn from a wealth of primary sources and archival material this new edition of Rabinowitch's classic account is a must have for anyone interested in clearing away the tired platitudes of mainstream historians and reclaiming the revolution on this important anniversary

Stalin Stephen Kotkin, 2014-11-06 A magnificent new biography that revolutionizes our understanding of Stalin and his world It has the quality of myth a poor cobbler's son a seminarian from an oppressed outer province of the Russian empire reinvents himself as a top leader in a band of revolutionary zealots When the band seizes control of the country in the aftermath of total world war the former seminarian ruthlessly dominates the new regime until he stands as absolute ruler of a vast and terrible state apparatus with dominion over Eurasia While still building his power base within the Bolshevik dictatorship he embarks upon the greatest gamble of his political life and the largest program of social reengineering ever attempted the collectivization of all agriculture and industry across one sixth of the earth Millions will die and many more millions will suffer but the man will push through to the end against all resistance and doubts Where did such power come from In *Stalin* Stephen Kotkin offers a biography that at long last is equal to this shrewd sociopathic charismatic dictator in all his dimensions The character of Stalin emerges as both astute and blinkered cynical and true believing people oriented and vicious canny enough to see through people but prone to nonsensical beliefs We see a man inclined to despotism who could be utterly charming a pragmatic ideologue a leader who obsessed over slights yet was a precocious geostrategic thinker unique among Bolsheviks and yet who made egregious strategic blunders Through it all we see Stalin's unflinching persistence his sheer force of will perhaps the ultimate key to understanding his indelible mark on history Stalin gives an intimate view of the Bolshevik regime's inner geography of power bringing to the fore fresh materials from Soviet military intelligence and the secret police Kotkin rejects the inherited wisdom about Stalin's psychological makeup showing us instead how Stalin's near paranoia was fundamentally political and closely tracks the Bolshevik revolution's structural paranoia the predicament of a Communist regime in an overwhelmingly capitalist world surrounded and penetrated by enemies At the same time Kotkin demonstrates the impossibility of understanding Stalin's momentous decisions outside of the context of the tragic history of imperial Russia The product of a decade of intrepid research *Stalin* is a landmark achievement a work that recasts the way we think about the Soviet Union revolution dictatorship the twentieth century and indeed the art of history itself *Stalin* Waiting for Hitler 1929-1941 will be published by Penguin Press in October 2017
