Daniel Denison Whedon

Second Advent:

Second Advent Review, and Sabbath Herald, 1850 **The Second Advent: Or, the Book Unsealed. [An Exposition of Dan. Xii. 12. By W. H.], Etc** W. H., 1870 **The second advent, tr. [from Katēchēseis 15] by the author of 'An historical review of the principal Jewish and Christian sites at Jerusalem'**. Saint Cyril (Bishop of Jerusalem), 1886 **The Antichrist and the Second Coming** Duncan W. McKenzie, 2012-04 What if the commonly held beliefs concerning the Antichrist are mistaken The Antichrist and the Second Coming looks at the Antichrist and the Second Advent of Christ from a preterist i e past fulfillment perspective and provides a unified interpretation of the little horn the prince to come the king of the North the man of lawlessness and the beast This is the second in a two volume set on the Antichrist it focuses on the book of Revelation This edition stands on its own and is recommended reading even if you have not read the first volume which focuses on Daniel and 2 Thessalonians McKenzie shows how the Antichrist was ultimately a spiritual ruler from the abyss Rev 11 7 that worked through Titus in his three and a half year destruction of the Jewish nation AD 67 70 cf Dan 9 26 This spirit of Antichrist was about to come out of the abyss in the first century Rev 17 8 NASB and was destroyed by the Second Advent of Jesus in AD 70 a spiritual event Continue reading to see how McKenzie convincingly makes the biblical case for this fascinating and controversial position and what it means for us today Dr Duncan McKenzie is a licensed psychologist Ph D in psychology who lives in Los Angeles California He has been studying Bible prophecy for the past twenty five years and has been researching and writing this two volume set for the last twelve years Second Coming of Christ Nathaniel West, 1879 **Lord of the Second Advent** Steve Kemperman, 1981 *Jesus and His Promised Second Coming* Tucker S. Ferda, 2024-09-12 In this pioneering study of Scripture and reception history Tucker S Ferda shows that the hope for Jesus s second coming originated in his own message about the coming of the kingdom after a time of distress Most historical Jesus scholars take for granted that Jesus s second coming was invented by his zealous early followers In *Jesus and His Promised Second Coming* Tucker S Ferda challenges this critical consensus Using innovative methodology Ferda works backward through reception history to Paul and the Gospels to argue that the hope for the second coming originated in Jesus s own grappling with the prospect of death and his conviction that the kingdom was near he expected a return that would coincide with the final judgment and the end of the age within the space of a generation Ferda also makes a major contribution to the reception history of the Bible shedding light on how Christians distinguished their faith from Judaism by deriding Jewish messianism as earthly minded and militaristic In the early modern period critics found an expedient way to distance Jesus from this caricature of Jewish messianism they pinned the expectation for the second coming on Jesus s early followers A new appreciation for the diversity of Judaism and messianism in the Second Temple period makes possible a fresh reconstruction of Jesus Bold and historically astute *Jesus and His Promised Second Coming* breathes new life into a long stagnant conversation It also offers readers fresh insight into the history of Jewish Christian relations Students

and scholars of the New Testament will need to read and engage with Ferda's provocative argument The second Advent and prayer, by a parish priest, author of 'The gospel of the future'. Second advent,1901 All the Messianic Prophecies of the Bible Herbert Lockyer,1988-09-30 This compendium of all the prophecies in Scripture concerns the promised Messiah Dr Lockyer's discussion is divided into two sections Specific Messianic Prophecies and Symbolic Messianic Prophecies Jesus Christ Our Lord John F. Walvoord,1969-06-01 Of the life and work of Jesus the apostle John said Even the world itself could not contain the books that should be written John 21:25 Acknowledging the size of the task as well as its importance Dr John F Walvoord has written this systematic presentation of the Person and work of Christ from eternity past to eternity future Beginning with an analysis of modern trends in the study of Christology Dr Walvoord shows that contemporary Christology has in many respects confused rather than clarified the extended revelation of the Word of God The Word of God forms the solid basis for Dr Walvoord's entire study Analyzing the Old Testament he shows Christ in its history typology and prophecy Then in the New Testament he examines the life and work of the incarnate Christ The doctrines of atonement redemption propitiation and reconciliation are thoroughly and clearly discussed The book concludes with an examination of the present and future work of Christ thus giving the reader a comprehensive study of Christology *The Prophetic Times* ,1866
