A. Waiser, Bill Waiser, 2005 In Saskatchewan A New History award winning author and historian Bill Waiser presents a fresh entertaining account and interpretation of Saskatchewan s unique and captivating history Writing with clarity candor and compassion Waiser describes in detail his province and its people through the stimulating often tumultuous years since joining Confederation in 1905 A gift to the province from the University of Saskatchewan written in commemoration of the province s centennial celebrations in 2005 Saskatchewan A New History tells above all the engaging stories of the people of Saskatchewan Their wisdom foresight bravery toil and eternal optimism gave birth to one hundred years of extraordinary history Waiser leaves no

stone unturned as he records the events and stories of the people who experienced them from the province's earliest days when anything seemed possible through the years of the Great Depression when the prospect of greatness seemed all but lost to the second half of the century when an intense at times bitter debate raged over how best to govern Saskatchewan. Relying on the most up to date historical research available he offers new perspectives on traditional views and tackles previously neglected often difficult concepts and events. What is most striking about these images aside from the richness of their color and the skillful use of light are the happy smiling faces. He could see things like no one else with a camera. He had an uncanny skill to set the scene. He caught people in everyday life and everyday activities and people wanted to have their picture taken by him. Generously illustrated with carefully selected archival images and two sixteen page color inserts of commissioned photographs by Saskatoon's John Perret.
