Second Of Samuel

Tony Smith

Second Of Samuel:

First and Second Samuel Walter Brueggemann,2012-09-03 With critical scholarship and theological sensitivity Walter Brueggemann traces the people of God through the books of Samuel as they shift from marginalized tribalism to oppressive monarchy He carefully opens the literature of the books sketching a narrative filled with historical realism but also bursting with an awareness that more than human action is being presented **Lineage of the Lloyd and Carpenter Family**

Charles Perrin Smith,1870 **A Brief Walk through the Books of the Old Testament** Tony Smith,2022-11-03 The Old Testament is a formidable book a historic journey moving from creation through the time of Noah and the flood to Abraham and his descendants Moses and the children of Israel high priests judges kings and the spoken words of God through the prophets In my studies of the books of the Old Testament I find that God's purpose and revelations are obscured with pages and pages of detail that makes for cumbersome reading and a somewhat distant grasp of its inspirations I wrote this book to summarize the main points from Genesis to Malachi and to provide the historical elements such as dates to tie the story to historical settings and events I have also pointed out along the way the presence of Christ and the Holy Spirit in these Old Testament writings Most of the books of the Old Testament are prophetic There were approximately eight hundred prophecies in the Old Testament and a large portion approximately six hundred have been fulfilled There is not a single biblical prophecy that pertains to a time that has now passed that is not fulfilled My goal is for this writing to serve as an easy and comfortable format for the reader to get to know God who we are to Him why we are here and to discover His wonderful pathway leading to eternal life I want to reach those who are led to the Word of God and upon opening up a Bible and reading a few pages become discouraged by its vastness and disconnect of such long ago times The Old Testament truly has a long but remarkable timeline of history and I have endeavored to tie its writings accordingly in a brief walk through these inspired books of the Word of God The Davidic Shepherd King in the Lukan Narrative Sarah Harris,2016-05-19 In Luke Acts Jesus can be seen to take on the attributes of the Davidic shepherd king a representation successfully conveyed through specific narrative devices The presence of the shepherds in the birth narrative can be understood as an indication of this understanding of Jesus Sarah Harris analyses the multiple ways scholars have viewed the shepherds as characters in the narrative and uses this as an example of how the theme of Jesus shepherd nature is interwoven into the narrative as a whole From the starting point of Jesus human life Harris moves to later events portrayed in Jesus ministry in which he is seen to enact his message as God's faithful Davidic shepherd in particular the parable of the Lost Sheep and the Zacchaeus pericope 19 1 10 Harris uses this latter encounter to underline that Jesus may be hailed as a King by the crowds as he enters Jerusalem but he is not simply a king He is God's Davidic Shepherd King as prophesied in Micah 5 and Ezekiel 34 who brings the gospel of peace and salvation to the earth Second Series of Bibliographical Collections and Notes on Early English Literature, 1474-1700 William Carew Hazlitt,1882 **The Essence of the Old Testament** Ed Hindson,Gary

Yates,2012-08-01 The Essence of the Old Testament surveys the books from Genesis to Malachi Based on thirty years of scholarly research and classroom teaching a team of biblical scholars from Liberty University provides a practical readable and insightful introduction to the Hebrew Scriptures in canonical order This uniquely illustrated full color volume features book introductions background studies outlines surveys theological concepts practical applications study questions and helpful Hebrew word studies for English readers Editors Ed Hindson and Gary Yates draw from a lifetime of teaching to provide a well tested and proven Old Testament overview written at the collegiate level yet appropriate for pastors scholars and laymen alike They represent the finest evangelical scholarship along with a passion to open windows of spiritual and practical insight into the biblical text This exciting new survey of the Scriptures highlights the key elements of the Hebrew literature of the Law the Prophets and the Poets of the Old Testament The history archaeology and wisdom of the biblical world are revealed with an eye on the application of their moral principles theological insights and practical application to today s world

The Homecoming Carsten Stroud,2013-08-01 When two plane crashes set off a spellbinding chain reaction of murder inadvertent kidnapping corporate corruption and financial double dealing Niceville detective Nick Kavanaugh has to investigate To add to his worries he and his wife Kate have also just taken in brutally orphaned Rainey Teague Something bothers Nick about Rainey and it isn t just that the woman in charge of attendance at Rainey s school has suspiciously disappeared In fact people have long been disappearing from seemingly placid Niceville including most disturbingly Kate s father Using his files Kate and Nick start to unearth Niceville s blood stained history but something or is it Nothing stands in their way
