Sherlock Holmes The Last Vampyre:

The Last Vampire Craig Hadley, 2023-03-03 About the Book What if most of vampire lore and mythology was wrong What if being a vampire had nothing to do with good or evil but instead was about a freak manifestation of events that created immortal beings Joshua Jacob Jones is 600 years old and the last vampire Joshua is dragged back to his past when one of his human friends seeks him out after many years apart to share that a small group of very rich and powerful people have acquired vampire blood and are working to unlock the secret to becoming immortal Joshua agrees to join forces with his old friend to track down and destroy the source of the blood as well as all the current research To accomplish this mission Joshua teams up with an unlikely group of allies including a young Japanese woman who is incredibly gifted and a deadly samurai six former special ops soldiers from across the globe and a beautiful middle aged woman with a past that is key to unlocking the secrets of the rich and powerful group striving to become immortal But it s not just her secrets that will play a role in this mission Joshua s secrets are just as important About the Author Craig Hadley earned a history and anthropology degree from the University of South Carolina as well as a master s in museum science from Johns Hopkins University He has worked as a professional archaeologist and historian for more than twenty years Throughout his career he has consulted and managed museums across the United States He has also been a historical technical advisor on various motion pictures and documentaries His specialty is military history more specifically the American Revolution the Civil War and World War II Craig is a big classic film buff and has taught the history of film at various colleges including his specialty History According to Hollywood He also enjoys science fiction and fantasy [The Vampire Almanac](#) J. Gordon Melton, 2021-10-01 Grab a stake a fistful of garlic a crucifix and holy water as you enter the dark blood curdling world of the original pain in the neck in this ultimate collection of vampire facts fangs and fiction What accounts for the undying fascination people have for vampires How did encounters with death create centuries old myths and folklore in virtually every culture in the world When did the early literary vampires as pictured by Goethe Coleridge Shelly Polidori Byron and Nodier as the personifications of man s darker side transform from villains into today s cultural rebels Showing how vampire like creatures organically formed in virtually every part of the world The Vampire Almanac The Complete History by renowned religion expert and fearless vampire authority J Gordon Melton Ph D examines the historic societal and psychological role the vampire has played and continues to play in understanding death man s deepest desires and human pathologies It analyzes humanity s lusts fears and longing for power and the forbidden Today the vampire serves as a powerful symbol for the darker parts of the human condition touching on death immortality forbidden sexuality sexual power and surrender intimacy alienation rebellion violence and a fascination with the mysterious The vampire is often portrayed as a symbolic leader advocating an outrageous alternative to the demands of conformity Vampires can also be tools for scapegoating such as when women are called vamps and bosses are described as bloodsuckers Meet all of the villains anti heroes and heroes of myths legends books films and
