Sauerkraut Yankees Pennsylvania Dutch Foods And Foodways

William Woys Weaver

Sauerkraut Yankees Pennsylvania Dutch Foods And Foodways:

Sauerkraut Yankees William Woys Weaver,2002 **Sauerkraut Yankees** William Woys Weaver,1983 In addition to the 139 delicious recipes roast suckling pig to cherry bounced mulled wine Weaver paints an invaluable portrait of the Pennsylvania Germans as a people He focuses on the period of 1830 70 when traditional Pennsylvania German cookery began to break down under mounting pressures of assimilation technological changes such as cooling stoves the massive change in life style brought about by the Civil War Charming line illustrations chosen from rare nineteenth century sources are also included *Architecture and Landscape of the Pennsylvania Germans, 1720-1920* Sally McMurry,Nancy Van Dolsen,2011-03-08 The phrase Pennsylvania German architecture likely conjures images of either the continental three room house with its huge hearth and five plate stoves or the huge Pennsylvania bank barn with its projecting overshoot These and other trademarks of Pennsylvania German architecture have prompted great interest among a wide audience from tourists and genealogists to architectural historians antiquarians and folklorists Since the nineteenth century scholars have engaged in field measurement and drawing photographic documentation and careful observation resulting in a scholarly conversation about Pennsylvania German building traditions What cultural patterns were being expressed in these buildings How did shifting social technological and economic forces shape architectural changes Since those early forays our understanding has moved well beyond the three room house and the forebay barn In *Architecture and Landscape of the Pennsylvania Germans 1720 1920* eight essays by leading scholars and preservation professionals not only describe important architectural sites but also offer original interpretive insights that will help advance understanding of Pennsylvania German culture and history Pennsylvania Germans lives are traced through their houses barns outbuildings commercial buildings churches and landscapes The essays bring to bear years of field observation as well as engagement with current scholarly perspectives on issues such as the nature of ethnicity the social construction of landscape and recent historiography about the Pennsylvania Germans Dozens of original measured drawings appearing here for the first time in print document important works of Pennsylvania German architecture including the iconic Bertolet barns in Berks County the Martin Brandt farm complex in Cumberland County a nineteenth century Pennsylvania German housemill and urban houses in Lancaster *Der Reggebooge* ,2004 **Regional American Food Culture** Lucy M. Long,2009-10-13 Regional American food culture still exists and is strongest in more rural homogenous areas of the country Regional foods are a major component of regional identities and Americans make a big to do about their home grown favorites The current food cultures of the major American regions northeast New England the Mid Atlantic the South the West the Midwest and subregions are illuminated here like never before Everyone knows something about the iconic fare of a region such as Soul Food in the South and New England clam bakes but with this resource readers are able to delve wider and deeper into how Americans from Alaska to Hawaii to the Amish country of the Midwest to the Eastern Seaboard sustain themselves and what their food lifestyles are today The

unique regional food cultures that have developed according to natural resources and population are increasingly affected by social and economic trends. Increasingly mobile Americans generally have access to the same fast food and supermarket chain offerings, read the same mass market food magazines and watch the cable food shows, and younger generations may have less time to continue family food traditions such as baking the ethnic breads and desserts that their mothers did.

Regional American Food Culture discusses the various traditions within the context of a new millennium. Narrative chapters describe the background of the regional food culture, what the primary foods are, how the food is cooked and by whom, what the typical meals are, how food is used in special occasions, and diet and health issues in the regions. A chronology, resource guide, selected bibliography, and illustrations complement the text. *World Food* Mary Ellen Snodgrass, 2012-09-15. This multicultural and interdisciplinary reference brings a fresh social and cultural perspective to the global history of food, foodstuffs, and cultural exchange from the age of discovery to contemporary times. Comprehensive in scope, this two-volume encyclopedia covers agriculture and industry, food preparation and regional cuisines, science and technology, nutrition and health, and trade and commerce, as well as key contemporary issues such as famine relief, farm subsidies, food safety, and the organic movement. Articles also include specific foodstuffs such as chocolate, potatoes, and tomatoes; topics such as the Mediterranean diet and the Spice Route; and pivotal figures such as Marco Polo, Columbus, and Catherine de Medici. Special features include dozens of recipes representing different historic periods and cuisines of the world, listing of herbal foods and uses, and a chronology of key events in food history.

