The Case Against Fragrance Kate Grenville, 2017-01-30 Read The Case Against Fragrance and you will never think about fragrance in the same way again If you have been suffering fragrance in silence you will know you are not alone Conversation Kate Grenville had always associated perfume with elegance and beauty Then the headaches started Like perhaps a quarter of the population Grenville reacts badly to the artificial fragrances around us other people s perfumes and all those scented cosmetics cleaning products and air fresheners On a book tour in 2015 dogged by ill health she started wondering what s in fragrance Who tests it for safety What does it do to people The more Grenville investigated the more she felt this was a story that should be told The chemicals in fragrance can be linked not only to short term problems like headaches and asthma but to long term ones like hormone disruption and cancer Yet products can be released onto the market without testing They re regulated only by the same people who make and sell them And the ingredients don t even have to be named on the label This book is based on careful research into the science of scent and the power of the fragrance industry But as you d expect from an acclaimed novelist it s also accessible and personal The Case Against Fragrance will make you see and smell the world differently When I was little my mother had a tiny precious bottle of perfume on her dressing table and on special occasions she d put a dab behind her ears The smell of Arpege was always linked in my mind with excitement and pleasure Mum with her hair done wearing her best dress and her pearls off for a night out with Dad When I got old enough to have my own special occasions I also had my favourite perfume I loved the bottles those sensuous shapes I loved the names and the labels so evocative of all things glamorous Kate Grenville is one of Australia s most celebrated writers Her bestselling novel The Secret River received the Commonwealth Writers Prize and was shortlisted for the Man Booker Prize and the Miles Franklin Literary Award The Idea of Perfection won the Orange Prize Grenville s other novels include Sarah Thornhill The Lieutenant Lilian s Story Dark Places and Joan Makes History Kate lives in Sydney and her most recent works are the non fiction books One Life My Mother s Story and The Case Against Fragrance One spritz of aftershave or perfume can leave other people retching and clutching their heads you never see that in the ads Kaz Cooke Beginning with her own physical reaction to fragrance that begins with a headache a lot of us know ourselves she investigates the fragrance industry and its side effects and interweaves these facts with the personal to create an accessible work of non fiction ArtsHub Fact dense and extensively referenced the book is a delight to read and never gets bogged down While some of the science has been simplified the book generally conveys the sense of it correctly Well developed and thoughtful Read The Case Against Fragrance and you will never think about fragrance in the same way again If you have been suffering fragrance in silence you will know you are not alone Conversation Grenville sets out to unlock the dark

science the volatile compounds conspiracies and carcinogens hiding in perfume the ingredients of which are regularly listed as alcohol water and the mysterious catch all fragrance New Statesman In this appealingly written exploration Kate uncovers the dark side of the fragrance industry from the carcinogens in after shave to the hormone disruptors in perfume that mimic oestrogen Child An insightful and frightening book Readings Readable interesting and informative Big Book Club Grenville expresses hope though that our society will find solutions to the fragrant violation of personal space based on courtesy and civility rather than on regulation and policy Australian Book Review You may be familiar with Australian novelist Kate Grenville s work but she enters new territory here After exposure to perfumes and scents delivered ill health her way Grenville got curious as to why The result is a fascinating and worrying expos of the potentially damaging health effects of fragrances and the laxity of their regulation Grenville digs into the science of scent as well as the intrigue of a multi billion dollar industry and makes it beautifully accessible in the process WellBeing The Orange Prize winning novelist s discovery that she reacts badly to the artificial fragrances all around us led her to investigate what is in fragrances what it does to people and whether it is properly tested for safety The result is this accessible and personal book on the science of fragrance Bookseller Grenville raises valuable questions about the potentially harmful chemicals surrounding us every day and why we so unabashedly live in ignorance of them Reader s Digest UK Best New Books to Read This Summer In some places though the danger of fragrance is beginning to be taken as seriously as passive smoking 30 years ago it sounds silly until you read Kate Grenville s explosive expos and wonder why no one ever told you this stuff before Mail on Sunday An accessible intelligent seriously researched and terrifying book Daily Mail UK *Tinsley's Magazine* ,1868 *Camp Life in the Woods and the Tricks of Trapping and Trap Making* William Hamilton Gibson,1882 **Mr. Jim's Magical Secrets** James L. De Motte,1894 *Francis Bacon and His Secret Society* Mrs. Henry Pott,1891 **Every Secret Thing** Laura Lippman,2009-10-13 Every Secret Thing is a riveting story of love and murder guilt and innocence adult sins and childhood darkness Two little girls banished from a neighborhood birthday party take a wrong turn down an unfamiliar Baltimore street and encounter an abandoned stroller with an infant inside What happens next is shocking and terrible and three families are irreparably destroyed Seven years later Alice Manning and Ronnie Fuller now eighteen are released from kid prison to begin their lives over again But the secrets swirling around the original crime continue to haunt the parents the lawyers the police all the adults in Alice and Ronnie s lives And now another child has disappeared under freakishly similar circumstances **Montreal Pharmaceutical Journal** ,1900 *The Cosmopolitan* ,1894 *Cassell's Magazine* ,1898 Lays and Legends Edith Nesbit,1887 Bowker's Complete Video Directory, 1998 ,1998 **Sounds from Secret Chambers** Howard Glyndon,1874 **The Secret Lives of Birds** Pierre Gingras,Peter Feldstein,1997 *Scents Appeal* Gabrielle J.
