Summary and Analysis Black Book, 2018-12

The Six Figure Woman: Women today are raking in the profits and making more money than ever before. The high earners include entrepreneurs, corporate executives, professionals, and even part-timers. Chances of high incomes are increasing faster than men's. From 1996 to 1998, the number of high-earning females shot up 68% versus 36% for men. It's a fact: We've entered the era of the six-figure woman. Still, fewer than 20% of six-figure earners are female, and most women remain sorely underpaid. Stanny talked with more than 150 high-earning women in researching this book, and they were surprisingly candid about their personal and professional lives. Up until writing a book on how women can get smart with their money, Stanny was financially oblivious, clinging to her father's worldview that managing money was a man's job. But these conversations with financially savvy women changed everything. I now invest with confidence. Despite their desire to want to start investing,

many women do not think they can cobble together enough money to do so They don't even consider the possibility that they can make more money eluding to a string of excuses They view making more money as an impossible task That's exactly how I used to feel But all that has changed since I learned the secrets of the six figure women I interviewed My income soared before I even finished writing the book For more information click on BUY BUTTON Summary: Barbara Stanny's Secrets of Six-Figure Women: Surprising Strategies to Up Your Earnings and Change Your Life Brief Books,2018-05-26 Summary and Analysis of Barbara Stanny's Secrets of Six Figure Women Surprising Strategies to up your Earnings and Change your Life NOTE TO READERS This is a summary and analysis companion book based on Six Figure Women Surprising Strategies to up your Earnings and Change your Life This is NOT the original book We strongly encourage you to purchase Barbara Stanny's original work here <https://amzn.to/2LsAQaq> ARE YOU READY TO BUMP YOUR EARNINGS AND CHANGE YOUR LIFE Stanny's book helps women empower themselves and make as much money as they are worth Far too much attention is being paid to the wage gap and not enough to wage gains Stanny proposes we shift the spotlight from the barriers and inequalities to progress and self improvement She outlines strategies for women to overcome any obstacle in their way on their path toward making six figures High earning women have similar traits and strategies and Stanny shows how enacting these can contribute to your success not only in the workplace but in all facets of your life She also delves into women making less money and what is holding them back from making more Through her interviews with hundreds of working women Stanny found it is possible for anyone to increase their income without becoming a workaholic When you deliberately hone the traits Stanny discusses in this book you will be on the right track toward financial independence and security In this battle to be valued more and in turn compensated more women will be empowered lift their self esteem and live a happier and fuller life In this detailed summary and analysis of Secrets of Six Figure Women Surprising Strategies to Up Your Earnings and Change Your Life you'll learn how to 1 Increase your income without selling your soul 2 Why keeping a journal is UTTERLY ESSENTIAL for creating more abundance in your life 3 How to use powerful and positive intentions in your favor 4 Why you must LET GO and so much more Buy this affordable yet very insightful companion book TODAY and begin CHANGING YOUR LIFE FOR THE BETTER Summary of Secrets of Six-Figure Women by Barbara Stanny Speed Read Publishing,2021-04-02 Speed Read Publishing has created a Summary of book for your reading pleasure Designed to enhance your reading experience What does this Summary Include Each Part wise Chapter of the original book Chapter by Chapter Summaries About the Author List of Characters Underlining Themes of the book Important Points to Remember Trivia Questions Discussion Questions about the Plot Background information about In Secrets of Six Figure Women Background information about Barbara Stanny Read this summary book to save time to learn more read Secrets of Six Figure Women **NICE GIRLS DON'T GET RICH** Lois P.
