**Christmas Magic in Believing** Sandra Garriss Woolard,2020-11-03 It was a new beginning and Amber gave meaning to love at first sight She petted and rubbed me the moment she held me in her arms Being the petite cute and adorable tortoiseshell kitten that I was and still am she was as lucky to find me as I was to find her It s that time of the year the Christmas preparation school ending for break and visitors stopping by to chat With all the exciting Christmas preparation going on in the kitchen Amber did not pay attention to the front door not catching as folks came to visit today I discovered that I could pull the door open with my paw and my curiosity was getting the best of me Outside and lost I could only assume Amber would have noticed that I was missing Lost you say Well I m Rev Bosco C Hope at your rescue The C stands for Cat and most call me BC There is no reason to be scared as long as I m around So take a deep breath and relax and tell me your story So I want to get home You re telling me that Christmas magic can guide me I only have to believe I have no other choice but to trust BC which stood for Big Cat in my perception The journey begins I m following in an unfamiliar area that could seem dangerous I could see BC s ears move slowly he was still as a statue I could sense tension from BC this was not a good sign Amber Amber Oh yes I wanted to be home with Amber I was muttering to myself with a timid meow Chicken

**Throat** Jen Mann,2015-10-13 For fans of Laurie Notaro and Jenny Lawson comes an uproarious and oddly endearing essay collection for anyone trying to survive the holidays in one piece When it comes to time honored holiday traditions Jen Mann pulls no punches In this hilariously irreverent collection of essays Jen Mann nationally bestselling author of People I Want to Punch in the Throat turns her mordant wit on the holidays On Mann s naughty list mothers who go way overboard with their Elf on the Shelf overzealous carolers who can t take a hint and people who write their Christmas cards in the third person Joyce is enjoying Bunko Yeah Joyce we know you wrote this letter And on her nice list well she s working on that one Here no celebration is off limits The essays include You Can Keep Your Cookies I m Just Here for the Booze Nice Halloween Costume Was Skank Sold Out Why You Won t Be Invited to Our Chinese New Year Party From hosting an ill fated Chinese New Year party to receiving horrible gifts from her husband on Mother s Day to reluctantly telling her son the truth about the Easter

Bunny Mann knows the challenge of navigating the holidays while keeping her sanity intact And even if she can t get out of attending another Christmas cookie exchange at least she can try again next year Praise for Spending the Holidays with People I Want to Punch in the Throat Mann s writing has transcended from witty anecdotes and complaints to notable satire Hidden among the many laugh out loud zingers are lessons on how we relate to each other and how ridiculous parenting culture has become Associated Press Following the success of her first book she is now punching throats at holidays starting from her being age two and continuing to the present where she is a harried mother bemoaning not just Christmas but all holidays Harried holiday haters will chuckle and perhaps see themselves somewhere in Mann s lifetime dislike of and misbehavior during America s increasingly commercialized celebrations Booklist The cure for my cold holiday spirit this year is the sidesplitting new book by Jen Mann Mann delivers her signature punch lines and sharp critique on the oftentimes ridiculous shenanigans of the modern family Her ability to make an otherwise boring subject come alive with colorful personalities biting sarcasm and impressively astute observations on suburban culture is what makes Mann so much fun to read and so easy to relate to The Huffington Post A lighthearted laugh out loud book with a feel of peeking into a diary Mommy s Memorandum It really does make you laugh out loud Shooting Stars Mag A quick and delightful read that you can sneak in right before bed or when the kids are finally napping FangirlNation Grab a cup of hot cocoa sit back and enjoy Jen s latest collection of humorous rants dissecting the most wonderful time of the year She unleashes her biting wit and hilarious opinions on everything from cookie exchanges to annual humblebrag Christmas letters from overachieving moms to horrifying Christmases of her childhood Creating Serenity Mann has really mastered the short story format She packs the maximum amount of funny into the fewest words and many of these essays are downright hilarious If you ve read and liked her other books you will definitely want to read this one too Bug Bug Book Reviews
