Saratoga Bestiary:

The Burn Palace Stephen Dobyns, 2014-07-17 *The Burn Palace* from Stephen Dobyns is a darkly funny twisted portrait of chaos and paranoia in small town America. The sleepy community of Brewster Rhode Island is just like any other small American town. It's a place where most of the population will likely die blocks from where they were born where gossip spreads like wildfire and the big entertainment on weekends is the inevitable fight at the local bar. But recently something out of the ordinary perhaps even supernatural has been stirring in Brewster. While packs of coyotes gather on back roads and the news spreads that a baby has been stolen from Memorial Hospital and replaced in its bassinet by a snake a series of inexplicably violent acts begins to confound Detective Woody Potter and the local police and inspire terror in the hearts and minds of the locals. Chillingly suspenseful with a whole host of richly rendered and larger than life characters *The Burn Palace* from Stephen Dobyns is a masterful thriller which fans of Stephen King and Susan Hill will devour with pleasure. Praise for *The Burn Palace* I've read some very good novels this year but this one is the best of the best. Stephen King

The Church of Dead Girls Stephen Dobyns, 2015-08-04 One by one three young girls vanish in a small town in upstate New York. With the first disappearance the townspeople begin to mistrust outsiders. When the second girl goes missing neighbors and childhood friends start to eye each other warily. And with the third disappearance the sleepy little town awakens to a full blown nightmare. *The Church of Dead Girls* is a novel that displays Stephen Dobyns remarkable gifts for exploring human nature probing the ruinous effects of suspicion. As panic mounts and citizens take the law into their own hands no one is immune and old rumors old angers and old hungers come to the surface to reveal the secret history of a seemingly genteel town and the dark impulses of its inhabitants

The Two Deaths of Senora Puccini Stephen Dobyns, 2015-08-04 It is a night racked with violence in an unnamed Latin American country. Three men brave the war ravaged streets to meet at the opulent home of a friend the famed surgeon Daniel Pacheco for their semiannual gathering. As a lavish meal is served by the sullen housekeeper interest centers on the photograph of an intriguingly beautiful young woman. Spellbinding revelations of erotic obsession and betrayal unfold interrupted by the increasing bloodshed that presses closer to Pacheco's door. Stephen Dobyns has written a provocative novel of desire lust depravity and danger a classic thriller that holds you tightly in its grasp until its shattering conclusion

The spiritual intermixed with the bawdy the courageous with the cowardly the kindly with the cruel. *Common Carnage* rejects the decorous and decorative to map the complexity the common carnage of our lives as it seeks to understand our
