

Thou shalt *love the Lord thy God*  
with all thy heart, and with all thy soul,  
and with all thy mind, and with all thy strength.

*This is the first commandment.*

*And the second is like, namely this,*

Thou shalt *love thy neighbor* as thyself.

*There is none other commandment greater than these.*

**The Second Greatest Commandment** William M. Fletcher, 1983      *The Two Great Commandments in Economics*  
James E. Mills, 1898      **God Greatest Commandment** Andrew Oghena, 2023-09-05 About the Book God Greatest Commandment A Guide discusses in detail the two greatest commandments given by our Lord and Savior Jesus Christ that will enable all humans to live a godly life during their earthly pilgrimages The book's objective is to provide steps on how to love God with all your heart soul and mind and love your neighbor as yourself as well as to outline rewards that you will receive by loving God and neighbor Readers of this book will be reminded that we are all one that we all came from one God just like the billions of rays of sunlight all come from one source the sun Since all humanity is from God the Father we should endeavor to love our Creator and also love all created people If we all love each other then our communities our countries and our world will be better places to live without war but with peace and harmony About the Author Andrew Oghena is a happily married family man with two kids He loves family time and sharing stories together whether it's during meals road trips or long walks He was born and brought up as a Christian in the Roman Catholic faith and is a member of both the Blue Army a Catholic society that promotes the message of Our Lady of Fatima and the Knights of Columbus a society that promotes family and defends the Christian faith He has a PhD degree in petroleum engineering and has traveled to multiple countries on international assignments and worked on several teams with colleagues of multiple nationalities In his profession he sees himself as a citizen of the world and sees the world as a global village After viewing himself and the world this way for twenty five years he has come to realize the Gospel Truth that Our Lord Jesus Christ said in the Bible 2000 years ago Andrew Oghena knows that all humanity needs to hear this priceless message and most importantly apply it to their daily lives to make the world a better place for all      **Loving Your Neighbor; A Practical Guide to Keeping the Second Great Commandment** Rev. Dave Boston, 2023-05-22 Loving Your Neighbor A Practical Guide to Keeping the Second Great Commandment explores what God actually means by the word love Often in our culture we use the word love to mean like very very much as in I love pizza But then there are Bible verses that command us to love our enemies clearly the Lord cannot be asking us to like them very much This book looks first at the heart of love as evidenced by God and others From these scriptural records we can see that spiritual love really means a selfless caring for the other When we love we must start with a motivation that focuses solely on the well being of the other and not on any benefits to self Next as this is a practical guide this book examines pictures of love words that give the reader a picture of how this love might actually practically work in our lives Often these biblical words have both a physical and a figurative usage The physical usage gives us the picture and the figurative usage shows us how to practically apply this in loving our neighbor Finally the author shows that God has given us tools in the Bible to help us get better at loving our neighbor God gave us the commandment but then He was loving enough to help us love and to help us grow in loving our neighbors      **The Great Commandment.