The ^AOxford Companion to American Food and Drink Andrew F. Smith, 2007-05-01. Building on the highly praised and deliciously browseable two-volume compendium, the Oxford Encyclopedia of Food and Drink in America, this new work serves up everything you could ever want to know about American consumables and their impact on popular culture and the culinary world. Within its pages, for example, we learn that Lifesavers candy owes its success to the canny marketing idea of placing the original flavor, mint, next to cash registers at bars. Patrons who bought them to mask the smell of alcohol on their breath before heading home soon found they were just as tasty, sober, and the company began producing other flavors. Edited by Andrew Smith, a writer and lecturer on culinary history, the Companion serves up more than just trivia, however, including hundreds of entries on fast food, celebrity chefs, fish sandwiches, regional and ethnic cuisine, food science, and historical food traditions.

The Oxford Encyclopedia of Food and Drink in America Andrew F. Smith, 2004. Covers the significant events, inventions, and social movements in history that have affected the way Americans view, prepare, and consume food and drink, in articles arranged alphabetically. **Pennsylvania Heritage**, 2012. **Encyclopedia of Food and Culture** Solomon H. Katz, 2003. A survey of food and its place in human culture and society presented through 600 alphabetically sorted entries. Features multidisciplinary coverage of such topics as comfort food, ethnicity, and food, medieval banquets, and nutrient composition among many others. Includes photographs, illustrations, sidebars, recipes, menus, and timelines.

Architecture and Landscape of the Pennsylvania Germans,

1720-1920 Vernacular Architecture Forum (U.S.). Meeting, 2004 **Keystone Folklore** ,1984 Includes collectanea notes queries and reviews Newsletter ,1980 Western Pennsylvania History ,2001 Pennsylvania Dutch Country Cooking William Woys Weaver,1993 Over 125 original recipes provide clear instructions for such delights as crusty farm breads peasant one pot dinners luscious spring soups and light sophisticated salads made with regional specialties like spelt and hickory nuts Now more than ever Americans are seeking the healthful foods associated with the Pennsylvania Dutch concept of Bodegeschnack or having the taste or flavor of the land The heartland of this cookery style is a 15 county area in southeastern Pennsylvania but it also spreads deep into the Midwest the upper South and Canada and includes the Amish Mennonites and Moravians among other peoples Both a cultural history and a practical cookbook this volume not only tells us how to make Roast Turkey with Pepper Hash but also explains how to ward off witch hexes and kitchen goblins The Journal of American Folk-lore ,2005 **Pennsylvania History** ,1984 Includes section Book reviews and Book notices **In Days Gone by** Audrey Burie Kirchner,1996 This work explores the history folklore and folk life of the Pennsylvania Dutch and other Germans who settled in the state The authors introduce readers to the history of this group including their coming to the USA family and home life unique dialect folk arts beliefs and superstitions *Killing Tradition* Simon J. Bronner,2008-11-21 Through extensive research and fieldwork Bronner takes on the many questions raised by this problematic subject Does hunting promote violence toward humans as well as animals Is it an outdated activity unnecessary in modern times Is the heritage of hunting worth preserving *Killing Tradition* looks at three case studies that are at the heart of today s hunting debate Inside jacket As American as Shoofly Pie William Woys Weaver,2013-04-11 When visitors travel to Pennsylvania Dutch Country they are encouraged to consume the local culture by way of regional specialties such as cream filled whoopie pies and deep fried fritters of every variety Yet many of the dishes and confections visitors have come to expect from the region did not emerge from Pennsylvania Dutch culture but from expectations fabricated by local color novels or the tourist industry At the same time other less celebrated and rather more delicious dishes such as sauerkraut and stuffed pork stomach have been enjoyed in Pennsylvania Dutch homes across various localities and economic strata for decades Celebrated food historian and cookbook writer William Woys Weaver delves deeply into the history of Pennsylvania Dutch cuisine to sort fact from fiction in the foodlore of this culture Through interviews with contemporary Pennsylvania Dutch cooks and extensive research into cookbooks and archives *As American as Shoofly Pie* offers a comprehensive and counterintuitive cultural history of Pennsylvania Dutch cuisine its roots and regional characteristics its communities and class divisions and above all its evolution into a uniquely American style of cookery Weaver traces the origins of Pennsylvania Dutch cuisine as far back as the first German settlements in America and follows them forward as New Dutch Cuisine continues to evolve and respond to contemporary food concerns His detailed and affectionate chapters present a rich and diverse portrait of a living culinary practice widely varied among different religious sects and localized communities rich and

poor rural and urban that complicates common notions of authenticity Because there s no better way to understand food culture than to practice it As American as Shoofly Pie s cultural history is accompanied by dozens of recipes drawn from exacting research kitchen tested and adapted to modern cooking conventions From soup to Schnitz these dishes lay the table with a multitude of regional tastes and stories Hockt eich hie mit uns un esst eich satt Sit down with us and eat yourselves full
