Ships Monthly, 2003 *Ayrshire Notes*, 2003 **Deceiving Hitler** Terry Crowdy, 2011-12-20 In the war against Hitler the Allies had to use every ounce of cunning and trickery that they possessed Combining military deceptions with the double agent network run by the intelligence services they were able to send the enemy misleading information about Allied troops plans and operations From moving imaginary armies around the desert to putting a corpse with false papers floating in the

Mediterranean and from faking successful bombing campaigns to the convoluted deceptions which kept part of the German forces away from Normandy prior to D Day Terry Crowdy explores the deception war that combined the double agent network with ingenious plans to confuse and hoodwink the F hrer *Sea Breezes* ,2003 *TV Guide* ,2003 **В тумане войны** E. V. Egorova-Gantman,2010 **Secret Weapon** Kathleen Broome Williams,1996 The war against U boats in the Atlantic was won in part by a high frequency direction finder called Huff Duff or HF DF for short that could pinpoint the location of radio transmitters The electronic device was used extensively by the Allies to locate German submarines attacking merchant ships in the Atlantic Yet it remained little known and understood while its counterparts sonar and radar became household words The story of HF DF s development and operation in combat by the U S Navy told here for the first time in revealing detail is a fascinating tale of determination and success Many countries including Germany had known about the technology of direction finding for some time but none had been able to develop an adequate shipborne device This left Admiral Donitz confident that his U boats had little to fear Simultaneously a brilliant young French engineer working for ITT in the United States managed to create a device that was both dependable and practical Eventually the British produced a shipborne HF DF that they used to good effect in the North Atlantic This book demonstrates how the vital American version was produced and aggressively promoted by private enterprise to top American military officials The author describes its acquisition by the U S Navy and the joint effort by the Navy and ITT to see that the device was properly installed and personnel adequately trained in its operation **The British National Bibliography** Arthur James Wells,2006 *Fighters Over Tunisia* Christopher F. Shores,Hans Ring,William N.
