Sartre Romantic Rationalist:

Sartre Iris Murdoch,1972 Sartre, Romantic Realist Iris Murdoch,1980 Murdoch s study attempts to analyse and evaluate the different strands of Sartre s rich and complex oeuvre Combining the objectivity of the scholar with a profound interest in contemporary problems Iris Murdoch places Sartre s achievement in the perspective of philosophical political and aesthetic thought showing the ambiguities and dangers inherent in his position Book jacket

Sartre Iris Murdoch,1953

Iris Murdoch and the Political Gary Browning,2024-07-12 Iris Murdoch is a celebrated philosopher and novelist Was she a political theorist Many say that she focused upon the personal and the moral at the expense of the social and the political However this book argues the contrary Murdoch had lifelong interests in politics just as she did in literature and philosophy She saw historical experience as the foundation upon which the inter linked activities of literature philosophy and politics are based In reading Murdoch we get a clear insight into the nature of the modern political world From an early political radicalism to a later anti utopianism Murdoch reacted to the great political events of the twentieth century notably the Holocaust the rise and fall of ideologies sexual repression and the realities of totalitarianism Her political philosophy conceptualized relations between moral and political spheres and her novels deal imaginatively with questions of migration refugees sexuality and freedom Her letters and journals provide moment to moment reactions to major political events Iris Murdoch and the Political presents a lively discussion of Iris Murdoch and her political thought taking in the nature of socialist thought the New Left and liberalism in the UK in the latter part of the twentieth century The book is based upon a wide variety of sources including Murdoch s journals letters reviews essays novels and books It draws upon scholarship in philosophy literature and intellectual history in developing a coherent sense of how Murdoch theorized the political

Sartre and Psychoanalysis Betty Cannon,1991 Betty Cannon is the first to explore the implications of Sartrean philosophy for the Freudian psychoanalytic tradition Drawing upon Sartre's work as well as her own experiences as a practicing therapist she shows that Sartre was a fellow traveler who appreciated Freud's psychoanalytic achievements but rebelled against the determinism of his metatheory. The mind Sartre argued cannot be reduced to a collection of drives and structures nor is it enslaved to its past as Freud's work suggested Sartre advocated an existentialist psychoanalysis based on human freedom and the self's ability to reshape its own meaning and value. Through the Sartrean approach Cannon offers a resolution to the crisis in psychoanalytic metatheory created by the current emphasis on relational needs. By comparing Sartre with Freud and influential post Freudians like Melanie Klein Otto Kernber Margaret Mahler D W Winnicott Heinz Kohut Harry Stack Sullivan and Jacques Lacan she demonstrates why the Sartrean model transcends the limitations of traditional Freudian metatheory. In the process she adds a new dimension to our understanding of Sartre and his place in twentieth century philosophy. *Political Theory, Science Fiction, and Utopian Literature* Tony Burns, 2010-02-19 Ursula K Le Guin's The Dispossessed is of interest to political theorists partly because of its association with anarchism and partly

because it is thought to represent a turning point in the history of utopian dystopian political thought and literature and of science fiction Published in 1974 it marked a revival of utopianism after decades of dystopian writing According to this widely accepted view The Dispossessed represents a new kind of literary utopia which Tom Moylan calls a critical utopia The present work challenges this reading of The Dispossessed and its place in the histories of utopian dystopian literature and science fiction It explores the difference between traditional literary utopia and novels and suggests that The Dispossessed is not a literary utopia but a novel about utopianism in politics Le Guin's concerns have more to do with those of the novelists of the 19th century writing in the tradition of European Realism than they do with the science fiction or utopian literature It also claims that her theory of the novel has an affinity with the ancient Greek tragedy This implies that there is a conservatism in Le Guin's work as a creative writer or as a novelist which fits uneasily with her personal commitment to anarchism Grundzüge der Ontologie Sartres in ihrem Verhältnis zu Hegels Logik Klaus Hartmann, 1963 Keine ausf hrliche Beschreibung fr Grundz ge der Ontologie Sartres in ihrem Verh ltnis zu Hegels Logik verf gbar des 20.
