Dominion Apostle Joshua Selman, 2020-11-27 God is a God of times and seasons He dwells in light but His dealings with men is fragmented into times and seasons That means that for every season there is what God is doing The character of His operation is such that there are graces and distribution of spiritual possibilities allocated for seasons that follow His word It looks like it is following men but it is actually following His word This is because the men received His word and that is why it followed them The power of God does not follow men It follows the word of God and if that word is in men it will seem to follow men So for every season there is what God is doing It is important for you to understand this because this is where many people miss out Read This Book and Be Blessed **Secrets of the Prison-house: pt.
