Rebellion, Residing in Nebraska ,1892 I Am a Key Larry Odell Johnson,2005-06 The primary purpose for the production of
my current book I Am A Key is to assist readers in a clearer understanding of my first book The Mind Factory My first book
dealt with pure theory and while I made a gallant effort there to soften the language in that field of discourse it was not a
complete success It still turned out not to be an easy read for the lay reader As was my goal I needed to consolidate a lot of
information in a relatively short single volume No doubt for any diligent student of sociology or philosophy it was a casual
read but I wanted the book to accommodate the lay reader as well In reviewing this issue of clarity of exposition after the fact
for my book The Mind Factory I was reminded that I did not give interpretations for the anagrams that I presented in that
book Moreover since defining and exhibiting anagrams was the central feature of the book I concluded that providing
interpretations for those anagrams would be the best way to pursue the immediate goal of opening up one s understanding of
the overall theory contained in that book Consequently I present my readers with my current book I Am A Key In my current
book I give a representation of the extended version of the key defined and presented in the earlier book I use an example
from the first book to detail just how an anagram is derived and I explain the meaning of an interpretation while also
providing interpretations for each of the 288 anagrams contained in my other book With this additional commentary I am
satisfied that I will have done as much as anyone could possibly do to initiate a contemporary discussion and explanation of
this theory That is to explain the reality of the existence of the latent content in our everyday language Of course the
secondary goal of these two books is to show by way of demonstrate that by implication the word theory as used within
context here does not mean something unproven or yet to be proven and the Secret Valleys John Cousins,1949 The
