Soul Mates Lucy Stone,1983 **Deadly Dunstone** Jerry Martin,2002-02-27 Jesus appeared to Francis of Assisi in 1205 and said three words Repair my House Clearly Jesus commanded a return to His Apostolic church and its prime mission to bring the kingdom of God to earth Two great movements attempted this repair the Spiritual Franciscans and the Protestant Reformation It is equally clear is that both movements ultimately failed leaving Christianity deeply embedded in religiosity defined as religion by regimentation Christian worship has been organized but human organization and the freedom loving

Spirit of God do not mix As the true worship of God recedes from our churches our culture approaches a moral abyss
Desperately our nation our culture and our churches need to return to the life directing faith path of the apostolic walk
Called the Christ Walk in this text this precious path of life is defined by Isaiah 35 8 And a highway will be there it will be
called the Way of Holiness Unrecognized the unfulfilled commitment of Jesus 1205 request is still upon each of us By seeking
the will of God in the Christ Walk each saint can satisfy that command There the saint can reach the fullness of Jesus love
and incrementally return the church to its original apostolic mission vector In this effort each saint can repair Jesus House
working from the bottom up Let us agree we have had enough of religion Look there is no difference in the faith and fervor of
the world s religions existing in equal measure around the world No humanity needs a greater thing than religiosity We need
an integrated faith walk influencing every thought and action of our lives And at this level of life long pervasiveness humans
can only abide God s love dwelling within agape love Humanity will not excel in agape love until it can reach the integrity of
Jesus love found most profusely in the Christ Walk Once agape love is found as a life style not a social syntax or as the
practiced facade then agape civilization beckons Dynamic and flexible the Christ Walk is customized for each human walking
this way It cannot be put into a precisely defined structure as a mass production process It is emphatically not religiosity
Rather it is adult Christian food the true subsequence of life and the real reason for human existence But the Christ Walk is
not a gift it requires the search spoken of in Mathew 6 33 But seek first His kingdom and His righteousness hence seeking
representing the true divide in Christianity separating the carnal from the spiritual saint thus separating Jesus true church
from the religious impersonation Today Jesus true church is found where it is found one member here another there
Tomorrow under the influence of the Spirit s massive outpouring the true church will rise from the Christ Walk prevailing
across America and several other countries seriously changing these cultures Although the Christ Walk is unique to each
human we can outline the highpoint characteristics of that walk allowing a rough measurement for each soul traversing this
path Basically the Christ Walk is composed of these sub paths Walk to wholesomeness Attenuation path to sanctification
featuring the conversion of both the alert and subconscious mind to Jesus salvation Overcoming walk to discipleship in Jesus
Christ This text is built under the guidance of the Spirit to assist those desiring to walk the way of Holiness there to
experience true worship of the Father Yet this book is also for those not now interested in Christ certain of their current
belief patterns Within most of these souls resides a restlessness vague and undefined Put aside your preconceived ideas
about the Christian religion and seek out the freshness of Jesus faith walk Here in these pages you can find the answer to
your unease understand the need for another dimension in ou **Anne Hughes, Her Boke** Anne Hughes,1981 The original
