**Governing Educational Desire** Andrew B. Kipnis, 2011-02-15 Parents in China greatly value higher education for their

children but the intensity and effects of their desire to achieve this goal have largely gone unexamined until now *Governing Educational Desire* explores the cultural political and economic origins of Chinese desire for a college education as well as its vast consequences which include household and national economic priorities birthrates ethnic relations and patterns of governance Where does this desire come from Andrew B Kipnis approaches this question in four different ways First he investigates the role of local context by focusing on family and community dynamics in one Chinese county Zouping Then he widens his scope to examine the provincial and national governmental policies that affect educational desire Next he explores how contemporary governing practices were shaped by the Confucian examination system uncovering the historical forces at work in the present Finally he looks for the universal in the local considering the ways aspects of educational desire in Zouping spread throughout China and beyond In doing so Kipnis provides not only an illuminating analysis of education in China but also a thought provoking reflection on what educational desire can tell us about the relationship between culture and government

**Autocracy 2.0** Jennifer Lind,2025-11-15 In *Autocracy 2.0* Jennifer Lind reveals how China's leaders defied expectations and propelled the country to innovation superpower status and what that means for the balance of power and global struggle between democracy and authoritarianism In 2008 the world watched in awe as 2,008 men pounded Foudrums in unison at the Beijing Olympics opening ceremony a spectacle that heralded China's arrival as a global powerhouse Yet even as China's economy skyrocketed skeptics scoffed at its ability to lead in tech arguing that its authoritarian institutions smother true innovation Lind dismantles this assumption showing that China has not just kept pace it has in fact surged ahead Coupling hard data with razor sharp analysis Lind shows that China's ascent was fueled by what she calls smart authoritarianism a model of governance in which autocratic leaders temper tight political control with inclusive economic measures By balancing proinnovation policies with tools of repression China's leaders have obtained political control and economic growth These smart authoritarians Lind observes are not the brass knuckled dictators of the past they are their polished Savile Row clad progeny and they are found not only in China but also in authoritarian regimes worldwide Compelling and incisive *Autocracy 2.0* is a must read for anyone seeking to understand China's meteoric rise and how today's autocrats are reshaping the technological frontier governance and the global balance of power

**Speech and Debate as Civic Education** J. Michael Hogan,Jessica A. Kurr,Michael J. Bergmaier,Jeremy D. Johnson,2017-11-08 In an era increasingly marked by polarized and unproductive political debates this volume makes the case for a renewed emphasis on teaching speech and debate both in and outside of the classroom Speech and debate education leads students to better understand their First Amendment rights and the power of speaking It teaches them to work together collaboratively to solve problems and it encourages critical thinking reasoned and fact based argumentation and respect for differing viewpoints in our increasingly diverse and global society Highlighting the need for more emphasis on the ethics and skills of democratic deliberation the contributors to this volume leading scholars teachers and coaches in speech and debate programs around
